Lord Of The Stars:

The Future Is in the Stars Cleveland Carter,2012-07-10 The origin and study of astronomy is as old as mankind The names of constellations and stars and their meaning are older than mankind God gave Adam the responsibility of naming the animals but God named the stars and constellations and gave them each a meaning God instructed the first humans in these meanings These meanings have been preserved and transmitted from antiquity to the present for us to know and understand Though much has been lost throughout time much has been rediscovered Discover the real meaning of the stars and constellations Discover the past present and future Discover the story of the Gospel in the stars The Latter-Day Saints' Millennial Star ,1889 Lord of the Stars P.
