Between One Faith and Another Peter Kreeft, 2017-07-07 How do we make sense of the world s different religions In this creative thought experiment Peter Kreeft invites us to encounter dialogues on the major faiths with his characters Thomas Keptic Bea Lever and Professor Fesser Ultimately Kreeft gives us helpful tools for thinking fairly and critically about competing religious beliefs and how they relate to one another *I Don't Have Enough Faith to Be an Atheist* Norman L. Geisler, Frank Turek, 2021-05-17 To some the concept of having faith in a higher power or a set of religious beliefs is nonsensical Indeed many view religion in general and Christianity in particular as unfounded and unreasonable Norman Geisler and Frank Turek argue however that Christianity is not only more reasonable than all other belief systems but is indeed more rational than unbelief itself With conviction and clear thinking Geisler and Turek guide readers through some of the traditional tested arguments for the existence of a creator God They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus The final section of the book deals with a detailed investigation of the claims of Christ This volume will be an interesting read for those skeptical about Christianity as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith

Yes or No? Peter Kreeft, 2009-11-05 The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity In a series of imaginative dialogues Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel The result is a book that is both engaging and profound a book that leads readers to initial faith or to deeper faith

The stakes in these dialogues are high Christianity is God's marriage proposal to the soul says Kreeft and the answer must be yes or no We can evade the claims of Jesus Christ for a while but death brings evasion to an end It is wiser to look at Christianity honestly now Yes or No shows the truth of Jesus promise that those who sincerely seek the truth shall find it It is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found God It presents the full challenge of the gospel in a way modern men and women can understand
