Third Series** Library of Congress. Copyright Office, 1976 **American Journal of Correction**, 1978 **Alternatives to Institutionalization** Marjorie Kravitz, 1979 **American Book Publishing Record**, 1977-03-31 Here is quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Halfway houses** National Institute of Law Enforcement and Criminal Justice. Office of Development, Testing, and Dissemination, 1978 *Police Educational Characteristics and Curricula* Larry T. Hoover, 1975 The monograph consists of an examination of the rationale for higher police educational standards a report of research relevant to the impact of upgrading efforts a critique of current educational programming and the explication of a model criminal justice curriculum appropriate for both police and other criminal justice system personnel Three distinct but related rationales are developed relevant to educational upgrading The rationales involve police ability to control crime perform their order maintenance function and properly exercise discretion The research reported includes an assessment of current police recruit educational levels patterns of employment of collegiate recruits the impact of the Law Enforcement Education Program police cadet programs and agency reward programs the influence of agency characteristics in attracting and retaining collegiate recruits and the impact of the development of educational programs in law enforcement and criminal justice An examination of present educational programming postulates several major deficiencies A model curriculum is proposed which provides a broad theoretical

orientation to the entire criminal justice process The model consists of guidelines for twenty criminal justice courses Each guideline includes both selected related readings and a content outline Probation and Parole in Practice Steven Dillingham, Reid H. Montgomery, Richard W. Tabor, 1990 Topics covered include probation parole officers counselling tech

Community Corrections and Human Dignity Edward Wallace Sieh, 2006 Community Corrections And Human Dignity Presents A New Approach To The Rapidly Growing Fields Of Probation And Parole Based On The Author S Extensive Experience And Recent Research In The Field This Book Explores Community Corrections From Its 19Th Century Origins And Century Long Evolution To Modern Issues Including Supervision Models Offender Treatment Parole And Restorative Parole Offender Technical Violations And Future Crime Prevention Readers Will Learn About Different Types Of Probationers Why Offenders Should Be Treated Respectfully And Proper Offender Treatment Community Corrections Robert D. Hanser, 2009-02-19 Aimed at undergraduate courses in criminal justice that offer modules in community corrections probation and parol this text covers the necessary topics in community corrections but with a more practical approach than other texts Subjects covered include the history of probation and parole arguments for and against the treatment of offenders the point and purpose of community corrections and jail facilities and detention centers The book offers a unique perspective given the author s expertise with both special needs populations and in the comparative fields It is supported by an online study site and instructor s resource materials **Police Educational Characteristics and Curricula, Monograph** United States. Department of Justice, 1975 *The Science of Criminal Justice* James R. Davis, 1986 *Encyclopedia of Community Corrections* Shannon M. Barton-Bellessa, 2012-05 In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working alternatives to standard prison settings were sought and developed One of those alternatives community based corrections had been conceived in the 1950s as a system that might prove more progressive humane and effective particularly with people who had committed less serious criminal offenses and for whom incarceration with constant exposure to serious offenders and career criminals might prove more damaging than rehabilitative The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system spurred in recent years not so much by a progressive humane philosophy as by dramatically increasing prison populations court orders to fix overextended prison settings and an economic search for cost savings Encyclopedia of Community Corrections explores all aspects of community corrections from its philosophical foundation to its current inception Features a thematic reader s guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance a chronology in the back matter helps students put individual events into broader historical context a glossary provides students with concise definitions to key terms in the field a resource guide to classic books journals and web sites along with the further readings accompanying each entry guides students to further resources in their research journeys and appendix offers statistics from the Bureau of Justice *The Annals of the American Academy of Political and Social Science*

,1975 *Books in Print Supplement* ,1978 Understanding Offending Populations and the Power of Correctional Psychotherapy Karla Sapp,2023-10-16 This book investigates the general correctional offender population and the psychotherapy services they receive The offender population has long been considered the most difficult to engage in psychotherapy often described as resistant non compliant unworkable and without feeling This unique and culturally diverse population tend to find themselves as a result going through a cycle of arrest conviction incarceration and release Although other offender populations such as female offenders severe mentally ill and sex offenders have received considerable attention in scholarship there has been little research focused on the treatment of the general offender population and how to reduce recidivism through the appropriate delivery of effective assessment and treatment services This book will bridge that gap in literature addressing Who the offender population is Social and systematic factors they face Psychological understandings of criminal behavior Rehabilitation and psychotherapy theories and approaches to treatment as well as best practices Future efforts in justice initiatives advocacy and public policy This book is best suited for upper level undergraduates graduate students and researchers and practitioners in criminal justice fields and mental health professions working with offender populations *Prisons and Prisoners* Lee H. Bowker,1978
