Expressivity in Modern Poetry Donald Wellman, 2019-02-26 Expressivity in Modern Poetry explores three interrelated subjects The first is a general exposition of the radical or deeply realistic aspects of the poetry and visual arts of the modern period The focus is on the works of Ezra Pound as understood through a prism of postmodern thought The second subject is the poetry and poetics of Charles Olson a pivotal figure during the transition from modernism to postmodernism The third subject is contemporary innovative poetry with special attention to transcultural neobarroco and language centered aspects of composition The grounding for this section is found in the works of William Carlos Williams

Aime Cesaire and Jose Lezama Lima A reversal of the relation between the center and periphery decentering the New York to Paris vector is crucial for understanding the Caribbean as a seedbed for both innovative and identity based poetics Wellman's purpose is to amplify the cultural importance of expressivity in a field where critical discussion is often dominated by constructivism and conceptualism Expressivity in Modern Poetry offers a new reading of the relation between twentieth century modernism and contemporary poetic practice

Lee, 1996 Whether examining the globalized consumption of satellite broadcast pop music or the heroic efforts of little known poets on the margins of the Chinese diaspora he finds a questioning and contesting of both the Orientalist construction of a mythic monolithic China invented by the West and the Chinese obsession with ideas of authenticity and purity of nationhood *Spenser and Donne* Yulia Ryzhik, 2019-10-07 This edited collection of essays part of The Manchester Spenser series brings together leading Spenser and Donne scholars to challenge the traditionally dichotomous view of these two major poets and to shift the critical conversation towards a more holistic relational view of the two authors poetics and thought *Revisiting Japan's Restoration* Timothy Amos, Akiko Ishii, 2021-11-29 This volume presents the reader with thirty one short chapters that capture an exciting new moment in the study of the Meiji Restoration The chapters offer a kaleidoscope of approaches and interpretations of the Restoration that showcase the strengths of the most recent interpretative trends in history writing on Japan while simultaneously offering new research pathways On a scale probably never before seen in the study of the Restoration outside Japan the short chapters in this volume reveal unique aspects of the transformative event and process not previously explored in previous research They do this in three core ways through selecting and deploying different time frames in their historical analysis by creative experimentation with different spatial units through which to ascertain historical experience and by innovative selection of unique and highly original topics for analysis The volume offers students and teachers of Japanese history modern history and East Asian studies an important resource for coming to grips with the multifaceted nature of Japan's nineteenth century transformation The volume will also have broader appeal to scholars working in fields such as early modern modern world history global history Asian modernities gender studies economic history and postcolonial studies *How Dark Is My Flower* Leith Morton, 2023-01-30 The poetry of Yosano Akiko covers all the many and varied aspects of the experience of love from early romantic encounters between the lover and beloved to the intimate pleasures of mutual infatuation and then true love The journey outlined in Akiko's verse also grapples with jealousy and unrequited passion as Akiko's poem narrative treats the rivalry between herself and her best friend the poet Yamakawa Tomiko for the affection of the dashing young literary lion Yosano Tekkan who later became Akiko's husband Thus *How Dark Is My Flower* Yosano Akiko and the Invention of Romantic Love tells a number of stories a real life romance unfolds in the poetry of these three poets examined in the book as well as the story of the journey from romanticism to modernism undertaken by early 20th century Japanese poetry *How Dark Is My Flower* emphasizes the astonishing innovations in diction and style not to mention content in Akiko's work that transformed the tanka genre from a hidebound and conservative mode of verse to something much more daring and modern This book pays particular attention to poetry particularly the tanka genre in the evolution of modernism in Japanese literature and breaks new ground in the

study of modern Japanese literature by examining the invention and evolution of the concept of romantic love *The Drama of Complaint* Emily Shortstef, 2023 The first book length study of complaint in Shakespearean drama arguing that poetic forms of complaint expressions of discontent and unhappiness operate as sites of thought about human flourishing and that Shakespearean configurations of these forms of complaint in theatrical scenes model new ways of thinking about ethical subjectivity Philosophy as a Literary Art Costica Bradatan, 2016-04-14 Despite philosophers growing interest in the relation between philosophy and literature in general over the last few decades comparatively few studies have been published dealing more narrowly with the literary aspects of philosophical texts The relationship between philosophy and literature is too often taken to be literature as philosophy and very rarely philosophy as literature It is the dissatisfaction with this one sidedness that lies at the heart of the present volume Philosophy has nothing to lose by engaging in a serious process of literary self analysis On the contrary such an exercise would most likely make it stronger more sophisticated more playful and especially more self reflexive By not moving in this direction philosophy places itself in the position of not following what has been deemed since Socrates at least the worthiest of all philosophical ideals self knowledge This book was originally published as a special issue of *The European Legacy* **India in the Persian World of Letters** Arthur Dudley, 2022 This book traces the development of philology the study of literary language in Persian tradition in India focusing socio political ramifications and provides an intellectual biography of rz an innovative and influential eighteenth century scholar and poet in India **French Symbolist Poetry and the Idea of Music** Joseph Acquisto, 2017-03-02 What role did music play in the creation of a new aesthetics of poetry in French from the 1860s to the 1930s How did music serve as an unassimilable other against which the French symbolist poets crafted a new poetics And why did music gradually disappear from early twentieth century poetic discourse These are among the questions Joseph Acquisto poses in his lively study of the ways in which Baudelaire Mallarmé Ghil and Roy re question the nature and function of the lyric through an ever shifting set of intertextual and cultural contexts Rather than focusing on musicality in verse the author addresses the consequences of choosing music as a site of dialogue with poetry Acquisto argues that memory plays an under acknowledged yet vital role in these poets rewriting of symbolist poetics His reading of their interactions and his focus on both major and neglected poets exposes the myth of a small handful of great authors shaping symbolism while a host of disciples propagated the tradition Rather Acquisto proposes the multiplicity of authors writing and rewriting symbolism invites a dialogic approach to the poetics of the period Moreover music as theorized rather than performed or heard serves as a privileged mobile space of poetic creation and dialogue for these poet critics it is through engagement with music supposedly the purest or most abstract of the arts that one can retrace the textual and cultural transformations accomplished by the symbolist tradition By extension these poets rethinking of poetics is an occasion for present day critics to re examine assumptions not only about the intersections of music and poetry and our understanding of symbolist poetics but also about the role that the

aesthetic implicitly plays in the creation preservation or reshaping of cultural memory *The Cambridge Companion to Modernist Poetry* Alex Davis, Lee M. Jenkins, 2007-07-19 This Companion offers the most comprehensive overview available of modernist poetry its forms its major authors and its contexts The first part explores the historical and cultural contexts and sexual politics of literary modernism and the avant garde The chapters in the second part concentrate on individual authors and movements while the concluding part offers a comprehensive overview of the early reception and subsequent canonisation of modernist poetry As well as insightful readings of canonical poets the Companion features extended discussions of poets whose importance is now being increasingly recognised such as Mina Loy poets of the Harlem Renaissance and postcolonial poets in the Caribbean Africa and India While modernist poets are often thought of as difficult these essays will help students to understand and enjoy their experimental playful and fascinating responses to contemporary social and cultural change and their dialogue with the arts and with each other
