Modern Korean Poetry:

The Columbia Anthology of Modern Korean Poetry David Richard McCann, 2004 Taking as its starting point the long standing characterization of Milton as a Hebraic writer Milton and the Rabbis probes the limits of the relationship between the seventeenth century English poet and polemicist and his Jewish antecedents Shoulson's analysis moves back and forth between Milton's writings and Jewish writings of the first five centuries of the Common Era collectively known as midrash In exploring the historical and literary implications of these connections Shoulson shows how Milton's text can inform a more nuanced reading of midrash just as midrash can offer new insights into Paradise Lost Shoulson is unconvinced of a direct link between a specific collection of rabbinic writings and Milton's works He argues that many of Milton's poetic ideas that parallel midrash are likely to have entered Christian discourse not only through early modern Christian Hebraicists but also through Protestant writers and preachers without special knowledge of Hebrew At the heart of Shoulson's inquiry lies a fundamental question When is an idea a theme or an emphasis distinctively Judaic or Hebraic and when is it Christian The difficulty in answering such questions reveals and highlights the fluid interaction between ostensibly Jewish Hellenistic and Christian modes of thought not only during the early modern period but also early in time when rabbinic Judaism and Christianity began

Modern Korean Poetry Kukche P'en K'üllöp Han'guk Ponbu, 1970 *The Immortal Voice* Joyce Jaihiun Kim, 1974 **The Making of Modern Korean Poetry** Myöng-ho Sin, 1982 *Modern Korean Poetry* 現代韓國詩, 2018-07-16

A collection of Modern Korean Poetry with English translations. The poems are about life, finding love, experiencing love, losing love, and finding it again. The verses full of Korean sentiments like references to the first snow and mothers' influence in relationships. The book is a good resource for Korean learners who wish to get ideas for poetry they would like to share with their Korean friends. The book also is a good resource for Koreans who are learning English as the English Poems are written side by side with the Korean Version at the end of the book. Early readers of this book have commented that the poems have shared so much insight about life, love, and our day to day living. I encourage the readers to share their thoughts in the feedback section on which poems have touched their hearts. Some samples of the poems in the book: Growing old with you. Growing old with you is a promise. I promise to listen to all your complaints and gripes. Even if I cannot fulfill all of them, I will try to make you smile again. I woke up one day, I woke up one day, and I felt my hand on you. I was ecstatic since I knew it was our first night together. I woke up one day and I saw a child standing beside me. I smiled when I saw your eyes in the our son's eyes. Illusions of dreams. Life is not as we see it. It is but an illusion of what we think is true. If you look at any direction, You might think the world is flat. If you look at the stars at night, You might think we are in the center of the universe.

Tradition and Invention in Modern Korean Poetry Peter H. Lee, 1983 **A Companion to Ten Modern Korean Poets** Jihee Han, 2015-10-13 *A Companion to Ten Modern Korean Poets* is a practical handbook that connects poetry and culture with historical moments in which Korean poet-intellectuals mused on what poetry can do. This book offers a historical viewpoint of how they struggled to maintain Korean national identity, cultural sensibility, and spirituality in times of violence and surveillance. Surveying how each poet shaped their poetry responding to the political events, it also guides readers to understand why Korean poetry begins with a sense of solitude but ends with a longing for the building of common ground called Minjung. Finally, it provides translations of each poet's representative poems. Through seemingly transparent poetic

texts may emerge the tension between language and speechlessness hunger for the modern and hunger for what is lost and memory of the past and hope for justice This tension makes all ten poets including Han Yongun Jeong Jiyong Kim Sowol Yun Dongju Yi Sang Baek Seok Kim Suyoung Seo Jeongju Ko Un and Shin Kyeongnim crucial witnesses to the brutality in modern Korean history On the other hand there is the integrity of their poetics Although living in a difficult environment they continued laboring with their mother tongue to create modern Korean poetry shaping Korean cultural identity based on folk traditional arts such as Minyo and Gut and finally sharing folk sensibilities of Heung and Jeong under strict censorship Listening to their voices we might begin to imagine a new unfolding of history in the age of extremes Azaleas So-wŏl Kim,2007 Available for the first time in English Azaleas is a captivating collection of poems by a master of the early Korean modernist style Published in 1925 Azaleas is the only collection Kim Sowol 1902 1934 produced during his brief life yet he remains one of Korea s most beloved and well known poets His work is a delightful and sophisticated blend of the images tonalities and rhythms of traditional Korean folk songs with surprisingly modern forms and themes Sowol is also known for his unique and sometimes unsettling perspective expressed through loneliness longing and a creative use of dream imagery a reflection of Sowol s engagement with French Symbolist poetry Azaleas recounts the journey of a young Korean as he travels from the northern P yongyang area near to the cosmopolitan capital of Seoul Told through an array of voices the poems describe the young man s actions as he leaves home his experiences as a student and writer in Seoul and his return north Although considered a landmark of Korean literature Azaleas speaks to readers from all cultures An essay by Sowol s mentor the poet Kim Ok concludes the collection and provides vital insight into Sowol s work and life This elegant translation by David R McCann an expert on modern Korean poetry maintains the immediacy and richness of Sowol s work and shares with English language readers the quiet beauty of a poet who continues to cast a powerful spell on generations of Korean readers
