Mind Snare:

Mind Snare Gayle Greeno,1997-09-01 Once Glynn gives his ultimate performance as an actor in the famous Stanislaus Troupe his life will be forever changed He ll be banned from the stage just because he s turned fifteen which in the Stanislaus Troupe means the end of the limelight for a man Only women can continue to build their careers women like his mother Jerelynn the Great Lynn perhaps the finest actress ever to grace the starways But someone is determined to end the careers of mother and son alike and when an assassin s unexpected strike leaves Jerelynn on the brink of death Glynn has no choice He won t let his mother die even if it means using forbidden and highly experimental technology to keep her alive Yet this may prove but a temporary reprieve for the assassins will not rest until their destruction is complete Their only chance for survival lies in tracking down the people behind the killers And the trail will lead from the satellite colonies down to the mother planet itself straight into a deadly game of vengeance and conspiracy that will involve some of the most powerful organizations on Earth

Exiles' Return Gayle Greeno,1995-05-01 The war is over between the neighboring realms of Canderis and Marchmont But another and perhaps far deadlier battle still rages on The discovery that Marchmont is home to the Resonants men and women gifted with the ability to read and control the minds of others has badly shaken the people of Canderis For while they value their own Seekers humans who empathically bond with the catlike ghatti to read truth they are deathly afraid of the rogue Resonants known as Gleaners And their fears are well founded for one faction of Gleaners has for years preyed upon the innocent and defenseless transforming those around them into mindless soulless slaves And even as Seeker Jenret under takes a mission to find the Resonants of Canderis and bring them to safety Seeker Doyce is about to embark on a far different path a ghatti led journey into the past For as a new vigilantes reign of terror threatens the lives of Seekers and Resonants alike the secrets of that long ago time when the first Seeker ghatti Bond was formed may hold the only hope for the future

Does a Footstep Linger? Terrence Douglas, 2011-09-23 Douglas's words conjure up images like an artist brushing dabs of paint on the canvas of one's mind all senses forced to come alive for a truly amazing experience These are poems that will stir the heart and continue to resonate with each reading Gary R Indianapolis Muscular and lyrical sensuous and deeply spiritual the poetry of Terry Douglas probes the heart's longing for love and union with the beloved and the soul's quest for grace and oneness with the divine Even those who don't read poetry will find much here that resonates in the heart and awakens the soul Evan A Virginia Beach VA *Does a Footstep Linger* explores the fire of love found at any age and in any season and the stunning grief from love lost There are poems in the collection that seek the Creator's presence and spiritual nourishment in all aspects of life's journey An exuberance and energy unfold in the poems as we are encouraged to dance in celebration as if no one is watching leaving behind past regrets and no longer anxious of the future Above all else the poet probes the many mysteries and miracles some would say coincidences encountered daily in a long life of love For inspiration the poet pauses to contemplate a sunrise on the ocean or a star-filled canopy overhead he walks on an isolated beach in a blustery rain storm or sits perched on a deck overlooking a canal as the water rushes into the bay or in a coffee shop amidst the turmoil of another day

Benzing,1997 **The Retrospect of an Artist's Life** John Kelso Hunter,1868 **The Vanishing Velázquez** Laura Cumming,2016-04-12 From one of the world s most expert art critics the incredible true story part art history and part mystery of a Vel zquez portrait that went missing and the obsessed nineteenth century bookseller determined to prove he had found it When John Snare a nineteenth century provincial bookseller traveled to a liquidation auction he stumbled on a vivid portrait of King Charles I that defied any explanation The Charles of the painting was young too young to be king and yet also too young to be painted by the Flemish painter to which the work was attributed Snare had found something incredible but what His research brought him to Diego Vel zquez whose long lost portrait of Prince Charles has eluded art experts for generations Vel zquez 1599 1660 was the official painter of the Madrid court during the time the Spanish Empire teetered on the edge of collapse When Prince Charles of England a man wealthy enough to help turn Spain s fortunes ventured to the court to propose a marriage with a Spanish princess he allowed just a few hours to sit for his portrait Snare believed only Vel zquez could have met this challenge But in making his theory public Snare was ostracized victim to aristocrats and critics who accused him of fraud and forced to choose like Vel zquez himself between art and family A thrilling investigation into the complex meaning of authenticity and the unshakable determination that drives both artists and collectors of their work The Vanishing Vel zquez travels from extravagant Spanish courts in the 1700s to the gritty courtrooms and auction houses of nineteenth century
