Modern Japan And Its Problems:

Modern Japan and Its Problems G Allen, 2010-11 The author who was for several years a lecturer in a Japanese Government College has tried to interpret the civilization and national character of Japan in the light of his experience and of his studies in that country He describes the novel problems and phenomena which have been created by the attempt of the Japanese to graft the political economic and educational institutions of the West on to their Oriental social organization He deals with the influence of the West on the different phases of the national life and with the attitude of the Japanese to Europe and America Particular attention is given to industrial and financial development and to contemporary economic problems There are chapters on the political system on the social organization and on the educational system and there is a special study of the population problem Modern Japan and Its Problems George Cyril Allen, 1990 Reprint with a new introduction by Ronald Dore of a study originally published in 1928 In 1922 Allen 22 years old and fresh from graduate study at the U of Birmingham arrived in Nagoya to take a lectureship in economics at the newly established college of Higher Commercial Studies He stayed for three years and five years after that completed this book of observations reflections and personal experiences Distributed in the US by Humanities Press Annotation copyrighted by Book News Inc Portland OR

Modern Japan and Its Problems G. C. Allen, 1928 The author who was for several years a lecturer in a Japanese Government College has tried to interpret the civilization and national character of Japan in the light of his experience and of his studies in that country He describes the novel problems and phenomena which have been created by the attempt of the Japanese to graft the political economic and educational institutions of the West on to their Oriental social organization He deals with the influence of the West on the different phases of the national life and with *Modern Japan* W. G. Beasley, 2021-12-19 Originally published in 1975 much of Western scholarly writing on Japan had in recent years concerned the study of modernisation The papers in this volume which were prepared by leading specialists from Europe and Israel concentrate on the problems arising from modernisation rather than on an analysis of the process itself The historical papers deal with various aspects of the political and international tensions that link modernisation to Japanese expansion and the Second World War the civil war of 1868 early newspapers and nationalist opinion the Washington Conference politics in the 1930s the bombing of Japan in 1945 Those on literature examine some related themes concerning national attitudes as expressed in drama and the novel especially in the context of the relationship of modern ideas and institutions to traditional culture and society Similar questions are raised by the discussion of new post war religions as well as in papers on the use of leisure and on industrial relations in contemporary Japan Finally there are two contributions dealing with the economic consequences of the industrial miracle that has marked the latest phase of modernisation one on balance of payments difficulties and one on current plans to deal with the problems of urban growth Many of these papers present the results of hitherto unpublished research of great importance to students of modern Japan Modern Japan William G. Beasley, 1977

Critical Issues in Contemporary Japan Jeff Kingston, 2013-12-17 This book provides undergraduate and graduate students with an interdisciplinary compendium written by a number of leading specialists on contemporary Japan. Chapters reflect the standards of rigorous scholarly work but also exceed them in their accessibility of language and engagement with concerns relevant to non specialists. The probing analysis of key debates and issues confronting Japan make this ideal for college courses and an essential reference work on Japan Asia for libraries. This book encompasses a range of disciplines in the social sciences and thus will be useful for a variety of courses including Comparative Politics Media Studies Anthropology Sociology Asian Studies International Relations Public Policy Healthcare Education Judicial Reform Gender and Minority Studies. The strength of this volume is in the collective efforts of accomplished experts providing in depth analysis and up to date comprehensive coverage of Japan in the 21st century. Students will gain the analytical insights and information necessary to assess the challenges that confront the Japanese people policymakers and private and public sector institutions. Key issues covered in this volume include Rapidly Aging society Changing Employment system Energy policy Nuclear and Renewable Gender discrimination Immigration Ethnic minorities Trade policy Civil society Rural Japan Okinawa Post 3 11 Tsunami earthquake nuclear meltdown developments Internationalization Sino Japanese relations East Asia's divisive history

The Making of Modern Japan Marius B. Jansen, 2009-07-01 Magisterial in vision sweeping in scope this monumental work presents a seamless account of Japanese society during the modern era from 1600 to the present. A distillation of more than fifty years engagement with Japan and its history it is the crowning work of our leading interpreter of the modern Japanese experience. Since 1600 Japan has undergone three periods of wrenching social and institutional change following the imposition of hegemonic order on feudal society by the Tokugawa shogun the opening of Japan's ports by Commodore Perry and defeat in World War II. The Making of Modern Japan charts these changes the social engineering begun with the founding of the shogunate in 1600 the emergence of village and castle towns with consumer populations and the diffusion of samurai values in the culture. Marius Jansen covers the making of the modern state the adaptation of Western models growing international trade the broadening opportunity in Japanese society with industrialization and the postwar occupation reforms imposed by General MacArthur. Throughout the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese with writers artists and thinkers as well as political leaders given their due. The story this book tells though marked by profound changes is also one of remarkable consistency in which continuities outweigh upheavals in the development of society and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience. The Making of Modern Japan takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations

Modern Japan Aleksandr Fedorovich Prasol, 2010 The book takes a fresh look at modern Japan and does not treat the Japanese as enigmatic or mysterious people. Their ways of thinking and their culture can be explained by an honest appraisal of their history and of the norms that have

shaped this history This book not only reveals the mentality and national character of modern Japanese people but also attempts to explore and analyze the roots of their mannerisms Everyone knows that the Japanese are generally more polite than other nationalities but why is this so Why do they embrace a relaxed attitude when being served by others Surely there must be specific reasons to account for these observations Delving into the social values of the Japanese why do they value loyalty and commitment so much How long have they been upholding these virtues Why when interrogated by the police even without being beaten or tortured do they easily confess guilt for crimes that they have not committed What are the reasons for such behaviors All these questions and more are answered in this engaging and illuminating book **The SAGE**

