Temples and Sanctuaries from the Early Iron Age Levant William E. Mierse, 2012-10-15

The vision for this impressive work on temple architecture in the Levant grew out of the author s work on Roman temple designs on the Iberian Peninsula and continual references to Semitic influences on the designs of sanctuaries both on the Peninsula and in North Africa It was assumed that Phoenician colonization had brought with it the full flowering of Levantine architectural forms As Mierse began to search for relevant material on the ancient Levant however he discovered that no overall synthesis had ever been written and it was virtually impossible to recognize and isolate Semitic elements in architectural forms This book addresses this need The analysis presented here is comparative and follows the methodology most commonly employed by architectural historians throughout the twentieth century It is a formalist approach and permits the isolation of lines of continuity and the detection of discontinuity While Mierse relies heavily on this traditional method he also introduces some approaches from the postprocessual school of archaeology in its attempts to discern an appropriate way for cult to be investigated by archaeology The sanctuaries that this book presents were erected between the end of the Late Bronze Age conventionally assigned the date of 1200 B C E and the annexation of the Levantine region into the Assyrian Empire when Mesopotamia again became highly influential in the region The topic concerns temples that were produced during the period when the Levant was its own entity and politically independent of Egypt Mesopotamia or Anatolia During this period the designs chosen for inclusion in this book must reflect local choices rather than resulting from imposed outside

The Mammoth Book of Best New Horror 2003 Stephen Jones,2012-03-01 The finest exponents of horror fiction writing today Neil Gaiman China Mieville Ramsey Campbell Kim Newman Graham Joyce Paul McCauley Stephen Gallagher Caitlin R Kiernan Basil Cooper Glen Hirshberg Jay Russell feature in the world s premier annual horror anthology series another bumper showcase devoted exclusively to excellence in macabre fiction To accompany the very best in short stories and novellas is the year s most comprehensive horror overview and contacts listing as well as a fascinating necrology **My Dwelling Place** Deborah L Roeger,2024-04-16 The concept of God s presence is deeply embedded in Christian teaching from God s presence in the Garden of Eden through the hope of God s presence in the New Earth But what does it that mean Many Christians find it difficult to explain what is meant by God s presence We hear of God being especially present in a worship service or of specific places where God s presence is expected by the pilgrims who travel there We know that God s presence was somehow in the tabernacle and will be part of the new earth when Jesus returns It is also taught that God is omnipresent that is present everywhere and always p But what is God s presence What does it take for Him to dwell among His people and why does it matter In this third volume under the Lost in Translation imprint Deborah Roeger applies her in depth and detailed yet extremely practical approach to Bible study to look at God s presence in its many forms and manifestations from the creation to the restoration of God s creation As she traces God s dwelling presence through the pages of Scripture she looks thoughtfully at what God requires of us so He can be present among us In the process she provides a thematic look at the whole of scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture It is the story of God who created for His glory and longs for the restoration of His dwelling presence among His creation This understanding of the broad context will help you put other events in their proper place in the history of God s plan of salvation My Dwelling Place is not just an explanation of biblical terms It is first of all an explanation of what it takes for God to come and dwell among us It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times As in each volume in this series there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so This study can be read individually but it is especially valuable as a resource for small group study or for a transforming church wide study **The Routledge Handbook of Muslim-Jewish Relations** Josef Meri,2016-06-23 The Routledge Handbook of Muslim Jewish Relations invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique

and original collaborations between internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and scholarship in the academy and beyond

The Destroyer and the Lamb Matthias Reinhard Hoffmann, 2005 Matthias Reinhard Hoffmann identifies an angelomorphic portrait of Christ in certain passages of Revelation and provides possible reasons for the inclusion of an angelomorphic Christology Angelomorphic Christology is not regarded as an isolated christological concept In turn the author compares angelomorphic Christology with the prominent Lamb Christology of Revelation A comparison of these concepts reveals that both Lamb and angelomorphic Christology serve the purpose of contrasting different functions of Christ The functions correspond with the implied perception of Christ by his followers on the one hand and his opponents on the other Accordingly Christ appears to be an eschatological juridical figure described in angelomorphic patterns to his opposition while he is perceived as salvific redeemer in form of the Lamb by those who believe in him Such a christological perspective draws on traditions from the Exodus narrative namely the features of the Passover Lamb and the Destroying Angel Further equality between God and Christ is established despite an angelomorphic portrait of Christ especially those passages describing Christ as the Lamb put him on par with God But also within visions with an angelomorphic description of Christ his status as superior to angels and as an equal to God is displayed
