Modern Constitutional Theory John H. Garvey, Thomas Alexander Aleinikoff, 1989 **Modern Constitutional Theory** John H. Garvey, Thomas Alexander Aleinikoff, 1999 Recent Acquisitions Ohio State University. College of Law. Library, 1989 Bowker's Law Books and Serials in Print, 1995 The Rehnquist Legacy Craig Bradley, 2006 This book is a legal biography of William Rehnquist of the U S Supreme Court **Selected Acquisitions of the Library** Indiana University, Bloomington. Law Library, 1995 **American Constitutionalism** Stephen M. Griffin, 1998-07-27 Despite the outpouring of works on constitutional theory in the past several decades no general introduction to the field has been available Stephen Griffin provides here an original contribution to American constitutional theory in the form of a short lucid introduction to the subject for scholars and an informed lay audience He surveys in an unpolemical way the theoretical issues raised by judicial practice in the United States over the past three centuries particularly since the Warren Court and locates both theory and practices that have inspired dispute among jurists and scholars in historical context At the same time he advances an argument about the distinctive nature of our American constitutionalism regarding it as an instance of the interpenetration of law and politics American Constitutionalism is unique in considering the perspectives of both law and political science in relation to constitutional theory Constitutional theories produced by legal scholars do not usually discuss state centered theories of American politics the importance of institutions behaviorist research on judicial decision making or questions of constitutional reform but this book takes into account the political science literature on these and other topics The work also devotes substantial attention to judicial review and its relationship to American democracy and theories of constitutional interpretation **Cases, Text, and Problems on Federal Income Taxation** Alan Gunn, Larry D. Ward, 1992 The Law of Environmental Protection John E. Bonine, Thomas O. McGarity, 1992 Attempts to achieve a pragmatic understanding of what the statutes regulations and cases say about the law The questions and materials following the excerpts not only challenge the student to understand how the current legal regime is applied but also invite students to think about how differently the law is constructed Emphasizes the distinction between the technology based approach and the media quality based approach to improving and maintaining environmental quality Chapters are arranged largely by statute **Unfair Trade Practices and Consumer Protection** Glen E. Weston, Peter B. Maggs, Roger E. Schechter, 1992 **Property Law** Sandra H. Johnson, 1992 **Cases and Materials on the Professional Responsibility of Lawyers** John Floyd Sutton (Jr.), John S.
