Christodemocracy and the Alternative Democratic Theory of America's Christian Right Gabriel S. Hudson, 2016-06-25 This book evaluates the democratic theory of America's Christian Right CR The CR has been examined extensively in academic literature However most analyses focus on its origins policy preferences or successful mobilization Hudson instead examines the normative assumptions about governance that inform CR activism The CR has its own answers to the core questions asked in democratic theory such as What legitimizes power and What is the proper relationship between the state and the individual The author outlines ten normative assumptions of the CR and compares each to its counterpoint in liberal democratic theory Much of what the CR believes about democracy comes from the same authors as modern and postmodern democratic theory but differs in its

interpretation and application The book describes in detail the theory of CR and demonstrates how the CR operates from a different view of governance than is usually associated with the United States "Raising Sexually Pure Kids" Claire Greslé-Favier, 2009 Raising Sexually Pure Kids Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency *Sense and Goodness Without God* Richard Carrier, 2005-02-23 If God does not exist then what does Is there good and evil and should we care How do we know what s true anyway And can we make any sense of this universe or our own lives Sense and Goodness answers all these questions in lavish detail without complex jargon A complete worldview is presented and defended covering every subject from knowledge to art from metaphysics to morality from theology to politics Topics include free will the nature of the universe the meaning of life and much more arguing from scientific evidence that there is only a physical natural world without gods or spirits but that we can still live a life of love meaning and joy **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and

Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Rediscover the Power of Your Identity Johnstone Kayandabila,2010 Rediscover the Power of your Identity is a remarkable book about remarkable life written by a remarkable young man In the world where most people are unaware of the secret of knowing their identity this book stands as a noble answer In the world where lies replace righteousness and the search for power to replace the pursuit of purpose this book offers both the recipe for a better understanding on the purpose of your existence and the road map to your destiny The author of this book will help you to discover your inner potential and role as an agent of change in your relationship occupation home village and your entire country Emphasizing the importance of identity the author argues that Whenever there is a change in an individual s identity there should be a change in determination This is all about a change from inside out Before you start changing your village and the world you must change your inner person first This is a starting point Smart and successful people know this secret Rediscover the Power of your Identity is not about making lots of money rather about knowing God s purpose in your life Furthermore it is about knowing the redemption power your potential and how to constructively influence people around you and the sort of impact you want to make in the world Paul said I can do all things through Jesus Christ He meant all things because he was fully aware of his new identity To know what counts and what doesn t in your life you must read this Christ centered book Rediscover the Power of your Identity This book is for everyone who wants to live according to God s plan for humankind for each one who does not want to be intoxicated with the falling worldly view and whoever wants to partner with God in transforming people in the world **Authoritarian Populism and the Rural World** Ian Scoones,Marc Edelman,Saturnino M. Borrás Jr.,Lyda Fernanda Forero,Ruth Hall,Wendy Wolford,Ben White,2021-06-29 The rise of authoritarian nationalist forms of populism and the implications for rural actors and settings is one of the most crucial foci for critical agrarian studies today with many consequences for political action Authoritarian Populism and the Rural World reflects on the rural origins and consequences of the emergence of authoritarian and populist leaders across the world as well as on the rise of multi class mobilisation and resistance alongside wider counter movements and alternative practices which together confront authoritarianism and nationalist populism The book includes 20 chapters written by contributors to the Emancipatory Rural Politics Initiative ERPI a global network of academics and activists committed to both reflective analysis and political engagement Debates about populism nationalism authoritarianism and more have exploded recently but relatively little of this has focused on the rural dimensions Yet wherever one looks the rural aspects are key not just in electoral calculus but in understanding underlying drivers of authoritarianism and populism and potential counter movements to these Whether because of land grabs voracious extractivism infrastructural neglect or lack of services rural peoples disillusionment with the status quo has had deeply troubling consequences and occasionally hopeful ones as the chapters in this book show The chapters in this book were originally published in The Journal of Peasant Studies *Christian Fundamentalism and the*

Culture of Disenchantment Paul Maltby, 2013 Within the familiar clash of religious conservatism and secular liberalism Paul Maltby finds a deeper discord an antipathy between Christian fundamentalism and the postmodern culture of disenchantment Arguing that each camp represents the poles of America's virulent culture wars he shows how the cultural identity lifestyle and political commitments of many Americans match either the fundamentalist profile of one who cleaves to metaphysical and authoritarian beliefs or the postmodern profile of one who is disposed to critical inquiry and radical democratic values Maltby offers a critique that operates in both directions His use of the resources of postmodern theory to contest fundamentalism's doctrinal claims ultra right politics anti environmentalism and conservative aesthetics informs his engagement with contemporary fundamentalist painting spiritual warfare fiction dominionist attitudes to nature and a profoundly undemocratic interpretation of Christianity At the same time Maltby identifies some of fundamentalism's legitimate spiritual concerns assesses the cost of perpetual critique and exposes the deficit of spiritual meaning that haunts the culture of disenchantment

