Mindoro And Beyond:

Mindoro and Beyond N. V. M. González, 2009-07-31 The reader familiar with Filipino literature will find here several of his favorites from earlier Gonzalez collections like *Seven Hills Away* 1947 and *Look Stranger on This Island Now* 1963 But a number of hitherto uncollected stories are in this volume as well including two prizewinners *Serenade* which won the Philippines Free Award in 1964 and *The Tomato Game* originally published in *Asia Philippines Leader* and winner of the 1972 Carlos Palanca Memorial Award for the Short Story in English Mr Gonzalez is most telling when he writes of the young the old the deprived and he finds people to care about all over those 7 000 islands of his from book cover **Mindoro and Beyond** N. V. M. González, 1989 Philippine Short Story Index Maria Nena R. Mata, 1985 **The Bread of Salt and Other Stories** N. V. M. Gonzalez, 2011-11-01 Long considered the dean of modern Philippine literature N V M Gonzalez has influenced an entire generation of young Philippine writers and has also acquired a devoted international readership His books however are not widely available in this country *The Bread of Salt and Other Stories* provides a retrospective selection of sixteen of his short stories all originally written in English arranged in order of their writing from the early 1950s to the present day This is a powerful collection both for the unity and universality of the author s subjects and themes and for the distinctive character of his prose style As Gonzalez remarks in his Preface In tone and subject matter these stories might suggest coming full circle in the learning of one s craft in finding a language and finally in discovering a country of one s own Gonzalez has traveled widely and has taught the writer s craft in various countries Nonetheless his primary metaphor is his colonial island homeland and his stories are peopled with the farmers and fishermen the schoolteachers and small town merchants the underclass who constitute the majority in all societies He portrays in the men women and children of the peasantry an ordinary and enduring people who live lives of stark dignity against a backdrop of forgotten and unknown gods A broad humanity suggests itself This feeling of having emerged out of a void or something close to it is not uncommon and we face our respective futures predisposed by an innocence to prayer and hope Colonization Gonzalez feels has created in Filipinos a truly submerged people The stories in *The Bread of Salt* explore this rich vein at several levels from the river crossed wilderness of the kaingin farmers stoic in the hard face of nature to the commercial centers of the town dwellers cut off from the mythic animism of the land to the America of the contemporary sojourner exiled from the old ways without the guidance of new traditions Gonzalez writes It was in America that I began to recognize my involvement in the process of becoming a new person of trying to shed my skin as a colonial Gonzalez s social commentary is implicit throughout his stories His message is humane moral tellingly accurate and gently ironic he is neither sentimental nor doctrinaire His narratives are presented without intrusive explanation invoking instead the reader s own powers of contemplation and discovery His strong prose style spare yet lyrical suggests the cadences of Philippine oral narrative traditions Each of these sixteen tales is a small masterpiece The language and its imagery the characters and their aspirations all connect powerfully with the reader and

serve to illuminate the dreams of exiles and colonials suggesting what it was like as a Filipino to witness the endless interacting of cultures *Five Faces of Exile* Augusto Fauni Espiritu, 2005 *Five Faces of Exile* is the first transnational history of Asian American intellectuals Espiritu explores five Filipino American writers whose travels literary works and political reflections transcend the boundaries of nations and the categories of Asia and America **Upon Our Own Ground: 1956 to 1964** Gémino H. Abad, 2008 *Philippine Quarterly of Culture and Society*, 1980 Companion to Literature Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates *The Diliman Review*, 1980 Devoted to letters the arts and discussion Ghost Movies in Southeast Asia and Beyond, 2016-08-09 Ghost Movies in Southeast Asia and Beyond explores ghost movies one of the most popular film genres in East and Southeast Asia by focusing on movie narratives the cultural contexts of their origins and audience reception In the middle of the Asian crisis of the late 1990s ghost movies became major box office hits The emergence of the phenomenally popular J Horror genre inspired similar ghost movie productions in Korea Thailand Taiwan Hong Kong the Philippines and Singapore Ghost movies are embedded and reflected in national as well as transnational cultures and politics in narrative traditions in the social worlds of the audience and in the perceptual experience of each individual They reflect upon the identity crises and traumas of the living as well as of the dead and they unfold affection and attraction in the border zone between amusement and thrill secular and religious worldviews This makes the genre interesting not only for sociologists anthropologists media and film scholars but also for scholars of religion *Chinese Food and Foodways in Southeast Asia and Beyond* Tan Chee-Beng, 2012-08-01 Chinese cuisine has had a deep impact on culinary traditions in Southeast Asia where the lack of certain ingredients and access to new ingredients along with the culinary knowledge of local people led Chinese migrants to modify traditional dishes and to invent new foods This process brought the cuisine of southern China considered by some writers to be the finest in the world into contact with a wide range of local and global cuisines and ingredients When Chinese from Southeast Asia moved on to other parts of the world they brought these variants of Chinese food with them completing a cycle of culinary reproduction localization and invention and globalization The process does not end there for the new context offers yet another set of ingredients and culinary traditions and the embedding and fusing of foods continues creating additional hybrid forms Written by scholars whose deep familiarity with Chinese cuisine is both personal and academic *Chinese Food and Foodways in Southeast Asia and Beyond* is a book that anyone who has been fortunate enough to encounter Southeast Asian food will savour and it provides a window on this world for those who have yet to discover it

