

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright light source in the distance, creating a lens flare effect. The trees on either side have autumn-colored foliage in shades of orange, yellow, and red. Some evergreen trees are visible in the background. The overall atmosphere is serene and spiritual.

GODSWORD*

GODSWILL ONU,2015-03-30 To love God is to cherish and esteem God with your whole being spirit soul and body It is to keep His Word and Commandments and also to serve Him with your whole heart To love God is to put God first before any other person or thing and to not offend or displease God because of any person desire or thing How do we prove that we love God We show and prove that we love God by keeping His Word and Commands If we say that we love Him but do not obey what He tells us to do where then is the Love of God in us Another way by which we prove our love for God and to Him is by serving Him and seeking for the wellbeing of His Kingdom Next if you love God and really love Him the love that you have for God will keep you from doing certain things saying certain things and behaving certain ways This is no joke If your Christian life is the one in which you yourself determine and decide what to obey and what not to obey then you do not love God

How to Like Paul Again Conrad Gempf,2013-06-01 Conrad Gempf loves St Paul He thinks he s a genius And with this book he shows you why you should think so too Yes he admits that Paul was without doubt one of the most difficult people to work with in the history of the world So he sympathizes with any doubts you may have but asks that you just let him walk you through three of Paul s letters really two letters and a memorandum in order to hear both sides of these conversations Conrad thinks he can completely change your understanding of these letters and of Paul s character However keep your arms and legs inside the carriage at all times because along the way some wild twists and turns will emerge before a final surprise promises to change your relationship with Paul for good **Undeniable Biblical Proof Jesus Christ Will Return to**

Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley,2010 Let me ask you a question you

probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride
