MODERN AMERICAN ENGLISH

Modern American English

Bryan A. Garner

Modern American English:

Modern American English Robert James Dixon, Eugene J. Hall, 1992-08-01 Modern American English is a six level course that takes young adult and adult learners from beginning to advanced proficiency in English Careful structure and vocabulary control make this series suitable even for absolute beginners Student books cover the themes of home work school U S people and culture careers and science and industry A workbook and audio program at each level reinforce all material introduced in the student book An easy to read format along with simple learning techniques fully explained in each teaching edition make Modern American English a manageable teaching tool for a variety of classrooms situations

Garner's Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved *Garner's Modern American Usage* Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors *Modern American Usage* Wilson Follett, 1966 A classic since its first edition in 1966 Modern American Usage has been called a book that every literate American ought to read Now fully revised and brought up to date this one volume course in good writing brims with helpful answers large and small for readers who want to use English clearly naturally and correctly Alphabetical for easy consulting and full of cross references the book carries the reader to the entry that explains a troublesome word or phrase and shows how to use or avoid it Every page offers natural ways to avoid saying or writing the vague the long winded the needlessly technical and the hopelessly stale With verve and eloquence Erik Wensberg spears the empty words that clog clear thought impact frustrated basically and many more and offers us good English words that are definite and have more life Offering standards by which to judge language now and in the future Modern American Usage takes account of a generation of changes in American idiom and of attempts to reform the use of pronouns titles and phrases to fit shifting ideals of social justice All this it does with easy learning and with sympathy alike for the experienced writer and for those who come new to American English **Modern American English Skillbooks** Robert James Dixon, 1974-01-01

Modern American English Lolita Dixon, Eugene Hall, 1991-10-01 The six levels of the Modern American English series offer a step by step progression from repetition to practice to use with carefully controlled structure and vocabulary natural conversational language conversation practice and thematically organized lessons In addition to the Student Books the series includes Workbooks activities that reinforce writing reading and speaking practice Teacher s Manuals step by step instructions in the margins next to the Student Book pages Audiocassettes narratives readings dialogues exercises and pronunciation drills from the Student Books Testing Package a placement test and diagnostic tests for each level Modern American English, Workbook 1 Robert James Dixon, 1973 *Modern American English New Edition Book 2* , 1984
