Modern Greek Humor Ethelyn G. Orso,1979      *Modern Greek Humor* Ethelyn Gay Orso,1979      **The Book of Greek and Roman Folktales, Legends, and Myths** William Hansen,2019-10-29 The first anthology to present the entire range of ancient Greek and Roman stories from myths and fairy tales to jokes Captured centaurs and satyrs talking animals people who suddenly change sex men who give birth the temporarily insane and the permanently thick witted delicate sensualists incompetent seers a woman who remembers too much a man who cannot laugh these are just some of the colorful characters who feature in the unforgettable stories that ancient Greeks and Romans told in their daily lives Together they created an incredibly rich body of popular oral stories that include but range well beyond mythology from heroic legends fairy tales and fables to ghost stories urban legends and jokes      The Mirth of Nations Christie Davies,2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one s own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author s careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural stu      **Engaging Humor** Elliott Oring,2008-08-08 Exploring the structure motives and meanings of humor in everyday life      **101 Middle Eastern Tales and Their Impact on Western Oral Tradition** Ulrich Marzolph,2020-08-18 A comprehensive exploration of the Middle Eastern roots of Western narrative tradition Against the methodological backdrop of historical and comparative folk narrative research 101 Middle Eastern Tales and Their Impact on Western Oral Tradition surveys the history dissemination and characteristics of over one hundred narratives transmitted to Western tradition from or by the Middle Eastern Muslim literatures i e authored written works in

Arabic Persian and Ottoman Turkish For a tale to be included Ulrich Marzolph considered two criteria that the tale originates from or at least was transmitted by a Middle Eastern source and that it was recorded from a Western narrator's oral performance in the course of the nineteenth or twentieth century The rationale behind these restrictive definitions is predicated on Marzolph's main concern with the long lasting effect that some of the Oriental narratives exercised in Western popular tradition those tales that have withstood the test of time Marzolph focuses on the originally Oriental tales that became part and parcel of modern Western oral tradition Since antiquity the Orient constitutes the quintessential Other vis-à-vis the European cultures While delineation against this Other served to define and reassure the Self the Orient also constituted a constant source of fascination attraction and inspiration Through oral retellings numerous tales from Muslim tradition became an integral part of European oral and written tradition in the form of learned treatises medieval sermons late medieval fabliaux early modern chapbooks contemporary magazines and more In present times when national narcissisms often acquire the status of strongholds delineating the Us against the Other it is imperative to distinguish document visualize and discuss the extent to which the West is not only indebted to the Muslim world but also shares common features with Muslim narrative tradition 101 Middle Eastern Tales and Their Impact on Western Oral Tradition is an important contribution to this debate and a vital work for scholars students and readers of folklore and fairy tales

**Secretly Inside** Hans Warren, 2006 In the Dutch countryside the war seems far away For most people at least But not for Ed a Jew in Nazi occupied Holland trying to find some safe sanctuary Compelled to go into hiding in the rural province of Zeeland he is taken in by a seemingly benevolent family of farmers But as Ed comes to realize the Van t Westeindes are not what they seem Camiel the son of the house is still in mourning for his best friend a German soldier who committed suicide the year before And Camiel's fiery unstable sister Mariete begins to nurse a growing unrequited passion for their young guest just as Ed realizes his own attraction to Camiel As time goes by Ed is drawn into the domestic intrigues around him and the farmhouse that had begun as his refuge slowly becomes his prison *Jokes and Targets* Christie Davies, 2011-05-23 *Jokes and Targets* takes up an appealing and entertaining topic the social and historical origins of jokes about familiar targets such as rustics Jewish spouses used car salesmen and dumb blondes Christie Davies explains why political jokes flourished in the Soviet Union why Europeans tell jokes about American lawyers but not about their own lawyers and why sex jokes often refer to France rather than to other countries One of the world's leading experts on the study of humor Davies provides a wide ranging and detailed study of the jokes that make up an important part of everyday conversation *Jokelore* Ronald L. Baker, 1986-09-22 extremely valuable enthusiastically recommended Western Folklore These hilarious and slightly off color stories although gathered in Indiana reflect the ancient origin and universality of the joke The chuckle the grin the uncontrolled belly laugh evoked by *Jokelore* attest to the popularity of this ancient form of folk literature **Folktales of Newfoundland (RLE Folklore)** Herbert Halpert, J.D.A. Widdowson, 2015-02-20 This collection of Newfoundland folk

narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case **Greek**

the social sciences and humanities      *We are Few* Annette B. Fromm, 2008-01-01 The Jewish community of Ioannina in Northwestern Greece traces its roots to Byzantine times if not earlier In the early 20th century at least half of the community's population emigrated to settle in Athens Israel and the United States because of economic and religious reasons The cataclysm of the Holocaust dramatically decimated the community This steady outward movement created an abrupt rupture of their patterns of traditional culture *We are Few* brings this unique community to life in a series of ethnographic sketches of history and traditional culture in order to understand its intense allegiance to ethnic identity Dr Annette Fromm explores the decreasing inventory of cultural traditions from the patterns of daily life to the rituals and customs associated with life cycle events and holiday celebrations Through the periodic return of individuals associated with the Jews of Ioannina pilgrims a new avenue of the expression of ethnic identity has been created These visits reassure residents that the Jewish community of Ioannina still exists no matter how dispersed This study is useful for graduate level students and researchers of Anthropology and Jewish Studies
