I Am Not I Jacob Needleman, 2016-04-19 In this striking meditation on the relationship between the adult self and the inner child Jacob Needleman presents excitingly original positions on age old spiritual and philosophical questions Ken Wilbur Seeking to reconcile the split between our inner child and our adult self eminent philosopher and religious scholar Jacob Needleman evokes the ancient spiritual tradition of a deep dialogue between a guiding wisdom figure and a seeker The elder offers an initiation to a younger self an initiation the author feels is missing from our culture Rendered as a stage play the conversation between the 80 year old author and his younger selves unfolds and an ambiguity emerges as to whether this is strictly the author's internal dialogue or whether the younger self may be nurturing a rebirth of the author On one level I Am Not I brings younger readers teenagers and young adults face to face with powerful spiritual and philosophical ideas But as the book progresses the dialogue delves into questions and insights that carry astonishing new hope and vision for every man and woman challenging our culture's accepted and often toxic ideas about humanity's place in a living universe

Going Beyond the Jesus Story Douglas Lockhart, 2011-09-30 Who am I Why am I Where am I headed and where have I been These are just some of the questions that concern the author of Going Beyond the Jesus Story a book that ranges freely across complex and intriguing subject areas such as the nature of religious belief contemplative and meditative experience lucid dreaming the role of feeling in our appreciation of reality the inherently spiritual nature of asking questions and our need to go beyond not only the Jesus story as it has come down to us but also the ingrained notion that self is an ongoing uninterrupted experience of the conscious mind that can be taken for granted Directing our attention to the nature of attention itself we are introduced step by carefully constructed step to the idea that consciousness is not what we have assumed it to be or conscious awareness quite as conscious as we like to think it is Delving into history theology and philosophy in an attempt to reach an integrated understanding of the religious and secular problems we face as human beings the author examines ideas that confront and challenge on just about every level ideas that carry us towards an appreciation of what it means to presence the self to the self as an experience in its own right At this point theory gives way to experiment to methodology to a knowing or seeing that makes this book a unique contribution to the study of human sentience and its evolved and evolving structures

Overhearing a Christian Apology to the Nones Thomas E. Rodgeron, 2021-11-03 While the steady increase of the religiously unaffiliated Nones in America has generated anxious responses about rising secularism and loss of national identity this book suggests a wider meaning making approach wherein the Nones are seen as valuable dialogue partners necessary in this pivotal moment for the revealing of still hidden truths about culture spirituality and religion Christians who overhear this dialogue may find upon self reflection an emerging truth about their relationships embedded stories level of faith development and susceptibility to a culturally conditioned transactional religion Nones who choose to engage in dialogue may find that the nothingness they bring to the dialogue is more significant than they realize revealing truths of an apophatic spiritual path necessary for generating a transformational faith of freedom and capable of rebalancing a divisive consumer driven society The religious and the not religious who are often seen as being on opposite sides of an imagined religious threshold may instead be seen as standing together in a liminal space that opens in wordless silence to yet unseen possibilities and from which emerge new stories aligned with the heart of Creation

Milliner, 2022-10-04 Mother of the Lamb tells the remarkable story of a Byzantine image that emerged from the losing side of the Crusades Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin even making an appearance at the Olympics in 2012 Matthew Milliner first chronicles the story of the icon s creation and emergence in the immediate aftermath of the Third Crusade whereupon the icon became a surprising emblem of defeat its own fame expanding in inverse proportion to Christendom s political contraction Originally born as a Christian response to the Christian violence of the Crusades it marked the moment when Mary s ministry of suffering love truly began Having traced the icon s origin and ubiquity Milliner teases out the painting s theological depth and continues the story of the icon s evolution and significance from its origins to the present day As the story of the icon moves well beyond Byzantine art history both temporally and thematically it engages religion politics contemporary art and feminist concerns at once Always though the icon exemplifies dignity in suffering a lesson that through this image Byzantium bequeathed to the wider world Encapsulating eleven centuries of development of the mourning Mary in Byzantium the Virgin of the Passion emerges as a commendable icon of humility a perennial watchword signaling the perils of imagined political glory The Virgin of the Passion emblemizing political humility the powerful agency of women and the

The Secret Code of the King James Bible Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me
