LOST LEMON MINE

*According to legend, the legendary
miner who discovered it was a man of
great wealth.*

In the early 1900s, a man named
James W. Smith, who had been mining
for years in the area, discovered a large
deposit of silver. He was the first to
discover it, and he was the first to
mine it. He was the first to mine it.

The mine was named after the
lemon tree that grew in the area. It was
the first mine to be named after a
lemon tree. It was the first mine to be
named after a lemon tree.

The mine was named after the
lemon tree that grew in the area. It was
the first mine to be named after a
lemon tree. It was the first mine to be
named after a lemon tree.

All this time, the mine was named
after the lemon tree that grew in the
area. It was the first mine to be
named after a lemon tree.
