The journey of love in couples Jessica Riberi, Inge Ludvigsen, 2021-01-20 A couple's relationship is not just about two people Numerous unconscious psychological scripts from the collective sphere and mandates inherited

from family history affect our way of living love one of the most significant human experiences The psychotherapists and Master Trainer in NLP Jessica Riberi and Inge Ludvigsen combine their professional and teaching experience in Chile and Denmark and propose a system to align six energy fields that promote and strengthen the love bond Jessica Riberi and Inge Ludvigsen have written a delightful and very helpful guide to how archetypal forms that is the patterns of the universal energies of human being can support and transform intimate relationships They are especially good in describing how to develop more mature and generative levels of each universal energy I highly recommend it to both people helpers as well as those seeking deeper intimacy connections Stephen Gilligan psychologist author of The Courage to Love and The Hero's Journey with Robert Dilts What could be more important and timely than having pathways to bring more quality into our relationships We are relational beings seeking the connections for outcomes of life partners families work spaces and communities Connection is there but managing these connections is quite a different order This is where archetypes guide us by reflecting back an ideal Not that we ever really get to the ideal but they remind us to bring awareness to the learning and the nurturing of the relationships that bring the joy to our lives Thank you so much for this book The Journey of love in couples as it also can bring us some hope for our inner and outer peace Judith DeLozier anthropologist coauthor of Turtle all the way down with John Grinder and Encyclopedia of Systemic NLP with Robert Dilts

and then living the life of your dreams *The Multi-age Learning Community in Action* Barbara Cozza, 2017-09-18 As schools struggle to teach all students the multi age teaching and learning framework has emerged as one of today's most effective ways to structure schools Multi age Learning Community MAC Program is a professional development program in action It presents a framework that can transform schools from a graded system to a multi age learning environment This multi age school targets students individual and personal needs and allows students to excel and succeed The school reform climate today focuses on schools of choice and building effective school environments This multi age program creates a unique school niche that is marketable to families Parents have the option of sending their children to schools that concentrate on achievement that best meets the needs of the learner without disrupting the mandates of the curricula This book is intended to assist educators at all levels of all school organizations as well as give policymakers educators and parents the information on an effective school program This book gives information on how to transform schools into multi age classrooms This book is divided into four parts that explain both the theory and the practice of effective strategies for the multi age school program Organizational Practice Building Culture Learning Processes and Assessment and Systemic Improvement There are specific basic principles and practices that are integrated into a quality and effective framework discussed in the chapters of this book Each chapter begins with a vignette based on my experiences in multiage schools and concludes with an educator's reflection to recap the concepts in the chapter Each chapter also integrates snapshots that are short real to life passages that bring to life concepts discussed in the chapter Although this book discusses multi age schools these ideas may be applied to all school environments To accommodate all school programs at the end of each chapter a section titled Application for All Schools is a framework that discusses just how to apply chapter concepts in any school or classroom program It is recommended that the reader review the book one time in sequence and then reread each chapter as needed to give meaning to the reader's purpose *Cooking Up Library Programs Teens and 'Tweens Will Love* Megan Emery Schadlich, 2015-06-23 Engage teens and tweens with library programs that nurture developmental and social needs and keep young patrons entertained Want to get students tuned in learning and having fun Covering programs ranging from DIY Modern Crafts to CSI Science these simple plans will give you all the knowledge you need to create complete programs for tweens and teens activities that students will find engaging and entertaining For each activity the author identifies aspects that link to STEAM learning objectives The educational ties help students learn about new topics while fostering the development of important life skills While the plans are geared towards public librarians they can easily be adapted to the school or home environment so parents teachers and anyone else who works with teens and tweens can create and implement these fun and unique programs **Like Love** Maggie Nelson, 2024-04-02 A career spanning collection of inspiring revelrous essays about art and artists Like Love is a momentous raucous collection of essays drawn from twenty years of Maggie Nelson's brilliant work These profiles reviews remembrances tributes and critical essays as well as several

conversations with friends and idols bring to life Nelson's passion for dialogue and dissent. The range of subjects is wide from Prince to Carolee Schneemann to Matthew Barney to Lhasa de Sela to Kara Walker but certain themes recur: intergenerational exchange, love and friendship, feminist and queer issues especially as they shift over time, subversion, transgression and perversity, the roles of the critic and of language in relation to visual and performance arts, forces that feed or impede certain bodies and creators, and the fruits and follies of a life spent devoted to making. Arranged chronologically, *Like Love* shows the writing, thinking, feeling, reading, looking, and conversing that occupied Nelson while writing iconic books such as *Bluets* and *The Argonauts*. As such, it is a portrait of a time, an anarchic party rich with wild guests, a window into Nelson's own development and a testament to the profound sustenance offered by art and artists.

Developing Wrestling Champions Dariel W. Daniel, 2013-05. *Developing Wrestling Champions: The Total Program Approach*. With a coaching career that spanned five decades, Daniel has developed a comprehensive guide guaranteed to producing championship-caliber wrestlers year after year. Several publications have discussed specific areas of a total program, including technique, fund-raising, drills, games, nutrition, and mental skills. *Developing Wrestling Champions* is the most complete guide to a successful wrestling program ever produced. Technique presented includes high-percentage moves for all experience levels. Hundreds of action photos enable the reader to easily understand each step of every move. Daniel also includes the secrets and tips he learned en route to a coaching dual-career record of 411-12-3 and nine Georgia State Championships. Coaches at any level, athletic administrators, parents, and boosters will also benefit from information on administering competition, increasing attendance, fund-raising, producing a team, publication safety, using the media, and dealing with officials. A special feature for coaches is Daniel's Dozen, a discussion of twelve Absolute Truths that will enable them to avoid many conflicts and guide them through the awesome task of developing wrestling champions.
