Modeling God Religious Education For Tom:

Models of God and Alternative Ultimate Realities Jeanine Diller, Asa Kasher, 2013-06-13 The envisioned volume is a collection of recent essays about the philosophical exploration critique and comparison of a the major philosophical models of God gods and other ultimate realities implicit in the world s philosophical schools and religions and of b the ideas of such models and doing such modeling per se The aim is to identify exactly what a model of ultimate reality is create a comprehensive and accessible collection of extant models and determine how best philosophically to model ultimate reality if possible and desirable

Models for Christian Higher Education Richard Thomas Hughes, William B. Adrian, 1997 This is a print on demand book and is therefore non returnable This timely look at the state of Christian higher education in America contains descriptive historical narratives that explore how fourteen Christian colleges and universities are successfully integrating faith and learning on their campuses despite the challenges posed by the increasingly pluralistic nature of modern culture Written by respected representatives from seven major faith traditions Roman Catholic Lutheran Reformed Mennonite Evangelical Wesleyan Holiness and Baptist Restorationist these narratives are also preceded by introductory essays that define the worldview and theological heritage of each given tradition and ask what that tradition can contribute to the task of higher education

Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Theological Models of the Doctrine of the Trinity James Henry Owino Kombo, 2016-08-30 The doctrine of the Trinity is the

foundational doctrine for all Christian theology doxology and practice In this publication James Kombo brings a unique and valuable contribution to understanding the Trinity and how God can be understood within the context of any culture and language Kombo first recognizes and brings into focus God's self presentation in Scripture as the triune God Moving from the early church through various church traditions over the centuries he interacts with how each tradition viewed God and their interpretation of the Trinity Closing with a distinctly African view of God from the Luo language tradition used mostly in Kenya and Tanzania Kombo emphasises the benefits of considering alternative models of interpretation from various regions of the world Kombo's work applying his research across cultures makes this an excellent resource in any context of ministry and the academy

The Hiddenness of God Michael C. Rea, 2018-07-19 The Hiddenness of God addresses the problem of divine hiddenness which concerns the ambiguity of evidence for God's existence the elusiveness of God's comforting presence the palpable and devastating experience of divine absence and abandonment and more phenomena which are hard to reconcile with the idea central to the Jewish and Christian scriptures that there exists a God who is deeply and lovingly concerned with the lives of humans Michael C Rea argues that divine hiddenness is not a problem to be explained away but rather a consequence of the nature of God himself He shows that it rests on unwarranted assumptions and expectations about God's love for human beings Rea explains how scripture and tradition bear testimony not only to God's love but to God's transcendence He shows that God's transcendence should be understood as implying that all of God's intrinsic attributes divine love included elude our grasp in significant ways

Faith and the Faithfulness of Jesus in Hebrews Matthew C. Easter, 2014-10-27 This volume explores faith in the Book of Hebrews and posits that it is manifested in four dimensions ethical eschatological Christological and ecclesiological

Teaching All Nations Mitzi J. Smith, Jayachitra Lalitha, 2014-05-01 That Christian missionary efforts have long gone hand in hand with European colonization and American imperialist expansion in the 19th and 20th centuries is well recognized The linchpin role played in those efforts by the Great Commission The risen Christ's command to go into all the world and teach all nations has more often been observed than analyzed however With the rise of European colonialism the Great Commission was suddenly taken up with an eschatological urgency often explicit in the founding statements of missionary societies the differentiation of teachers and nations waiting to be taught proved a ready made sacred sanction for the racialized and androcentric logics of conquest and civilization

New Models of Religious Understanding Fiona Ellis, 2018 What does it mean to understand the world religiously How is such understanding to be distinguished from scientific understanding What does it have to do with religious practice transfiguring love and spiritual well being New Models of Religious Understanding investigates these questions to set a new and exciting agenda for philosophy of religion Featuring contributions from leading scholars in the field the volume cuts across the supposed divide between analytic and continental approaches to the subject and engages the interest of a broad range of philosophical and theological readers

Scientific Models for Religious Knowledge Andrew Ralls

Woodward,2018-08-14 Most comparisons of science and religion are really comparisons of science and Christianity or science and Islam and so forth In *Scientific Models for Religious Knowledge* the author aims to get outside typical polarized debates between traditional a priori theism and radical scientistic naturalism Instead a new science and religion compatibility system between a scientific study of religion and a religious epistemology is our new elusive problem Moreover we shall look at a comparison and contrast of modern science with the simple deference of the human mind to the actions of culturally postulated superhuman agents This book pays critical attention to the contributions of scholars in the philosophy of religion the philosophy of science and the scientific study of religion *Scientific Models for Religious Knowledge* is useful for readers looking to expand their learning in the philosophies of science and religion as these subjects are taught and analyzed in modern research universities

