Lord Reigns A Theological Handbook Of The Psalms:

The Lord Reigns James Luther Mays,1994-01-01 James Mays convincingly argues that the declaration The Lord reigns is not only a statement of faith but a statement of a particular worldview that is there is a God and all of reality can be understood only in terms of God and God s sovereignty By addressing the importance of the language associated with the reign of God as expressed in the Psalms The Lord Reigns offers a way to better understand the relationship between God and creation

Psalm 118 in the Gospel of John Andrew C. Brunson,2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel Following a comprehensive survey of Ps 118 s Jewish setting its role in the festivals and its use in the Synoptic Gospels special attention is given to the quotations in the Entrance Narrative The author argues that John portrays Jesus as bringing an end to Israel s state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people A literary study of the coming sent theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father A previously unnoticed allusion to Ps 118 and Jubilees in John 8 56 is explored and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10 7 10 10 24 25 and 11 41 42

Finding Lost Words G. Geoffrey Harper,Kit Barker,2017-03-31 The brokenness of this world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own

The 'Uncertainty of a Hearing' Federico Villanueva,2008-08-31 An interesting feature in the lament psalms is the sudden change of mood Unfortunately as the term that has come to be

associated with the subject indicates Certainty of a Hearing the change of mood is understood only in terms of a movement from lament to praise This has led to a redefinition of lament in terms of petition and an overemphasis on praise The present book seeks to redress this one sided emphasis by drawing attention to the other movements in the Psalter the reverse movement from praise to lament return to lament after praise and the alternation between the two We do not only have a Certainty of a Hearing we also have an Uncertainty of a Hearing **The Destiny of the Righteous in the Psalms ,**
