Thompson M.A., 2022-12-15 I'm introducing a new genre by way of the Diary Education Fiction Drug Education runs all through the book The purpose of the book is to educate The more people who know about the world of drugs and drug addicts the better that is why the book is Education Fiction and not just a simple diary Because the book is Education Fiction the overall writing of the diary is on the academic and sometimes even scholarly side Still it is fiction and it has to be more academic and scholarly since its real purpose is to inform and educate and help drug users and addicts and also their families The book is also for professionals Diary Of A Crack Addict's Wife Cynthia D.
