Bumsted, 2001 This book takes a look at Louis Riel from a historical perspective examining the political and cultural ramifications of Riel's life for the citizens of Western Canada As a revolutionary as a religious prophet and as a spokesman for the Metis people Louis Riel changed the course of Canadian history **Louis Riel and the Creation of Modern Canada** Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal Metis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Metis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel's religious background the mythic significance that has consciously been ascribed to him and how these elements combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues **Riel's Defence** Hans V. Hansen, 2014-06-01 In 1885 Louis Riel was charged with high treason found guilty and consequently executed for his role in Saskatchewan's North West Rebellion During his trial the Metis leader gave two speeches passionately defending the interests of the Metis in western Canada as well as his own life Riel's Defence studies these speeches demonstrating the range of Riel's political and personal concerns The first and better known of the two speeches addresses the jury while Riel's second speech rarely reprinted addresses the court following his guilty verdict Both orations have been edited annotated and reprinted and are followed by essays from diverse perspectives including philosophy law history political science religion and communication studies Through the course of their inquiry contributors come to understand more about Riel's personal character and political thought as well as his arguments supporting Metis land claims grievances against the federal government and his immigration plan for the North West Evaluating the rhetorical quality legal merit and cultural stakes of his speeches Riel's Defence reveals the significance of the last public statements made by a man who indelibly shaped Canada's history by combining his personal vision with a national vision **Canadian Criminal Law in Ten Cases** Martin L. Friedland, 2024-07-05 Canadian Criminal Law in Ten Cases explores the development of criminal justice in Canada through an in depth examination of ten significant criminal cases Martin L. Friedland draws on cases that went to the Supreme Court of Canada or the Privy Council including well known cases such as those of Louis Riel Steven Truscott Henry Morgentaler and Jamie Gladue The book addresses such issues as wrongful convictions the enforcement of morality Indigenous experiences with criminal law bail and trial delay and the impact of the 1982 Charter of Rights and Freedoms on the criminal justice system Friedland describes in a masterful way the factual background of each case and the political social and economic conditions of the time Each character the accused

judges and counsel is described in detail as are the relevant laws and procedures Friedland includes recommendations on how the criminal justice system can be improved such as by creating a new federal commission devoted solely to criminal justice and by the enactment by Parliament of enhanced codes of evidence and criminal law and procedure Canadian Criminal Law in Ten Cases is an indispensable guide to understanding the criminal justice system for lawyers students and anyone interested in criminal law and the administration of criminal justice **Unsound Empire** Catherine L.

Evans,2021-01-01 A study of the internal tensions of British imperial rule told through murder and insanity trials Unsound Empire is a history of criminal responsibility in the nineteenth century British Empire told through detailed accounts of homicide cases across three continents If a defendant in a murder trial was going to hang he or she had to deserve it Establishing the mental element of guilt criminal responsibility transformed state violence into law And yet to the consternation of officials in Britain and beyond experts in new scientific fields posited that insanity was widespread and growing and evolutionary theories suggested that wide swaths of humanity lacked the self control and understanding that common law demanded Could it be fair to punish mentally ill or allegedly uncivilized people Could British civilization survive if killers avoided the noose *The Riel Problem* Albert Braz,2024-06-06 Tracing Louis Riel s metamorphosis from traitor to hero Braz argues that through his writing Riel resists his portrayal as both a Canadian patriot and a pan Indigenous leader After being hanged for high treason in 1885 the M tis politician poet and mystic has emerged as a quintessential Canadian champion The Riel Problem maps this representational shift by examining a series of cultural and scholarly commemorations of Riel since 1967 from a large scale opera about his life through the publication of his extant writings to statues erected in his honour Braz also probes how aspects of Riel s life and writing can be problematic for many contemporary M tis artists scholars and civic leaders Analyzing representations of Riel in light of his own writings the author exposes both the constructedness of the Canadian nation state and the magnitude of the current historical revisionism when dealing with Riel

