That Break Curses John Eckhardt, 2010-09-24 Is your life characterized by continual setbacks and misfortune Does it appear as though no matter what you do you cannot seem to obtain the blessings of the Lord You could be living under a curse Unfortunately there are still many believers living under curses even though they have been legally redeemed Just as a believer may have to fight a good fight of faith for healing he or she may also have to fight a good fight of faith against curses Satan may not have a legal right to enforce a curse against you but he is an outlaw and will attempt to do so anyway Therefore curses oftentimes have to be broken and you must learn how to stand in faith against those curses keeping them from operating in your life The promises God gives us in the Bible are not automatic They must be believed and often fought for You don't have to fight God for His promises He is not keeping them back from you But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises Written in the style of Prayers That Rout Demons this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life **Separation from the Common** Zacharias Tanee Fomum, In Separation from the

Common author Zacharias Tanee Fomum shares his personal journey of obedience to God's call to live a life of separation from the ordinary Fomum's journey began with small steps of obedience like giving away his suits when God asked him to but it soon became a radical commitment to living a life different from what obtains in the world around him Using biblical examples and others from Church history Fomum makes the case that all who are called by God to specific tasks are called away from the ordinary life and to uncommon lifestyle He argues that success and distinction come at a great price and that responsibility curtails a person's freedom Fomum's book challenges readers to consider whether they are willing to pay the price for success and follow the narrow way that Jesus walked Through his own story and reflections on the Scripture Fomum offers encouragement to those who are willing to heed God's call to a life of separation from the common He reminds readers that they can hear God's voice and that He will be their guide and helper on the path to success in Him Separation from the Common is a challenging and inspiring call to a radical commitment to Christ and a life that stands out from the crowd
