## **Modern Authoritarianism:**

Modern Middle East Authoritarianism Nouredine Jebnoun, Mehrdad Kia, Mimi Kirk, 2013-07-31 While the Arab uprisings have overturned the idea of Arab exceptionalism or the acceptance of authoritarianism better analysis of authoritarianism's resilience in pre and post uprising scenarios is still needed Modern Middle East Authoritarianism Roots Ramifications and Crisis undertakes this task by addressing not only the mechanisms that allowed Middle Eastern regimes to survive and adapt for decades but also the obstacles that certain countries face in their current transition to democracy This volume analyzes the role of ruling elites Islamists and others as well as variables such as bureaucracy patronage the strength of security apparatuses and ideological legitimacy to ascertain regimes life expectancies and these factors post uprisings repercussions Discussing not only the paradigms through which the region has been analyzed but also providing in depth case studies of Tunisia Egypt Libya Algeria Saudi Arabia Iraq and Iran the authors arrive at critical conclusions about dictatorship and possibilities for its transformation Employing diverse research methods including interviews participant observation and theoretical discussions of authoritarianism and political transition this book is essential reading for scholars of Middle East Studies Islamic Studies and those with an interest in the governance and politics of the Middle East *The Rise of Authoritarianism* Gary Wiener, 2019-07-15 Due to factors such as income inequality and multiculturalism liberal democracies have weakened considerably in the last quarter century Democratic ideals have retreated in Venezuela the Philippines Hungary Russia and Poland Many worry that they're on the decline in such bastions of democracy as western Europe and the United States where fear and distrust of the status quo has opened the door to authoritarian leaders Is there any hope of getting back to the prosperity and freedom of the mid twentieth century The viewpoints in this enlightening resource tackle this complex topic from a broad range of perspectives Authoritarianism, Fascism, and National Populism Gino Germani, 2019-11-14 This definitive contribution to social science literature describes German's general theory of authoritarianism in modern society and applies it to authoritarian movements and regimes likely to merge out of the social mobilization of the middle and lower classes Germani analyzes the nature conditions and determinants of authoritarianism in the context of Latin American political and social developments and compares it to European fascist movements **Modern Free Society and Its Nemesis** Milan Zafirovski, 2007-01-01 Modern Free Society and Its Nemesis explores whether and to what extent conservatism represents a negation to free society and liberty in Western countries **Encyclopedia of Government and Politics** M. E. Hawkesworth, Maurice Kogan, 1992 This international Encyclopaedia provides a balanced comprehensive account of contemporary trends in world regional and nation state government and politics In 84 in depth essays in two scholarly volumes it captures the global changes both theoretical and factual of the past three decades to give an unprecedented overview of political science and political affairs on the eve of the new century An essential resource the Encyclopaedia of Government and Politics provides accessible authoritative coverage of the disciplines examining for

example political theory processes and behaviour policy making pressure groups contemporary ideologies international relations and major issues in world affairs such as nationalism arms control and disarmament human rights and democratisation Written by experts in each field the entries analyse traditional approaches including access to non Western sources assess recent developments and chart the directions for future research each topic includes extensive bibliographies and suggestions for further reading The volumes are introduced and placed in context in an essay by Mary Hawkesworth which advances the conceptual treatment of political science to a new level The articles which follow are thematically arranged under nine main headings Political Theory Central Concepts Contemporary Ideologies Contemporary Political Systems Political Institutions Political Forces and Political Processes Centripetal and Centrifugal Forces in the Nation State Policy Making and Policies International Relations and Major Issues in Contemporary Politics Key Features 84 in depth essays provide a current balanced guide to international government and politics Prestigious editors lead a worldwide team of specialists in each field Clearly and incisively written to meet the needs of students lecturers and practitioners at all levels Helpful bibliographies of new and classic material and suggestions for further reading Extensive index of Topics and People

*Authoritarianism, National Populism and Fascism* Gino Germani, 2021-07-23 This definitive contribution to social science literature describes German s general theory of authoritarianism in modern society and applies it to authoritarian movements and regimes likely to merge out of the social mobilization of the middle and lower classes Germani analyzes the nature conditions and determinants of authoritarianism in the context of Latin American political and social developments and compares it to European fascist movements New Authoritarianism Jerzy J. Wiatr, 2019-01-14 The authors deal with comparative aspects of contemporary authoritarianism Authoritarian tendencies have appeared in several old democracies but their main successes take place in several states which departed from dictatorial regimes recently The book contains case studies of contemporary Hungarian Kenyan Polish Russian and Turkish regimes

*Research Handbook on Authoritarianism* Natasha Lindstaedt, Jeroen J.J. den Bosch, 2024-03-14 This Research Handbook provides a comprehensive overview of the latest knowledge on authoritarian regimes Combining quantitative research and in depth case studies it not only provides novel insight into past and current dictatorships but also forecasts potential new developments in authoritarian politics

