Deborah Simonton

Modern Britain A Social History 1750 1985:

Modern Britain Edward Royle,1987-01-01 A Social History of England 1851-1990 Francois Bedarida,2013-06-17 In this the second edition of A Social History of England Francois B darida has added a new final chapter on the last fifteen years The book now traces the evolution of English society from the height of the British Empire to the dawn of the single European market Making full use of the Annales school of French historiography B darida takes his inquiry beyond conventional views to penetrate the attitudes behaviour and psychology of the British people **British Economic and Social History** R. C. Richardson,William Henry Chaloner,1996 **Mastering Modern British History** Norman Lowe,2017-09-16 The new edition of this best selling text includes a new section on the final years of the Labour government after Blair s resignation and a new chapter on the subsequent Coalition and Conservative governments It is the ideal companion for students taking a first level course in modern British History as well as for undergraduates in history

Education in Britain, 1750-1914 W B Stephens,1999-01-18 This concise study covers the development of education throughout Great Britain from the Industrial Revolution to the Great War a period in which urbanization industrialization and population growth posed huge social and political problems and education became one of the fiercest areas of conflict in society *British History 1815-1914* Norman McCord,Bill Purdue,A. William Purdue,2007 This fully revised and updated new edition extended to cover the period up to 1914 provides the ultimate introduction to British history between the end of the Napoleonic Wars and the outbreak of the First World War *Longman Companion to Britain Since 1945* Chris Cook,John Stevenson,2014-09-09 This timely new edition of the Longman Companion to Britain since 1945 compiled by the series editors themselves provides a wide ranging compendium of key facts and figures on British history from the start of the landmark Attlee government in 1945 to the final years of the 1990s The book embraces all major aspects of British history government and society reflecting the massive social political and economic changes that have transformed the face of Britain since the end of the Second World War Fully revised and updated this new edition covers the advent of Tony Blair the electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain This book will be invaluable to anyone interested in the history and politics of post war Britain from students and teachers to party activists and lovers of reader friendly reference books **Talking Proper** Lynda Mugglestone,2003 Talking Proper is a history of the rise and fall of the English accent as a badge of cultural social and class identity Lynda Mugglestone traces the origins of the phenomenon in late eighteenth century London follows its history through the nineteenth and twentieth centuries and charts its downfall during the era of New Labour This is a witty readable account of a fascinating subject liberally spiced with quotations from English speech and writing over the past 250 years **A Kingdom on Earth** Paul T. Phillips,1996-02-01 Social Christianity was a major force in the life of the United States Canada and Britain for more than sixty years beginning in the closing decades of the Victorian age As a tide of concern swept through Protestantism in the face

of mounting social ills Social Gospelers and Christian Socialists urged a less competitive more compassionate society They pioneered in many fields of modern social science and actively engaged in social work and party politics In *A Kingdom on Earth* Paul T Phillips provides an unusually broad view of the movement from both sides of the Atlantic He is also unique in carrying the story up to 1940 thereby tying Social Christianity to the origins of the welfare state Using a wide range of sources *A Kingdom on Earth* places the activities of Social Christians firmly in the social and cultural contexts of the day Phillips's analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves In spite of these worldly aspects however Phillips finds that the inspiration and essence of the movement were essentially religious

The Mid-Victorian Generation K. Theodore Hoppen, 2000-06-30 This the third volume to appear in the *New Oxford History of England* covers the period from the repeal of the Corn Laws to the dramatic failure of Gladstone's first Home Rule Bill In his magisterial study of the mid Victorian generation Theo Hoppen identifies three defining themes The first he calls established industrialism the growing acceptance that factory life and manufacturing had come to stay It was during these four decades that the balance of employment shifted irrevocably For the first time in history more people were employed in industry than worked on the land The second concerns the multiple national identities of the constituent parts of the United Kingdom Dr Hoppen's study of the histories of Ireland Scotland Wales and the Empire reveals the existence of a variety of particular and overlapping national traditions flourishing alongside the increasingly influential structure of the unitary state The third defining theme is that of interlocking spheres which the author uses to illuminate the formation of public culture in the period This he argues was generated not by a series of influences operating independently from each other but by a variety of intermeshed political economic scientific literary and artistic developments This original and authoritative book will define these pivotal forty years in British history for the next generation

Life history and the Irish migrant experience in post-war England Barry Hazley, 2020-02-11 What role does memory play in migrants' adaption to the emotional challenges of migration How are migrant selfhoods remade in relation to changing cultural myths This book the first to apply Popular Memory Theory to the Irish Diaspora opens new lines of critical enquiry within scholarship on the Irish in modern Britain Combining innovative use of migrant life histories with cultural representations of the post war Irish experience it interrogates the interaction between lived experience personal memory and cultural myth to further understanding of the work of memory in the production of migrant subjectivities Based on richly contextualised case studies addressing experiences of emigration urban life work religion and the Troubles in England chapters shed new light on the collective fantasies of post war migrants and the circumstances that formed them as well as the cultural and personal dynamics of subjective change over the life course At the core of the book lie the processes by which migrants recompose the self as part of ongoing efforts to adapt to the transition between cultures and places Life