Forging Alberta's Constitutional Framework Richard Connors, John M. Law, University of Alberta. Centre for Constitutional Studies, 2005-11 Forging Alberta's Constitutional Framework analyzes the principal events and processes that precipitated the emergence and formation of the law and legal culture of Alberta from the foundation of the Hudson's Bay in 1670 until the eve of the centenary of the Province in 2005 The formation of Alberta's constitution and legal institutions was by no means a simple process by which English and Canadian law was imposed upon a receptive and passive population Challenges to authority latent lawlessness interaction between indigenous and settler societies periods pre and post 1905 of jurisdictional confusion and demands for individual group and provincial rights and recognitions are as much part of Alberta's legal history as the heroic and mythic images of an emergent and orderly Canadian west patrolled from the outset by red coated mounted police and peopled by peaceful and law abiding subjects of the Crown Papers focus on the development of criminal law in the Canadian west in the nineteenth century the Natural Resources Transfer Agreement of 1930 the National Energy Program of the 1980s Federal Provincial relations and the role and responsibilities of the offices of Justices of the Peace and of the Lieutenant Governor and the legacies of the Lougheed and Klein governments Unsettling Colonialism in the Canadian Criminal Justice System Vicki Chartrand, Josephine Savarese, 2023-12-08 Canada's criminal justice system reinforces dominant relations of power and further entrenches the country in its colonial past Through the mechanisms of surveillance segregation and containment the criminal justice system ensures that Indigenous peoples remain in a state of economic deprivation social isolation and political subjection By examining the ways in which the Canadian justice system continues to sanction overtly discriminatory and racist practices the authors in this collection demonstrate clearly how historical patterns of privilege and domination are extended and reinforced Term Paper Resource Guide to Nineteenth-Century World History William T. Marchildon, 2008 This publication is the inaugural volume of the History of the Prairie West series Each volume in the series focuses on a particular topic and is composed of articles previously published in Prairie Forum and written by experts in the field The original articles are supplemented by additional photographs and other illustrative material Law, Life, and Government at Red River, Volume 1 Dale Gibson, 2015-06-01 Inhabited by a diverse population of First Nations peoples Métis Scots Upper and Lower Canadians and Americans and dominated by the commercial and governmental activities of the Hudson's Bay Company Red River now Winnipeg was a challenging settlement to oversee This illuminating account presents the story of the unique legal and governmental system that attempted to do so and the mixed success it encountered culminating in the 1869-70 Red River Rebellion and confederation with Canada in 1870 In Law Life and Government at Red River Dale Gibson provides rich revealing glimpses into the community and its complex relations with the Hudson's Bay the colony's owner and primary employer Volume 1 details the history of the settlement's establishment development and ambivalent relationship with the legal and undemocratic but gradually grudgingly slightly more representative governmental institutions forming in the area and the legal system's evolving engagement with the Aboriginal population A vivid look into early settler life Law Life and Government at Red River offers insights into the political commercial and legal circumstances that unfolded during western expansion Literary Land Claims Margery Fee, 2015-10-16 Literature not only represents Canada as our home and native land but has been used as evidence of the civilization needed to claim and rule that land Indigenous people have long been represented as roaming savages without land title and without literature Literary Land Claims From Pontiac's War to Attawapiskat analyzes works produced between 1832 and the late 1970s by writers who resisted these dominant notions Margery Fee examines John Richardson's novels about Pontiac's War and the War of 1812 that document the breaking of British promises to Indigenous nations She provides a close reading of Louis Riel's addresses to the court at the end of his trial in 1885 showing that his vision for sharing the land derives from the Indigenous value of respect Fee argues that both Grey Owl and E Pauline Johnson's visions are obscured by challenges to their authenticity Finally she shows how storyteller

Harry Robinson uses a contemporary Okanagan framework to explain how white refusal to share the land meant that Coyote himself had to make a deal with the King of England Fee concludes that despite support in social media for Theresa Spence's hunger strike Idle No More and the Indian Residential School Truth and Reconciliation Commission the story about savage Indians and civilized Canadians and the latter group's superior claim to develop the lands and resources of Canada still circulates widely If the land is to be respected and shared as it should be literary studies needs a new critical narrative one that engages with the ideas of Indigenous writers and intellectuals The Audacity of His Enterprise M. A Rush to Judgment Roger E. Salhany,2019-12-28 Did Louis Riel have a fair trial The trial and conviction of Louis Riel for treason in the summer of 1885 and his execution on November 16 1885 have been the subjects of historical comment and criticism for over one hundred years A Rush to Judgment challenges the view held by some historians that Riel received a fair trial Roger Salhany argues that the presiding judge allowed the prosecutors to control the proceedings was biased in his charge to the jury and failed to properly explain how the jury was to consider the evidence of legal insanity He also argues that the government was anxious to ensure the execution of Riel notwithstanding the recommendation of the jury for clemency because of concerns that if Riel was sent to a mental hospital or prison he would eventually be released and cause further trouble Salhany compels readers to reconsider Canada's most famous trial in court history **Canadian Book**

Review Annual ,1975 *Avant-garde Canadian Literature* Gregory Brian Betts,2013-01-01 In *Avant Garde Canadian Literature* Gregory Betts draws attention to the fact that the avant garde has had a presence in Canada long before the country's literary histories have recognized and that the radicalism of avant garde art has been sabotaged by pedestrian terms of engagement by the Canadian media the public and the literary critics This book presents a rich body of evidence to illustrate the extent to which Canadians have been producing avant garde art since the start of the twentieth century Betts explores the radical literary ambitions and achievements of three different nodes of avant garde literary activity mystical revolutionaries from the 1910s to the 1930s Surrealists Automatists from the 1920s to the 1960s and Canadian Vorticists from the 1920s to the 1970s *Avant Garde Canadian Literature* offers an entrance into the vocabulary of the ongoing and primarily international debate surrounding the idea of avant gardism providing readers with a functional vocabulary for discussing some of the most hermetic and yet energetic literature ever produced in this country