Handbook of Modern Japanese Studies James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

Modern Japan: A Very Short Introduction Christopher Goto-Jones, 2009-04-23 Japan is arguably today's most successful industrial economy combining almost unprecedented affluence with social stability and apparent harmony Japanese goods and cultural products are consumed all over the world ranging from animated movies and computer games all the way through to cars semiconductors and management techniques In many ways Japan is an icon of the modern world and yet it remains something of an enigma to many who see it as a confusing montage of the alien and the familiar the ancient and modern The aim of this Very Short Introduction is to explode the myths and explore the reality of modern Japan by taking a concise look at its history economy politics and culture ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The Foreign Policy of Modern Japan* Robert A. Scalapino, 1977

Writers and Society in Modern Japan Irena Powell, 1983-06-18 **Translation in Modern Japan** Indra Levy, 2017-07-05 The role of translation in the formation of modern Japanese identities has become one of the most exciting new fields of inquiry in Japanese studies This book marks the first attempt to establish the contours of this new field bringing together seminal works of Japanese scholarship and criticism with cutting edge English language scholarship Collectively the

contributors to this book address two critical questions 1 how does the conception of modern Japan as a culture of translation affect our understanding of Japanese modernity and its relation to the East West divide and 2 how does the example of a distinctly East Asian tradition of translation affect our understanding of translation itself The chapter engage a wide array of disciplines perspectives and topics from politics to culture the written language to visual culture scientific discourse to children s literature and the Japanese conception of a national literature Translation in Modern Japan will be of huge interest to a diverse readership in both Japanese studies and translation studies as well as students and scholars of the theory and practice of Japanese literary translation traditional and modern Japanese history and culture and Japanese women s studies

The State and Labor in Modern Japan Sheldon Garon,1987-11-09 In this meticulously researched study Sheldon Garon examines the evolution of Japan s governmental policies toward labor from the late nineteenth century to the present day and he substantially revises prevailing views which depict relations between the Japanese state and labor simply in terms of suppression and mutual antagonism *The Cambridge Economic History of Europe* Michael Moïssey Postan,H. J.

Habakkuk,1966 For contents and other editions see Title Catalog **A Collector's Guide to Books on Japan in English** Jozef Rogala,2012-10-12 For librarians and private collectors of books on Japan in English Jozef Rogala s alphabetical guide will prove an invaluable and very accessible addition to existing bibliographic sources and references not least because of the supporting biographies of major writers and the historical and cultural notes provided Includes subject index *Illustrated Encyclopaedia of World Histiry* , **Reading with a Purpose** ,1928 *War and Militarism in Modern Japan* Guy

Podoler,2009-08-01 A considerable amount of writing has been published on Japan at war in the Second World War and more recently scholars have been revisiting the Russo Japanese War of 1904 5 whereas this volume strives to examine Japan s twentieth century approach to war and militarism in a wider perspective bringing hitherto unexamined new themes and subject matter under scrutiny up to the present day Among the topics covered are the February 26 Incident in Theatre and Film Ethnicity and Gender in Wartime Japanese Revue Theatre Military Festivals and the Japanese Self Defence Forces Major Trends in Japanese Treatment of POWs in Modern Times and Japan s Tug of War after the Russian War Published to mark the distinguished academic career of Ben Ami Shillony who retired in 2006 this volume also offers valuable new insights into the theme of the Japanese and the Jews including the Story and Myth of Anne Frank and Sadako Sasaki the involvement of Jewish scientists in the making of the atomic bomb and Japan s Jewish Policy in the late 1930s **Modern Japanese**

Organization and Decision-Making Ezra F. Vogel,2023-11-10 This book constitutes the first attempt of its kinds to probe the major features of modern Japanese organization that have played such a critical role in Japan s extraordinarily rapid economic development The contributors inclue prominent academic business consultants such a Peter Drucker of the United states and Kazuo Noda of Japan Japanese government officials such as Yoshihisa Ojimi former Administrative Vice Minister of the Ministry of International Trade and Industry and Taishiro Shirai a member of the Central Labor Relations Commission as

well as outstanding Western experts on modern Japanese organization. The essays deal not only with Japanese government and business but also with the structures of a newspaper and a university and with the role of Japanese intellectuals in modern organization. The portrait of Japanese organization that emerges is much more dynamic and volatile than has been generally supposed. One finds business and government managers creatively using so-called traditional practices in novel ways and undertaking bold departures to achieve new purposes. The findings contradict the view that decision stems from below. Not only do executives have an important role in initiating action but lower-level officials function within a context defined by their superiors. Far greater tensions and conflict exist within organizations than is commonly reported by outsiders, especially in institutions like the university where conflicts often paralyze the decision-making process. Similarly, there is far greater divergence of interest among different sectors of society than one might infer from the stereotypical view of Japan Inc. And since the high level of consensus supporting the fundamental commitment to economic growth is now weakening, increasing divergence may be anticipated in the future. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1975.

Modern Japan And Its Problems Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Japan And Its Problems PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Japan And Its Problems PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Japan And Its Problems free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