Critical Terms for Religious Studies Mark C. Taylor,2013-07-09 A century that began with modernism sweeping across Europe is ending with a remarkable resurgence of religious beliefs and practices throughout the world Wherever one looks today from headlines about political turmoil in the Middle East to pop music and videos one cannot escape the pivotal role of religious beliefs and practices in shaping selves societies and cultures Following in the very successful tradition of *Critical Terms for Literary Studies* and *Critical Terms for Art History* this book attempts to provide a revitalized self aware vocabulary with which this bewildering religious diversity can be accurately described and responsibly discussed Leading scholars working in a variety of traditions demonstrate through their incisive discussions that even our most basic terms for understanding religion are not neutral but carry specific historical and conceptual freight These essays adopt the approach that has won this book s predecessors such widespread acclaim each provides a concise history of a critical term explores the issues raised by the term and puts the term to use in an analysis of a religious work practice or event Moving across Judaism Christianity Hinduism Buddhism Islam and Native American and Mayan religions contributors explore terms ranging from experience territory and image to God sacrifice and transgression The result is an essential reference that will reshape the field of religious studies and transform the way in which religion is understood by scholars from all disciplines including anthropology sociology psychology cultural studies gender studies and literary studies

Models and Methods for Youth and Young Adult Ministry Arthur David Canales,2018-05-25 *Models and Methods for Youth and Young Adult Ministry* is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ

Encyclopedia of Religious and Spiritual Development Elizabeth M. Dowling,W. George Scarlett,2006 Focuses on the developmental process of religion

and spirituality across the human life span This encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent **Creating Women's Theology** Monica A. Coleman,Nancy R.

Howell,Helene Tallon Russell,2011-09-22 Creating Women s Theology engages women s questions Can women from different religious traditions engage one theological approach Can one philosophical approach support feminist religious thought What kind of belief follows women s criticism of traditional Christianity Creating Women s Theology offers a portrait of how some women have found room for faith and feminism For the last twenty five years women religion scholars have synthesized process philosophy with their feminist sensibilities and faith commitments to highlight the value of experience the importance of freedom and the interdependence of humanity God and all creation Cutting across cultural and religious traditions process relational feminist thought represents a theology that women have created This volume offers an introduction to process and feminist theologies before presenting selections from canonical works in the field with study questions This volume includes voices from Christianity Judaism goddess religion the Black church and indigenous religions Creating Women s Theology invites new generations of undergraduate seminary and university graduate students to the methods and insights of process relational feminist theology *Catholic School Leadership* Thomas Hunt,Brother Thomas

Oldenski,Theodore J. Wallace,2005-07-27 Catholic School Leadership addresses many of the challenges facing those who prepare faith leaders and education leaders for the Catholic schools of the future The well known editors and contributors to this volume have written about their personal experiences with Catholic schools the educational foundations of Catholic schools teacher preparation and development Catholic school leadership dealing with parents and families and the challenges of technology for Catholic schools The contributions emphasize the perspectives of both scholars and practitioners within Catholic education and will interest anyone who has experienced time in a Catholic school either as a student teacher or administrator as well as those interested in what is happening within Catholic schools today Persons in Relation Najib

George Awad,2014-05-01 Tracing out the origins of the Trinitarian revival in the modern era particularly on account of the influence of Schleiermacher Tillich Barth Rahner and Pannenberg through to the destabilizing effects of postmodernity on Trinitarian discourse the author provides a critical hermeneutic for the evaluation and implementation of thoughtful Trinitarian theology in the contemporary world Within this frame the author argues for viewing the Trinity as the intellectual and conceptual context and interdisciplinary arena of interaction between theology and other forms of intellectual inquiries to generate a robust multifaceted and historically fluent doctrine of the Trinity **No One Like Him** John S.

Feinberg,2006-04-26 Many contemporary theologians claim that the classical picture of God painted by Augustine and Aquinas is both outmoded and unbiblical But rather than abandoning the traditional view completely John Feinberg seeks a reconstructed model one that reflects the ongoing advances in human understanding of God s revelation while recognizing

the unchanging nature of God and His Word Feinberg begins by exploring the contemporary concepts of God particularly the openness and process views and then studies God's being nature and acts all to articulate a mediating understanding of God not just as the King but the King who cares Part of the Foundations of Evangelical Theology series **ICCIRS 2019** Thomas Pentury, Achmad Syahid, Jeane Marie Tulung, Lince Sihombing, Agustin Ch. Kakiay, 2020-11-18 As an annual event 1st International Conference on Christian and Inter Religious Studies ICCIRS 2019 continued the agenda to bring together researcher academics experts and professionals in examining selected theme by applying multidisciplinary approaches In 2019 IAKN Manado successfully held this event for the first time in 11-14 December at Institut Agama Kristen Negeri IAKN Manado Indonesia There were 134 papers presented during 2 days at the conference from any kind of stakeholders related with Christian education and learning development Theology Music and psychotherapy Psychology and Counselling and Inter Religious Studies Each contributed paper was refereed before being accepted for publication The double blind peer reviewed was used in the paper selection From all papers submitted there were 80 papers were accepted successfully for publication based on their area of interest relevance research by applying multidisciplinary Inter-Religious Models and Criteria J.
