Eakin,Paulo Roberto de Almeida,Rubens Antonio Barbosa,2005-10-31 Envisioning Brazil is a comprehensive and sweeping assessment of Brazilian studies in the United States Focusing on synthesis and interpretation and assessing trends and perspectives this reference work provides an overview of the writings on Brazil by United States scholars since 1945 The Development of Brazilian Studies in the United States provides an overview of Brazilian Studies in North American universities Perspectives from the Disciplines surveys the various academic disciplines that cultivate Brazilian studies Portuguese language studies Brazilian literature art music history anthropology Amazonian ethnology economics politics and sociology Counterpoints

Brazilian Studies in Britain and France places the contributions of U S scholars in an international perspective Bibliographic and Reference Sources offers a chronology of key publications an essay on the impact of the digital age on Brazilian sources and a selective bibliography **Latin American Urbanization** Charles Butterworth,1981-01-31 Originally published in 1981 as part of the Urbanization in Developing Countries series Latin American Urbanization presents an in depth look at a process of social change in an important region of the Third World In this study Professors Butterworth and Chance concentrate on the rural urban migration of the lower classes and the adaptation of migrants to city life They examine the rural peasant and proletarian communities from which the migrants have come and to which they often remain loyal even after many years of urban residence Drawing together in a coherent manner studies from several disciplines such as demographic sociocultural economic and political dimensions of urbanization this book will interest a variety of scholars in the social sciences and the humanities **Angola Under the Portuguese** Gerald J. Bender,1980-01-01 The book is the first comprehensive study of race relations in Angola It covers the entire five century long relationship between the peoples of Angola and Portugal Portuguese imperial thinkers asserted that they were unique among European colonizers in their ability to establish and maintain egalitarian and non discriminatory relationships with tropical peoples This concept was elevated to a philosophical plateau and given the name Lusotropicalism Propagated with fervor by Portuguese colonial thinkers Lusotropical doctrines were widely accepted as being valid by twentieth century diplomats and political thinkers in both Europe and the United States many of whom believed that Portuguese colonialism in Africa would continue indefinitely The evidence presented in this work indicates that Portuguese rule in Angola was deeply racist This conclusion is based on a considerable body of data gleaned from archival sources personal collections and systematic interviewing of racially diverse Angolans and Portuguese functionaries in the colonial administration and the private sector Special emphasis is placed on devices that the Portuguese used to delude themselves and others about the realities of their attitudes and behavior as ruling elites The study concludes with an assessment of the impact of Lusotropical myths on independent Angola *The Industrial Connection* Bernard Carl Rosen, Estudio que aborda el tema de como la industrializacion en los paises en desarrollo afecta al ambito de la familia La industrializacion refuerza el grupo de parientes en una sociedad en desarrollo que valora una familia extensa ademas la relacion entre maridos y esposas se vuelve mas comunicativa demostrativa e igualitaria las actitudes del rol sexual liberal aumentan el poder de la esposa dentro de la familia pero disminuye la fertilidad en la ciudad industrial Por otra parte la industrializacion democratiza las relaciones entre padres e hijos y aumenta la motivacion para lograr el exito en los chicos aunque como se lleve este a cabo depende de la cultura y la estructura social de cada uno **A Select Bibliography On Economic Development** John P. Powelson,2019-05-20 This bibliography of more than 2 000 titles contains both books and journal articles primarily those published since 1970 Most of the entries are annotated The material is classified according to forty eight categories and there is also a list of relevant titles for each major country in Africa Asia

and Latin America   **Multinational Corporations** Paz Estrella Tolentino,2003-09-02 This work presents case studies of the emergence and evolution of Multinational Corporations MNCs based in eleven developed and developing countries of widely divergent patterns of national development From this analysis Tolentino develops a comprehensive theory of the emergence and evolution of MNCs from a macroeconomic perspective   *Latin America and the Caribbean* United States. Department of the Army,1975   The Developing World E. S. Simpson,2014-09-19 Addresses the issues faced by developing nations in attempting to secure sustainable economic development   Population Growth In Latin America And U.S. National Security John Saunders,2023-10-02 Originally published in 1986 this volume deals with both population growth in Latin America and the possible consequences of this growth for the security of the USA The text analyses the demographic dimensions of the phenomenon and then considers the consequences for US security It was the first time that the interrelations between national security and population growth were systematically analyzed The book predicts the raid population growth would have serious economic social and strategic implications for the USA and rightly predicts the adoption of draconian measures to stem the flow of illegal migrants Although some aspects of the political landscape have changed since original publication the issue of migration to the USA from Latin America has lost none of its relevance
