Popular Photography, 1913      *On Freedom, Love, and Power* Jacques Ellul, 2015-01-01 One of the most important and original thinkers of the twentieth century Jacques Ellul 1912 1994 was a noted sociologist historian law professor and self described Christian anarchist At the University of Bordeaux Ellul taught and wrote extensively on the relationship between technology and contemporary culture the tenets of the Christian faith and the principles of human freedom and responsibility *On Freedom Love and Power* is the transcription of a series of talks given by Ellul in 1974 in which he refines and clarifies some of his most controversial insights on the Jewish and Christian Bibles and their relevance to contemporary society This expanded edition of Ellul s talks features additional material previously unavailable that focuses on Christianity s potential service to humanity as a community that exemplifies a society where people are reconciled with one another and with God

Cosmos and Image in the Renaissance Kathryn Banks, 2017-07-05 Renaissance images could be real as well as linguistic Human beings were often believed to be an image of the cosmos and the sun an image of God Kathryn Banks explores the implications of this for poetic language and argues that linguistic images were a powerful tool for rethinking cosmic conceptions She reassesses the role of natural philosophical poetry in France focusing upon its most well known and widely read exponent Guillaume de Saluste Du Bartas Through a sustained analysis of Maurice Sceve s *Delie* Banks also rethinks love lyric s oft noted use of the beloved as image of the poet *Cosmos and Image* makes an original contribution to our understanding of Renaissance thinking about the cosmic the human and the divine It also proposes a mode of reading other Renaissance texts and reflects at length upon the relation of literature to history to the history of science and to political turmoil

**A Theology of Disagreement** Christopher Landau, 2021-05-31 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members John 13 35 is difficult to reconcile with the schismatic reality of current ecclesial life Nonetheless disagreement remains an ethical subject neglected by theologians *A Theology of Disagreement New Testament Ethics for Ecclesial Conflicts* examines how New Testament texts inform Christian approaches to disagreement Drawing on New Testament themes the book explores the nature of an ethic of disagreement and its practical implications for the church s public theological witness as well as its liturgy

The Prison of Love Emily C. Francomano, 2018-01-01 In *The Prison of Love* Emily Francomano offers the first comparative study of this sixteenth century work as a transcultural humanist fiction

**Love Objects** Anna Moran, Sorcha O'Brien, 2014-10-23 *Love Objects* is the first anthology on the concept of love to interrogate across a range of contexts its design and other material manifestations

*The Living Image in the Middle Ages and Beyond* Kamil Kopania, Henning Laugerud, Zuzanna Sarnecka, 2025-02-25 This edited volume discusses images that bleed speak cry move and behave in ways we usually attribute to living creatures Living images have been the object of devotion as well as targets of destruction and they have been marginalised in both culture and cultural studies for their ambivalence as well as their

transgressive nature But what is it that makes images the loci of such powerful properties The present volume is an attempt to recuperate the living image draw it from the margins and re illuminate its importance for cultural history The title of this book reflects the ambition of the contributions to navigate between the Middle Ages of the past and the Middle Ages of the present Our aim is to provide new theoretical reflections and methodologies concerning the study of material agency and living images both historically and today The chapters include close examination of surviving objects and archival research as well as theoretical reflections and span chronologically and geographically across Europe from North to South medieval to modern The book will be of interest to scholars working in art history medieval studies material culture theatre studies and religious history

**Mentor Texts** Lynne R. Dorfman, Rose Cappelli, 2007 Shows teachers how to help students become confident accomplished writers using literature as their foundation The book is organised around the characteristics of good writing focus content organisation style and conventions

The Godly Image Romanus Cessario, 2020-06-19 Christian satisfaction stands at the center of the Church's teaching about salvation Satisfaction pertains to studies about Christ redemption the Sacraments and pastoral practice The topic also enters into questions about God and the creature as well as about the divine mercy and providence Somewhat neglected in the period after Vatican II satisfaction now appears to scholars as the forgotten key to entering deeply into the mystery of Christ and his work Seminarians especially will benefit from studying the place satisfaction holds in Catholic life Further ecumenical work requires a proper understanding of the place that satisfaction holds in Christian theology Various factors operative since the sixteenth century have worked to displace satisfaction almost entirely from reformed practice and theology To address such concerns The Godly Image has over the past several decades and more done a great deal to put satisfaction within its proper context of image restoration That is to interpret satisfaction within the context of the divine mercy and not the divine justice This unique contribution to satisfaction studies owes a great deal to the achievement of Saint Thomas Aquinas In this sense the book enacts a retrieval of the theology of the high classical period Like much of Aquinas's refined teaching a proper understanding requires appeal to the commentatorial tradition that follows him Interested students will find in this study the touchstones for further studies of these authors The Godly Image I aims also to distinguish the theology of Aquinas from that of the medieval author with whom the notion of satisfaction remains mostly identified that is Anselm of Canterbury Although not a developed focus of the book's contents the attentive reader will recognize that Aquinas treats Saint Anselm with a reverential reading even as the Common Doctor moves significantly away from interpretations of satisfaction that suggest that an angry God exacts from his innocent Son a painful substitutional penalty for a fallen human race