Climate Litigation in Asia and the Pacific and Beyond Asian Development Bank, 2020-12-01 Climate change in Asia and the Pacific is deadly and impacts communities now Regional climate litigation seeks relief in increasingly urgent ways and judges need a tool kit to respond Report Two of this four part series is a comprehensive review of the growing number

and variety of climate lawsuits in Asia and the Pacific It underscores the unique flavor and voice of regional jurisprudence and compares it with global approaches No one can solve climate change alone and neither can any particular judiciary Judges can however learn from each other taking judicial excellence and applying it to the case before them *Beyond Foraging and Collecting* Ben Fitzhugh, Junko Habu, 2012-12-06 LEWIS R BINFORD AND AMBER L JOHNSON The organizers of this volume have brought together authors who have worked on local sequences much as traditional archaeologists tended to do however with the modern goal of addressing evolutionary change in hunter gatherer systems over long time spans Given this ambitious goal they wisely chose to ask the authors to build their treatments around a focal question the utility of the forager collector continuum Binford 1980 for research on archaeological sequences Needless to say Binford was flattered by their choice and understandably read the papers with a great deal of interest When he was asked to write the foreword to this provocative book he expected to learn new things and in this he has not been disappointed The common organizing questions addressed among the contributors to this volume are simply how useful is the forager collector continuum for explanatory research on sequences and what else might we need to know to explain evolutionary change in hunter gatherer adaptations Most sequences document systems change in some sense Though we don't necessarily know how much synchronous systemic variability there might have been relative to the documented sequence most authors have tried to address the problem of within systems variability In this sense most are operating with sophistication not seen among traditional culture historians The primary problem for archaeologists of the generation prior to Binford was how to date archaeological materials **Likhaan**, 1979 *Beyond Price* R. A. Donkin, 1998 Man has been intrigued by the origin of pearls sensitive to their beauty and convinced of their medicinal value for at least 5 cent A mixture of folklore and observation preceded the earliest scientific inquiries Fishing and trade commenced in S Asia between India and Sri Lanka and around the Persian Gulf In W and Central Europe Inner Asia and China and N Amer Freshwater pearls were probably known and treasured before those of marine origin A refined nomenclature points to a long familiarity with etymologically related words for pearl Pearls were prominent among the luxury products of world trade and were high among the objectives of expeditions to the eastern and western Tropics Illustrations **AGUILAR: Beyond Greatness** Dante Villanueva Aguilar, AGUILAR Beyond Greatness traces the origin of Aguilar Clan from the settlement of 10 Bornean Datus to the Island of Panay Under the leadership of Datu Puti the great ancestor of Aguilar Clan the Barter of Panay was concluded It also traces the roots of Aguilar Clan during the Spanish rule By word of mouth which has been handed down from one generation to another the descendants of Datu Puti on Panay Island were the first to have received their Christian names as well as their family names Florentino in the course of his early life was told by his great grandfather Datu Puti that he had relatives in Panay accompanied the missionaries to the Visayan islands He settled in Barrio Abaca Passi a well organized Malay community where he met Constancia the great granddaughter of Datu Bangkaya who settled in Aklan and Capiz He and Constancia were

joined together in marriage by a Spanish priest The first Christian family or institution established on Panay Island was that of Florentino and Constancia who out of their wedlock five children were born Fray Juan Villamayor christened them as Macario Aguilar Perfecto Diosdado Panes Perfecto Fermin Palmes Perfecto and the two girls Leocardia and Azucena Macario Aguilar Perfecto the eldest in the family is the duly recognized ancestor of Aguilar Clan Then and Now Aguilar Clan has recorded the achievements of all of the clan members and their remarkable contribution to our country and the world

The Epilogue / the Saturn and Beyond Steven Fazekas,2011-04-08 The Epilogue This book forwards the reader to 2055 It is a political science fiction or perhaps ramblings of a politically incorrect and inquisitive mind Not unlike political science at large the theme of this composition is presumptive and speculative at best It poses the question why and how the United States of America destroyed itself and what kind of world order followed its demise The Saturn and Beyond This out in space episode takes place in 2113 when advances of science enable humanity to shed most of its handicaps Millions of miles from Earth and covering unimaginably large distances mankind however still struggle to define its role in the universe