Democratic and Authoritarian Political Systems in 21st Century World Society Anna L. Ahlers, Damien Krichewsky, Evelyn Moser, Rudolf Stichweh, 2021-03-05 This book is about the radical novelty of modern politics in a functionally differentiated world society Premodern states were at the apex of a stratified hierarchical society They dominated society and all its groups and strata Modern politics have to be understood through the ecology of relations among different function systems They have to find and incessantly redefine their place in society They produce decisions that are collectively binding but in preparing these decisions experience constraints and knowledge deficiencies that are related to the complexity of a functionally differentiated society The book concentrates on six analytical perspectives that

reflect how modern polities are embedded into 21st century society These perspectives are the concept of inclusion and the inclusion revolution constitutive of modern polities the internal differentiation of polities that endows them with an unprecedented complexity the fact that polities do not know anything about society and the ways in which they compensate for this representation and responsiveness as strategies to reconnect with society the self restriction of some polities that brings about ever new autonomous expert organizations the symmetrical rise of autocracies and democracies as the two modern variants of political regimes

*Governance and Political Adaptation in Fragile States* John Idriss Lahai, Karin von Strokirch, Howard Brasted, Helen Ware, 2018-07-21 The book examines the various ways that fragile states or states with limited statehood in Africa Asia the Pacific and the Americas have adopted and adapted to the processes of liberal political governance in their quests to address the problem of political fragility It presents the stories of resilience in the political adaptation to Western liberal conceptions of governance In addition to singular or comparative country case studies this project also examines the interplay of culture identities and politics in the creation of people centric governance reforms Towards these ends this volume sheds light on weak states often constructive engagement in the promotion of state governance with a variety of political conditions adverse or otherwise and their ability to remain resilient despite the complex political sociocultural and economic challenges affecting them Through a multidisciplinary approach the authors aim to counter the noticeable shortcomings in the discursive representations of fragility and to contribute a more balanced examination of the narratives about and impact of political adaption and governance in people s lives and experiences

Illiberal Constitutionalism in Poland and Hungary Tímea Drinóczi, Agnieszka Bień-Kacała, 2021-09-15 This book theorizes illiberal constitutionalism by interrogation of the Rule of Law democratic deterioration and the misuse of the language and relativization of human rights protection and its widespread emotional and value oriented effect on the population The work consists of seven Parts Part I outlines the volume s ambitions and provides an introduction Part II discusses the theoretical framework and clarifies the terminology adopted in the book Part III provides an in depth insight into the constitutional identity of Poles and Hungarians and argues that an unbalanced constitutional identity has been moulded throughout Polish and Hungarian history in which emotional traits of collective victimhood and collective narcissism and a longing for a charismatic leader have been evident Part IV focuses on the emergence of illiberal constitutionalism and based on both quantitative and qualitative analyses argues that illiberal constitutionalism is neither modern authoritarianism nor authoritarian constitutionalism This Part contextualizes the issue by putting the deterioration of the Rule of Law into a European perspective Part V explores the legal nature of illiberal legality when it is at odds and in compliance with the European Rule of Law illiberal democracy focusing on electoral democracy and legislative processes and illiberalization of human rights Part VI investigates whether there is a clear pattern in the methods of remodeling or distancing from constitutional democracy how it started consolidated and how its results are maintained The final Part presents the author s

conclusions and looks to the future The book will be an invaluable resource for scholars academics and policy makers interested in Constitutional Law and Politics      **Authority in the Modern State** Harold Joseph Laski,1919 This volume is some sort the sequel to a book on the problem of sovereignty which I published in March 1917 Preface      **The Military in Post-Revolutionary Iran** Hesam Forozan,2015-10-14 Iran s Revolutionary Guard Corps also known as the Sepah has wielded considerable and increasing power in Iran in recent decades Established in 1979 by Ayatollah Khomeini as a paramilitary organisation charged with protecting the nascent Islamic regime and countering the untrustworthy Imperial army or Artesh the Sepah has evolved into one of the most powerful political ideological military and economic players in Iran over recent years The Sepah is entrusted with a diverse set of indoctrination apparatus training programmes and system welfare provisions intended to broaden support for the regime Although established as a paramilitary organisation the Sepah developed to have its own ministry complex bureaucracy and diversified functions alongside its own network and personnel This book provides a comprehensive overview of the Sepah and its role It examines the position of the Sepah in Iranian state and society explores the nature of the Sepah s involvement in politics and discusses the impact of the Sepah s political rise on Iran s economy and foreign policy Contemporary Iran can only be fully understood by an awareness of the ongoing in fighting among regime factions and increasing popular demands for social change knowing about the Sepah is central to all this