*Reel Photos* Wendy Sterba, 2015-02-26 Even in an age when the photograph has changed from a physical object into a data file that can be easily manipulated we tend to believe what we see But photographs can and do lie As an object in a film a photograph's meaning and function can be even more malleable and deceiving as new developments in technology are altering how we perceive reality In *Reel Photos Balancing Art and Truth in Contemporary Film* Wendy Sterba examines the use of photographs in cinema to explore issues of objectivity subjectivity fabrication and fact This study first looks at the traditional use of the photograph in films such as *Blow Up* and then considers similar issues as they relate to the search for truth in detective films like *Along Came a Spider* *The Bone Collector* and *Forgotten* Subsequent chapters explore ambivalence and photographic objectification in films about art photography including *The Governess* *Fur* and *Closer* Other movies discussed include *Inception* *Paparazzi* *Under Fire* and *Somebody Has to Shoot the Picture* By examining the function of the photograph in movies rather than the role of film photography as art Sterba provides an innovative approach to cinema studies Utilizing theory in an intelligent but easily understandable way this book allows readers to re-examine the role of authorship and the value of authentic art *Reel Photos* will appeal to students and scholars of cinema as well as anyone interested in the aesthetics of art and truth in film *Kiki Man Ray: Art, Love, and Rivalry in 1920s Paris* Mark Braude, 2022-08-09 One of The New Yorker's Best Books of 2022 One of The New York Times 100 Notable Books of 2022 One of Art News's Art Books They Couldn't Put Down in 2022 A dazzling portrait of Paris's forgotten artist and cabaret star whose incandescent life asks us to see the history of modern art in new ways In freewheeling 1920s Paris Kiki de Montparnasse captivated as a nightclub performer sold out gallery showings of her paintings starred in Surrealist films and shared drinks and ideas with the likes of Jean Cocteau and Marcel Duchamp Her best selling memoir featuring an

introduction by Ernest Hemingway made front page news in France and was immediately banned in America All before she turned thirty Kiki was once the symbol of bohemian Paris But if she is remembered today it is only for posing for several now celebrated male artists including Amedeo Modigliani and Alexander Calder and especially photographer Man Ray Why has Man Ray's legacy endured while Kiki has become a footnote Kiki and Man Ray met in 1921 during a chance encounter at a caf What followed was an explosive decade long connection both professional and romantic during which the couple grew and experimented as artists competed for fame and created many of the shocking images that cemented Man Ray's reputation as one of the great artists of the modern era The works they made together including the Surrealist icons *Le Violon d'Ingres* and *Noire et blanche* now set records at auction Charting their volatile relationship award winning historian Mark Braude illuminates for the first time Kiki's seminal influence not only on Man Ray's art but on the culture of 1920s Paris and beyond As provocative and magnetically irresistible as Kiki herself Kiki Man Ray is the story of an exceptional life that will challenge ideas about artists and muses and the lines separating the two

**Comics in French** Laurence Grove, 2010 Whereas in English speaking countries comics are for children or adults who should know better in France and Belgium the form is recognized as the Ninth Art and follows in the path of poetry architecture painting and cinema The *bande dessinée* comic strip has its own national institutions regularly obtains front page coverage and has received the accolades of statesmen from De Gaulle onwards On the way to providing a comprehensive introduction to the most francophone of cultural phenomena this book considers national specificity as relevant to an anglophone reader whilst exploring related issues such as text image expression historical precedents and sociological implication To do so it presents and analyses priceless manuscripts a Franco American rodent Nazi propaganda a museum piece urinal intellectual gay porn and a prehistoric warrior who's really Zinedine Zidane

**Photography and Migration** Tanya Sheehan, 2018-06-14 Written in the context of unprecedented dislocation and a global refugee crisis this edited volume thinks through photography's long and complex relationship to human migration While contemporary media images largely frame migration in terms of trauma victimhood and pity so much more can be said of photography's role in the movement of people around the world Cameras can document enable or control human movement across geographical cultural and political divides Their operators put faces on forced and voluntary migrations making visible hardships and suffering as well as opportunity and optimism Photographers include migrating subjects who take pictures for their own consumption not for international recognition And photographs themselves migrate with their makers subjects and viewers as the very concept of photography takes on new functions and meanings Photography and Migration places into conversation media images and other photographs that the contributors have witnessed collected or created through their diverse national regional and local contexts Developed across thirteen chapters this conversation encompasses images histories and testimonies offering analysis of new perspectives on photography and migration today

Integrating Social and Emotional Learning with Content Katherine Kapustka, Sarah

Bright,2022-03-14 Integrating Social and Emotional Learning with Content builds a framework for creatively and effectively using picture books to integrate social and emotional learning SEL with teaching across content areas Thoughtful book choices in mixed ability early elementary classrooms have the power to not only support gifted students as they develop academically but also to provide an opportunity to address their unique social and emotional needs such as asynchronous development and an early awareness of complex and challenging issues in their lives and the world at large Picture books are an invaluable tool for this work because the characters topics and settings increasingly represent and celebrate the lived experiences of diverse student populations supporting culturally responsive teaching Packed with lesson plans book lists and more this book is perfect for teachers in gifted and mixed ability classrooms as well as homeschooling parents looking to help their children make meaningful connections between their culture languages and lived experiences and the academic content and SEL skills they are being taught in the classroom **An Introduction to the Old Testament** David M.