Evidence of God Nick Hawkes, 2012-03-23 Nick Hawkes has written a book on science and Christian faith that is attractive intelligent and accessible to general readers It shows clearly that Christian faith and science are not opposed to each other but in need of each other This book will be of great interest not only to committed Christians seeking to see how their biblical faith relates to contemporary science but also to all those searching for an authentic Christian spirituality for the twenty first century Denis Edwards Flinders University Nick Hawkes looks at arguments for and against the existence for God and comes to the conclusion that faith can no more dispense with science than science can dispense with God Both complete one another He knows the terrain well and is able to explain complex ideas in ordinary language Dr Hawkes concludes by saying that Christian theology rather than undermining science actually provides science with a solid ground of meaning on which to stand Mark Worthing Tabor College Adelaide This book should have a prominent position on the shelves of pastors church leaders teachers and anyone who is interested in proclaiming Christianity in our secular society Dr Hawkes uses modern science to put forward a reasoned defense of orthodox Christianity Ken Smith The University of Queensland

Idiot, Sojourning Soul Justin Rosolino, 2020-01-29 What is Christianity What is it supposed to be In a world where Trump Obama Putin and Lady Gaga all claim Christianity as their spiritual home it's not an easy question to answer Part memoir part historical theological analysis Idiot Sojourning Soul tells the story of one former skeptic's exploration of Christian spirituality Justin Rosolino was raised in a post Christian context where all gods were up for grabs and all truth claims equally dubious While studying political theory in college Justin found himself drawn to the writings of Augustine Kierkegaard and Martin Luther King Jr Much to his surprise he resonated with their profoundly Christian accounts of human nature desire lack and love With wit and scholarly precision Idiot examines Christianity's historical development from its

ancient beginnings to its current and confounding condition The result is a must read for anyone who s ever wondered what Jesus was really up to and why contemporary Christianity bears so little semblance to its namesake *The Rapture Exposed* Barbara R. Rossing,2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In *The Rapture Exposed* Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world *The Rapture Exposed* reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community

Seduction of the Heart Tim LaHaye,Ed Hindson,2010-06-14 Christians are engaged in the ultimate battle the battle for the heart The overwhelming influences of the media materialism and selfish ambition threaten to decay even the most tender of hearts While the world screams to the contrary every Christian must fight to maintain a clear conscience and discover what it really means to have the heart of God On the heels of his New York Times bestseller *Mind Siege* Tim LaHaye with Ed Hindson equip readers with armor to guard their hearts and draw nearer to God Some chapter titles include *The Battle for the Heart* *The Ultimate Deception* *The Erosion of Trust* *A Prescription for the Heart* *Finding God s Heart*

The Mystery of Life What S It All About? David E. Peebles,2018-03-15 Have you ever seriously considered the most difficult and puzzling questions presented to our minds during this mortal sojourn through an often difficult and challenging existence Who am I Where did I come from Why am I here Where am I going And perhaps the most important question of all What is my purpose for living In this ultra modern digital world of today many people have become so preoccupied with the daily pursuits of life and the addictive overuse of time consuming technology that many of them rarely pause to seriously consider what life is actually all about In writing *The Mystery of Life* it has been my hope and my goal to personally challenge each reader to consider many relevant facts and to follow a line of evidence pointing toward a worldview that is often overlooked and too easily marginalized We live in an aggressive technology driven world where the wild pursuit of power prestige possession and pleasure has become the driving influence ruling over many of our lives What does your worldview look like Is there enough evidence to support it beyond reasonable doubt If not then I invite you to consider a vast body of mounting evidence that could lead toward a more accurate discernment of an often confusing existence The view of life that we have each come to know will strongly influence everything we do say and become in this world Based on a remarkable consensus of evidence perhaps we should consider a worldview understanding that will ultimately avail our hearts and minds of the personal fulfillment and satisfaction we have always longed for and often dreamed of We owe it to ourselves to seriously consider where the evidence is leading us Isn t it about time to discover the answers to our most persistent and pressing questions *The Mystery of Life* is presented as a literary expose addressing the

questions of origin meaning morality and destiny *The Mind Siege Project* Tim LaHaye,2001 In the tradition of MTV s *The Real World* eight high school juniors volunteer for a week on a houseboat in the name of experimental education Rosie Meyer the former Olympic silver medallist turned social studies teacher dreams of her students learning first hand the realities of tolerance and diversity And learn they do Although the students sail for a single week the issues faced the truths uncovered and the lessons learned leave them changed for a lifetime Followed by six short Bible studies Tim LaHaye and Bob DeMoss offer a hands on guide for students who grapple with the unbelievable social pressures and tough choices that face teens in the twenty first century *Switch On Your Brain* Dr. Caroline Leaf,2013-09-01 Over 900 000 copies sold According to researchers the vast majority a whopping 75 98 percent of the illnesses that plague us today are a direct result of our thought life What we think about truly affects us both physically and emotionally In fact fear alone triggers more than 1 400 known physical and chemical responses in our bodies activating more than thirty different hormones Today our culture is undergoing an epidemic of toxic thoughts that left unchecked create ideal conditions for illnesses Supported by current scientific and medical research Dr Caroline Leaf gives readers a prescription for better health and wholeness through correct thinking patterns declaring that we are not victims of our biology She shares with readers the switch in our brains that enables us to live happier healthier more enjoyable lives where we achieve our goals maintain our weight and even become more intelligent She shows us how to choose life get our minds under control and reap the benefits of a detoxed thought life

End Times Fiction Gary DeMar,2001-11-06 Tim LaHaye contends that his bestselling *Left Behind* series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections *The Left Behind Sensation* Putting Tim LaHaye s Literalism to the Test the Theology Behind *Left Behind* and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of *Left Behind* on the future of the church and our society
