77 Positive Poetic Gospel Messages Joseph Conboy,2016-06-28 Reader s will experience a little taste of truth and Heaven when reading this book The book was written by a clinically depressed person and started out as positive songs to help him and others get through rough times in life The songs then turned into short messages and stories that he thought would be a helpful guide for everyone during these last days to inspire comfort and make one aware of the world around them today It serves as a tool to get people strong with the word when they need it the most The works can engage people of all ages Anyone can help change and inspire the world no matter their struggles as struggles only truly do make us stronger This book is intended to give a message for the day or week and then bunches together and compiles scripture pertaining to that message The word will keep you strong while using different methods to get that word across to keep it fun and feeling new No matter if one is a new or committed devout Christian the book gives people the meat and cheese surrounded by the bread of life Jesus Christ to help one stay strong The messages can be used for Gospel songs to help inspire and lift up as well We all make mistakes so we can learn firmly how to always overcome them along with those bumps in the road A poetry book with many metaphors that will make you want to take another look as the writer shows how he was once a part of sins hook and still needs himself a daily look at the word during these perilous times 2Timothy 3 1 2 Uncivil Acts Carolyn Keene,2005-03 Tension starts to build in River Heights when people begin choosing their sides for a Civil War reenactment
