## Love Letters:

*Other People's Love Letters* Bill Shapiro, 2011-02-09 Fevered notes scribbled on napkins after first dates Titillating text messages It's not you it's me relationship ends In *Other People's Love Letters* Bill Shapiro has searched America's attics closets and cigar boxes and found actual letters unflinchingly honest missives full of lust provocation guilt and vulnerability written only for a lover's eyes Modern love of course is not all bliss and in these pages you'll find the full range of a relationship with its whispered promises as well as its heartache But what at first appears to be a deliciously voyeuristic peek into other people's most passionate moments will ultimately reawaken your own desires and tenderness because when you read these letters you'll find the heart you're looking into is actually your own I think UR great wanna have wine Tequila again sometime I can't believe you're real and I think about you constantly in some way or the other all day I haven't given the finger to anyone driving since I met you With you I learned how to fight cleaner how to talk things out better and how to make a strong loving family out of nothing These are priceless gifts that I will carry with me the rest of my life One more thing you did for me you left and I had to get through it P S I look forward to your letters too much to call Also where do you stand on chains

*Love Letters of Great Men* Ursula Doyle, 2008-11-25 Romantic writings from Beethoven Byron and many others a collection inspired by the fictional book of letters seen in the movie *Sex and the City* *Love Letters of Great Men* presents powerful declarations of love drawn from the private papers of history's greatest minds For some love is a delicious poison William Congreve for others a nice soft wife on a sofa with good fire books music Charles Darwin Love can scorch like the heat of the sun Henry VIII or penetrate the depths of one's heart like a cooling rain Flaubert Every shade of love is here from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning to the wonderfully modern misery of the Roman Pliny the Younger losing himself in work to forget how much he misses his beloved wife Calpurnia In an age of texted i luv u's this timeless collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love

**Love Letters** Michelle Janning, 2018-06-14 In today's world of Tinder and texting do we write and save love letters anymore Are we more likely to save a screenshot of a text exchange or a box of paper letters from a lover How might these different ways to store a love letter make us feel Sociologist Michelle Janning's *Love Letters Saving Romance in the Digital Age* offers a new twist on the study of love letters what people do with them and

whether digital or paper format matters Through stories a rich review of past research and her own survey findings Janning uncovers whether and how people from different groups including gender and age approach their love letter curatorial practices in an era when digitization of communication is nearly ubiquitous She investigates the importance of space and time showing how our connection to the material world and our attraction to nostalgia matter in actions as seemingly small and private as saving storing stumbling upon or even burning a love letter Janning provides a framework for understanding why someone may prefer digital or paper love letters and what that preference says about a person's access and attachment to powerful cultural values such as individualization taking time in a hectic world longevity privacy and keeping cherished things in a safe place Ultimately Janning contends the cultural values that tell us how romantic love should be defined are more powerful than the format our love letters take *Love Letters from The Heart* Alice Harrold, 2021-01-29 Sometimes we can't express all our feelings in one short message or phrase Long letters help We all love meaningful things and a love letter is exactly what we call meaningful A letter like one of forty five letters will help you express your feelings *Love Letters* Lisa Jackson, 2000-07-25 The three complete novels in this collection are A is for Always B is for Baby and C is for Cowboy The manipulative patriarch of the McKee family has mysteriously died But he leaves behind letters to his children to set right some of his misdeeds particularly where they concern matters of the heart *The Love Letters of Mark Twain* Mark Twain, 1949 Letters to Olivia Langdon Clemens written between 1868 and 1904 **Love Letters for All Occasions** Gary Hoskins, 2005-11 As the pages of the book of my life moves toward completion I have recorded and learned much about the process called living I have experienced the uncontrollable emotions of youth and its idealistic beliefs I have absorbed refined improved my knowledge of myself to the point that I know what I need what I am what I must become then there is you I am so comfortable in your presence because of the understanding that exists between us this powerful bond can not be broken This unison is not a chain but rather a bond of trust faith and commitment that is not stagnant It is a living and growing entity Whereas others are victims of what they feel I comprehend what I perceive and measure my response By repeating this process it has become who I am I understand you I respect you I care for you I think of you you are a part of me *The World's Greatest Love Letters* Various Authors, 2022-12-06 An elevated gifty anthology of love letters from history's most passionate romantics This beautiful volume features love letters from a variety of people throughout history including Heloise and Abelard Henry VIII Margaret of Valois Napoleon Bonaparte Mary Wollstonecraft Lord Byron Mary Shelley John Keats Robert Browning and Mary Queen of Scots Contents are organized thematically in chapters such as Mad Love Bad Love and The World's Greatest Lover John Keats of course **Love Letters and Two Other Plays** A. R. Gurney Jr., 1990-09-01 FINALIST FOR THE PULITZER PRIZE FOR DRAMA In such critically acclaimed plays as *The Dining Room* and *The Cocktail Hour* A R Gurney has wittily captured the manners of upper middle class WASP America but never as gracefully or with such dazzling economy as in *Love Letters* Tracing the lifelong correspondence of the staid dutiful lawyer Andrew Makepeace Ladd

III and the lively unstable artist Melissa Gardner the story of their bittersweet relationship gradually unfolds from what is written and what is left unsaid in their letters A smash hit both off and on Broadway Love Letters captures Andy and Melissa with a precision of detail and depth of feeling that only Gurney can command Two other thematically related plays by Gurney The Golden Age and What I Did Last Summer are included providing a trio of wry and affectionate paeans to love lost found and fleetingly glimpsed The love Letters of Mary Queen of Scots to James Earl of Bothwell Maria (Schottland, Königin),1825
