Mildred And The Mummy:

Mildred and the Mummy Lady McCrady, 1980-01-01 Mildred forms a friendship with a mummy in a glass case at the library and one night takes it home **Curse of the Mummy's Hand** London Lovett, 2022-03-14 It's a long hot summer in Los Angeles and there are plenty of changes happening in Poppy Starfire's life. One thing that's been holding steady is the continual stream of cases coming into the Starfire Detective Agency. But the Starfire's latest case really takes the sarcophagus. When three prominent Egyptologists from the same expedition die unexpectedly and in short order the son of one of the deceased wants answers. Harvey Gaffner is certain the doctor who quickly and without much care declared his father suffered a heart attack is dead wrong. Poppy and Jasper must find out what happened to Edward Gaffner. Was it natural causes a murder or something more sinister like a mummy's curse. Book 5 of the Starfire Cozy Mystery Series. 1 Murder on Lot B 2 Murder at the Ostrich Farm 3 Murder on the Angels Flight Trolley 4 Murder on Holiday Lane 5 Curse of the Mummy's Hand 6 TBA **The Mummy's Curse** Roger Luckhurst, 2012-10-25 A quirky history that offers a new way of understanding the myth of the mummy's curse. Roger Luckhurst provides a startling path through the cultural history of Victorian England and its colonial possessions American Originals Tracy Daugherty, 2016-05-23 The novellas and stories in American Originals convey the power of the West Texas desert to swallow people literally or through the rituals of labor or through the raptures of ecstatic vision induced by blessings or madness and people's ability to forge connections in spite of extreme conditions. Each piece in this thematically linked collection assumes a unique shape whether poetically compressed echoing only to break the contours of mystery stories or redolent of the forms of classical prayer. The Texas of AMERICAN ORIGINALS becomes the landscape of strife and hope struggle and love lost and found. The characters in the stories and novellas here learn sometimes the hard way the truth of T. S. Eliot's insight that the end of all our exploring in life is to arrive where we started and to know for the first time who we really are. Saints and sinners and the blurred lines between them drive these spare narratives set in the plains and deserts of Texas. Daugherty's fiction leaves us dry-eyed and wiser in that place far beyond tears that we know from our own lives. Shelby Hearon Daugherty combines the serious and literary with the funny and offbeat resulting in sparkle plenty prose with an ear for dialogue that never fails. Beverly Lowry *Bulletin of the Center for Children's Books* University of Chicago. Center for Children's Books, 1980 **Be an Optimist** Carl Webster Pierce, 1926 *The Essential Guide to Mummy Literature* Brian J. Frost, 2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy. In 1834 Thomas J. Pettigrew's *A History of Egyptian Mummies* was the first scholarly work wholly devoted to the subject providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers. Such volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise as well as works of fiction that incorporate and expand upon mummy lore. Indeed the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies

rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon In *The Essential Guide to Mummy Literature* Brian J Frost provides the first in depth survey and bibliography of works of fiction featuring mummies In this comprehensive volume Frost traces the development of the mummy story paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines The annotated bibliography provides synopses of all the key works of fiction in the mummy canon as well as others not so well known Full publication details for each entry with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction books are provided Additionally a filmography is included along with listings of young adult novels children s storybooks and reference works for both adults and children Well organized and comprehensive *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature as well as researchers and librarians
