Tactical Medicine Essentials John E. Campbell, E. John Wipfler

III, Jim Smith, Lawrence E. Heiskell, 2020-07-15 Designed for EMS and medical professionals at all levels of training *Tactical Medicine Essentials Second Edition* provides the foundation needed to become a world class tactical medical provider TMP Written by an experienced team of authors from diverse backgrounds this text covers the essential curriculum of tactical medicine including tactical patient assessment expedient extrication and evacuation and self defense skills The Second Edition thoroughly prepares medical professionals to safely accompany a SWAT unit into the tactical environment Current State of the Art Medical Content for the Tactical Environment The rapidly changing tactical environment requires specialized rapid assessment techniques The tactical patient assessment process is presented in a single comprehensive chapter ensuring that students understand how to rapidly apply this specialized process to the patient in the tactical environment Each traumatic injury chapter further reinforces the tactical patient assessment process by highlighting the unique aspects of each traumatic injury A new chapter about active assailant mass casualty incidents has been added Law enforcement education topics for TMPs are compiled in a new appendix Dynamic Features These features allow EMS and medical professionals to take the extra step toward becoming outstanding TMPs At the Scene Advice from experienced TMPs on how to excel during a mission Safety Information on how to remain safe in the tactical environment even under the threat of violence Medical Gear Tips on the best equipment to pack and utilize in the tactical environment Detailed Step by Step Skill Reviews A thorough discussion of how to perform lifesaving skills in the high intensity tactical environment [Bibliographic Guide to Law](#), 1990 *Tactical Medicine Essentials* American College of Emergency Physicians (ACEP), E. John Wipfler

III, John E. Campbell, Lawrence E. Heiskell, 2010-10-20 [The Social History of Crime and Punishment in America](#) Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice **Redefining School Safety and Policing** Jeffrey D. Yarbrough, 2023-08-21 *Redefining School Safety and Policing* identifies and works to eliminate systemic issues in school policing that negatively impact students of color LGBTQIA

students and other marginalized populations Focusing on the fundamental goal of creating safe learning environments Yarbrough lays out the unintended consequences of involving police in the administrative disciplinary process as agents of school administrators and enforcers of zero tolerance policies Behavioral health support is important to students going through social emotional and mental health crises True equity work brings everyone to a safe space in the middle encouraging open discussion and courageous dialogue and aiming to create positive change Yarbrough argues that behavioral health and racial equity are vital to transforming school policing and providing beneficial alternative solutions to school policing that do not lead students to the juvenile or criminal justice system This book is suitable for colleges and universities K 12 school administrators teachers police and school resource officers counselors social workers and community activists

Handguns 2003 Ken Ramage, 2002 The latest edition of the top selling handguns annual features new reports on handguns for field and personal protection use The catalog section is fully updated and expanded with new feature articles providing the latest on trends gun tests self defense and handgun hunting

Police Militarization Scott W. Phillips, 2018-06-12 The increased militarization of the police in the United States has been a topic of controversy for decades brought to the public eye in notable events such as the Los Angeles Police Department's use of battering rams in the 1980s and the siege of the Weaver family at Ruby Ridge Idaho in the 1990s among others The issue of police militarism has been back at the forefront of criminal justice policy discussions in the wake of the militaristic police response to the protests that took place after the fatal shooting of Michael Brown by a police officer in Ferguson Missouri in 2014 This book examines the issue of militarization in a post Ferguson environment from the perspective of those inside policing Drawing from a variety of data including historical analysis of newspaper articles to examine the use of firearms in policing original data from police respondents attending the Federal Bureau of Investigation's National Academy in Quantico Virginia interviews with police chiefs and tactical officers regarding their direct experiences and a sample of National Academy attendees reporting on the deployment of patrol rifles in policing this work provides a nuanced look at police militarization that will inform future conceptual discussions and empirical research into the phenomenon Considerations identified for police policy makers include politics media leadership and marketing These themes are explored in detail suggesting multiple dimensions both theoretical and empirical to better understand policing and policy making this book an excellent resource for students scholars and professionals in law enforcement political science and public administration