history and the Irish migrant experience offers a fresh perspective on the significance of England's largest post war migrant group for current debates on identity and difference in contemporary Britain Integrating historical cultural and psychological perspectives in an innovative way it will be essential reading for academics and students researching modern British and Irish social and cultural history ethnic and migration studies oral history and memory studies cultural studies and human geography *Charles Knight* Valerie Gray, 2017-11-30 Charles Knight Educator Publisher Writer is the first modern book length study of this important nineteenth century educational reformer author and publisher Though he made significant contributions during his lifetime to the cause of popular education providing inexpensive but quality reading material for the newly literate working classes Knight has been largely ignored by scholars This neglect the author suggests may be related to Knight's association with the controversial Society for the Diffusion of Useful Knowledge and to the use scholars make of Knight's Penny Magazine and his two volumes on political economy to support their arguments on theories of social control and other issues The author argues that Knight's reputation has suffered as a result She reexamines the evidence to offer fresh assessments of Knight's life and work that illuminate his genuine achievements She concludes with an evaluation of Knight's role as an innovative publisher who used the latest techniques to provide the emerging mass readership with unique combinations of text and image in his many pictorial books and periodicals **Slavery in Small Things** James

Walvin, 2017-01-30 Slavery in Small Things Slavery and Modern Cultural Habits is the first book to explore the long range cultural legacy of slavery through commonplace daily objects Offers a new and original approach to the history of slavery by an acknowledged expert on the topic Traces the relationship between slavery and modern cultural habits through an analysis of commonplace objects that include sugar tobacco tea maps portraiture print and more Represents the only study that utilizes common objects to illustrate the cultural impact and legacy of the Atlantic slave trade Makes the topic of slavery accessible to a wider public audience **Understanding Post-War British Society** Peter Catterall, James

Obelkevich, 2002-11-01 Too many sociology textbooks begin and end with how society is structured To understand how society operates it is necessary to explore not only its constituent structures and relationships but how these structures emerge and why changes occur within them By bringing together a group of distinguished sociologists and social historians this book critically appraises the usefulness of current theories in advancing our understanding of contemporary society It explores British society as dynamic and developing In the process the authors draw our attention to the fact that society is shaped not just by social policy and structures but by how far these influence people's life patterns attitudes experience and conduct Celia Brackenridge Cheltenham Gloucester College of Higher Education Joan C Brown Robert G Burgess University of Warwick Rosemary Crompton University of Kent John Curtice University of Str *A History of European Women's Work* Deborah Simonton, 2002-09-11 The work patterns of European women from 1700 onwards fluctuate in relation to ideological demographic economic and familial changes In *A History of European Women's Work* Deborah Simonton draws together

recent research and methodological developments to take an overview of trends in women's work across Europe from the so called pre industrial period to the present Taking the role of gender and class in defining women's labour as a central theme Deborah Simonton compares and contrasts the pace of change between European countries distinguishing between Europe wide issues and local developments Youth Crime and Justice Barry Goldson, John Muncie, 2015-03-10 Building upon the success of the first edition this second and substantially revised edition of Youth Crime and Justice comprises a range of cutting edge contributions from leading national and international researchers The book Situates youth crime and youth justice within historical and social structural contexts Critically examines policy and practice trends and their relation to knowledge and evidence and Presents a forward looking vision of a rights compliant youth justice with integrity An authoritative and accessible book Youth Crime and Justice 2nd ed provides a coherent comprehensive and fully up to date analysis of contemporary developments and debates A must for researchers teachers students and practitioners *Forest Policies and Social Change in England* Sylvie Nail, 2008-05-08 Forestry has been witness to some dramatic changes in recent years with several Western countries now moving away from the traditional model of regarding forests merely as sources of wood Rather these countries are increasingly recognizing their forests as multi purpose resources with roles which go far beyond simple economics In this innovative book Sylvie Nail uses England as a case study to explore the relationships between forests society and public perceptions raising important questions about forest policy and management both now and in the future Adopting a sociological approach to forest policy and management the book discusses the current validity of the two principles underlying forestry since the Middle Ages first that forestry should only exist when no better use of the land can be made and second that forestry itself should be profitable The author stresses how values and perceptions shape policies and conversely how policies can modify perceptions and also how policies can fail if they do not take perceptions into account She concludes that many of the issues facing English forestry in the 21st century from leisure health and amenity provision through education and rural as well as urban regeneration to biodiversity conservation go well beyond both national borders and the scope of forestry Indeed forestry in the 21st century seems to be less about planting and managing trees than about being a vector and a mirror of social change This novel synthesis provides a valuable resource for advanced students and researchers from all areas of natural resource studies including those interested in social history socio economics cultural geography and environmental psychology as well as those studying landscape ecology environmental history policy analysis and natural resource management **Poverty Amidst Prosperity** Carl Chinn, 1995 Demonstrates how people reacted to poverty and highlights their coping strategies **From New Towns to Green Politics** Dennis Hardy, 2003-12-16 From the 1940s to the 1990s From New Towns to Green Politics charts the course of successive issues and campaigns from the reconstruction of Britain's war torn cities to the introduction of green belts and new towns to regional and community planning and so to the inner cities and most recently green politics Ireland's Invasion of the World Miki

Garcia,2015-03-02 For much of Ireland s history her people have been emigrating and the Irish Diaspora today is estimated to be over 100 million people fifteen times the current population of Ireland For the most part they scattered not as colonizers but as migrants they took their culture and identity with them and made a mark on their adopted county They fought wars formed societies shaped cultures created new identities and made history This book looks at the Irish contribution to the history of all five continents recalling unsung heroes tragic tales and forgotten legacies

Reviewing **Modern Britain A Social History 1750 1985**: Unlocking the Spellbinding Force of Linguistics
