A Reflective Journey of a Loved One's Passing CK Brashares, 2023-10-24 I remember coming home from a particularly tough day when mom was especially obstinate about whatever we were trying to do for her that day I pulled into my driveway turned off the truck and just sat there for a few minutes leaning back in my seat with my head against the headrest I let out a sigh as my gaze went to the sky I was struck by how the sky felt expansive and peaceful yet how small I was in comparison It struck me oddly that I felt this feeling and I wondered what it meant Then the epiphany hit me Since the day I had found out my mother's days were numbered I gradually diminished day by day becoming more compact emotionally shut down to get through this period I realized that I could no longer diminish myself any further The expansiveness of the sky highlighted for me my feeling of smallness Also I could no longer hide from the feelings that came with the eventuality of my mother's passing I had to open and face those feelings and go through the pain of her loss