What Is Post-Modern Conservatism Matthew McManus,2020-01-31 What is post modern conservatism How it has come to dominate the political landscape in many developed countries Edited by Matt McManus Professor of Politics and International Relations at the University of Tec de Monterrey What Is Post Modern Conservatism touches on how technological economic and social transformations of the post modern epoch have brought about a political landscape where the irrational and traditionalist aspects of conservative thought have mutated into the hugely tremendous forms we see today With contributory essays from Dylan De Jong Erik Tate Borna Radnik David Hollands and Conrad Hamilton      **Authority in the Modern State (Works of Harold J. Laski)** Harold J. Laski,2014-10-30 As a sequel to Studies in the Problem of Sovereignty this volume originally published in 1919 expands Laski s pluralist doctrine of the state using France as its reference but covers rather broader ground since its main object is to insist that the problem of sovereignty is only a special case of the problem of authority The result is a positive constructive analysis of politics and the theory of the state which examines the division and organisation of power the limitations of power and the significance of freedom the political theory of Bonald the revival of traditionalism and the role of the Church and the Civil Service      **Authoritarian Party Systems: Party Politics In Autocratic Regimes, 1945-2019** Grigorii V Golosov,2022-01-18 After the gradual slowing down of the third wave of democratization electoral authoritarianism is rapidly emerging as a dominant form of contemporary autocracy Political parties play a key role within the political and institutional structures of electoral autocracies Pro regime parties provide the dictatorial executive with electoral and legislative tools of sustaining power At the same time permitted

opposition parties while normally incapable of challenging the regime are important for regime sustainability because they perform such vital functions as co-opting actual or potential opposition groups facilitating power sharing and mobilizing electoral participation. The interactions among the dominant parties and the permitted opposition parties if displaying sustainable cross-temporal patterns constitute authoritarian party systems. *Authoritarian Party Systems* provides a theoretical discussion of electoral authoritarianism with special reference to authoritarian party systems a methodological overview of party system research with special reference to the problems caused by the authoritarian nature of the observed party systems a comprehensive cross-regional and historical overview of authoritarian party systems a quantitative analysis of their structural characteristics including fragmentation party system format volatility and nationalization and in-depth discussions of the political regime determinants of authoritarian party systems and of the interplay between party systems and other components of the authoritarian institutional order. Quantitative analysis has been performed on an original database comprising cases of party structured authoritarian regimes between 1945-2019. This content of the book is illustrated by case studies drawn from across the spectrum of contemporary authoritarian regimes.

*Encyclopedia of Modern Political Thought (set)* Gregory Claeys, 2013-08-20. This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post-modernism and post-structuralism. *Encyclopedia of Modern Political Thought* is a two-volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries. It profiles major and minor political thinkers and the national traditions both Western and non-Western which continue to shape and divide political thought. More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political thought Japanese political thought and more. Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more. The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more. Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion. Notable time periods of political thought since 1750. Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state. Theorists and political intellectuals both Western and non-Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft.

**Comparative Politics**

Daniele Caramani, 2017 With an unparalleled amount of empirical material this is the most comprehensive introduction to comparative politics written by the leading experts in the field      **Arbitrary States** Rebecca Tapscott, 2021 This book places literature on the post colonial African state in conversation with literature on modern authoritarianism The book presents an original framework institutionalized arbitrariness to explain how modern authoritarian rulers project arbitrary power even in environments of relatively functional state institutions and rule of law      The Philosophy of Karma | Understanding the Modern Working Class | Learn How Society Works Dr Ajaypal Kalyan, 2025-01-06 The history of civilization often celebrates empires and leaders but what about the untold stories of those who built the foundations of society the working class This groundbreaking book takes a deep dive into the struggles sacrifices and resilience of ordinary people In today's world of economic inequality and corporate greed learn how power manipulates duty and morality to exploit the masses Blending historical insight with contemporary relevance it unearths stories of courage and collective action from India and beyond offering a fresh perspective on social development Using case studies of working class movements The Philosophy of Karma explores the nature of humanity's struggle for equality and justice It not only challenges readers to rethink the structures of power but also to reflect on their role in promoting change and draw inspiration from those who have dared

## Modern Authoritarianism Introduction

Modern Authoritarianism Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Modern Authoritarianism Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Modern Authoritarianism : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Modern Authoritarianism : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Modern Authoritarianism Offers a diverse range of free eBooks across various genres. Modern Authoritarianism Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Modern Authoritarianism Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Modern Authoritarianism, especially related to Modern Authoritarianism, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Modern Authoritarianism, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Modern Authoritarianism books or magazines might include. Look for these in online stores or libraries. Remember that while Modern Authoritarianism, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Modern Authoritarianism eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Modern Authoritarianism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Modern Authoritarianism eBooks, including some popular titles.

## FAQs About Modern Authoritarianism Books

**What is a Modern Authoritarianism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern Authoritarianism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern Authoritarianism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern Authoritarianism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern Authoritarianism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
