the great baseball player from his childhood as the only son of German immigrants to his triumph as star of the New York Yankees     **The Streak** John Eisenberg,2017-07-04 A line drive hit of a book about the Iron Horse and the Iron Man two legends from two eras of baseball and the nature of human endurance The Wall Street Journal When Cal Ripken Jr began his career with the Baltimore Orioles at age twenty one he had no idea he would someday beat the historic record of playing 2 130 games in a row a record set forty two years before by the fabled Iron Horse of the New York Yankees Lou Gehrig Ripken went on to surpass that record by 502 games and the baseball world was floored Few feats in sports history have generated more acclaim But the record spawns an array of questions When did someone first think it was a good idea to play in so many games without taking a day off Who owned the record before Gehrig Whose streak Gehrig s or Ripken s was the more difficult achievement Through probing research meticulous analysis and colorful parallel storytelling The Streak delves into this impressive but controversial milestone unraveling Gehrig s at times unwitting pursuit of that goal Babe Ruth used to think Gehrig crazy for wanting to play every game and Ripken s fierce determination to stay in the lineup and continue to contribute whatever he could even as his skills diminished with age So many factors contribute to the comparisons between the two men the length of seasons the number of teams in the major leagues the inclusion of nonwhite players travel technology medical advances and even media are all part of the equation This is a book that captures the deeply American appreciation as seen in the sport itself for a workaday mentality and that desire to be there for the game every time it called It tackles the allure of human endurance and the pitfalls of fame but it is mostly a baseball book for baseball fans It succeeds as both a thorough accounting and a love note to the game The Washington Post     **The Pride of the Yankees** Richard Sandomir,2017-06-13 I CONSIDER MYSELF THE LUCKIEST MAN ON THE FACE OF THE EARTH On July 4 1939 baseball great Lou Gehrig delivered what has been called baseball s Gettysburg Address at Yankee Stadium and gave a speech that included the phrase that would become legendary He died two years later and his fiery widow Eleanor wanted nothing more than to keep his memory alive With her forceful will she and the irascible producer Samuel Goldwyn quickly agreed to make a film based on Gehrig s life The Pride of the Yankees Goldwyn didn t understand or care about baseball For him this film was the emotional story of a quiet modest hero who married a spirited woman who was the love of his life and after a storied career gave a short speech that transformed his legacy With the world at war and soldiers dying on foreign soil it was the

kind of movie America needed Using original scrips letters memos and other rare documents Richard Sandomir tells the behind the scenes story of how a classic was born There was the so called Scarlett O Hara like search to find the actor to play Gehrig the stunning revelations Elanor made to the scriptwriter Paul Gallico about her life with Lou the intensive training Cooper underwent to learn how to catch throw and hit a baseball for the first time and the story of two now legendary Hollywood actors in Gary Cooper and Teresa Wright whose nuanced performances endowed the Gehrigs with upstanding dignity and cemented the baseball icon s legend Sandomir writes with great insight and aplomb painting a fascinating portrait of a bygone Hollywood era a mourning widow with a dream and the shadow a legend cast on one of the greatest sports films of all time
