All Stories Are True Tracie Church Guzzio, 2011-05-17 In *All Stories Are True*, Tracie Church Guzzio provides the first full-length study of John Edgar Wideman's entire oeuvre to date. Specifically, Guzzio examines the ways in which Wideman, by 1941, engages with three crucial themes: history, myth, and trauma throughout his career, showing how they intertwine. Guzzio argues that for four decades the influential African American writer has endeavored to create a version of the African American experience that runs counter to mainstream interpretations, using history and myth to confront and then heal the trauma caused by slavery and racism. Wideman's work intentionally blurs boundaries between fiction and autobiography, myth and history, particularly as that history relates to African American experience in his hometown of Pittsburgh, Pennsylvania. The fusion of fiction, national history, and Wideman's personal life is characteristic of his style, which, due to its complexity and smudging of genre distinctions, has presented analytic difficulties for literary scholars. Despite winning the PEN Faulkner award twice for *Sent for You Yesterday* (1984) and *Philadelphia Fire* (1990), Wideman remains understudied. Of particular value is Guzzio's analysis of the many ways in which Wideman alludes to his previous works. This intertextuality allows Wideman to engage his books in direct, intentional dialogue with each other through repeated characters, images, folktales, and songs. In Wideman's challenging of a monolithic view of history and presenting alternative perspectives to it, and his allowing past, present, and future time to remain fluid in the narratives, Guzzio finds an author firm in his notion that all stories and all perspectives have merit.

The Chilean Dictatorship Novel Helene Carol Weldt-Basson, 2025-11-04 A survey of classic literature from Chile, born of the repressive Pinochet dictatorship in the seventies. Though the civil rights abuses by the Pinochet dictatorship in Chile (1973-1990) were later recognized by reparations and truth commissions, the difficult emotions suffered by the victims and their families were often pushed into the background or out of the national conversation.

entirely In response novelists began writing the feelings experienced during the dictatorship into their books In The Chilean Dictatorship Novel Weldt Basson examines fifteen novels and one testimony written on the topic of dictatorship to illustrate how these Chilean narratives center on affect and emotions Each chapter focuses on a different emotion feelings of loss because of a father s abandonment and spatial injustice caused by the neoliberal urbanization of Santiago despair articulated through tragic romances and affective landscapes left wing nostalgia and melancholia communicated through allegory feelings of abjection caused by torture and betrayal and the creation of affect through violent events aggressive child play and sexual torture Through a close look at the work of Jos Donoso Ariel Dorfman Diamela Eltit Carlos Franz and Nona Fernandez among others Weldt Basson effectively argues that by inspiring emotion and creating empathy within readers the authors of these books instill a drive in the readers for ongoing social justice advocacy thereby transforming the process of reading into a platform for future action Weldt Basson s landmark study will serve as a basis for the future study of Latin American literature for decades to come
