Water on Sand Alan Mikhail,2012-11-09 From Morocco to Iran and the Black Sea to the Red Water on Sand rewrites the
history of the Middle East and North Africa from the Little Ice Age to the Cold War era As the first holistic environmental
history of the region it shows the intimate connections between peoples and environments and how these relationships
shaped political economic and social history in startling and unforeseen ways Nearly all political powers in the region based
their rule on the management and control of natural resources and nearly all individuals were in constant communion with
the natural world To grasp how these multiple histories were central to the pasts of the Middle East and North Africa the
chapters in this book evidence the power of environmental history to open up new avenues of scholarly inquiry
