The Minimum Dwelling Revisited Aristotle Kallis, 2023-10-05 This book provides an intellectual history of the modernist minimum dwelling exploring how early modernism saw mass housing as a primary vehicle for achieving the utopian transformation of society It reappraises the often overlooked 2nd and 3rd CIAM conferences 1929 31 addressing their engagement with the minimum dwelling and revealing them both as milestones in the organisation's annals and as seminal moments in the history of interwar modernism In 1929 an eclectic international group of avant garde modernist architects including Ernst May Mart Stam Walter Gropius and Le Corbusier met in Frankfurt for the second instalment of the CIAM conferences They discussed a design programme for cost effective good quality housing seeking new approaches and processes to maximize quality and functionality while ensuring affordability for the wider population In exploring the meaning and form of the minimum dwelling they also re defined dwelling as the hub of a new way of living proposing a revolutionary multi scalar approach to urban design based on the concept of the Existenzminimum optimally minimal housing Despite the two conferences falling short of the organizer's expectations and being overshadowed by later instalments the participating architects sanctioned a semantic shift from minimum as bare necessity to a very different aspirational kind of minimalism transforming the entire

conversation on mass low cost dwelling in design social and ethical terms Split into two parts The Minimum Dwelling Revisited first takes a genealogical approach to explore the provenance of the concept of minimum dwelling prior to the 2nd and 3rd CIAM conferences it then traces the proceedings of the two conferences themselves Addressing the origins of the minimum dwelling concept but also its legacies and serving as a corrective to the overemphasis on 4th CIAM conference and the Athens Charter the book is essential reading for scholars researching urban design during the Interwar period
