Gentry Rhetoric Daniel Ellis, 2022-12 Gentry Rhetoric examines the full range of influences on the Elizabethan and Jacobean genteel classes practice of English rhetoric in daily life Daniel Ellis surveys how the gentry of late sixteenth and early seventeenth century Norfolk wrote to and negotiated with each other by employing Renaissance humanist rhetoric both to solidify their identity and authority in resisting absolutism and authoritarianism and to transform the political and social state The rhetorical training that formed the basis of their formal education was one obvious influence Yet to focus on this training exclusively allows only a limited understanding of the way this class developed the strategies that enabled them to negotiate argue and conciliate with one another to such an extent that they could both form themselves as a coherent entity and become the primary shapers of written English s style arrangement and invention Gentry Rhetoric deeply and inductively examines archival materials in which members of the gentry discuss debate and negotiate matters relating to their class interests and political aspirations Humanist rhetoric provided the bedrock of address argumentation and negotiation that allowed the gentry to instigate a political and educational revolution in seventeenth and eighteenth century England

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1969      **Bernard Shaw's and Virginia Woolf's Interior Authors** Lagretta Tallent Lenker, 2024-05-09 Virginia Woolf and Bernard Shaw may be the odd couple of Twentieth Century modernism Despite their difference in age Shaw was twenty six years older than Woolf and public demeanor Shaw sought public attention while Woolf shunned the spotlight they actively held similar convictions on most of the pressing and controversial issues of the day This book demonstrates that both engaged in social reform through the Fabian Society both took public anti war positions and paid dearly for it both fought British censorship throughout most of their careers as writers both sought to strengthen women s rights and both endeavored to revolutionize their respective art forms believing that art could bring about positive social change The main focus of the book however concerns how both

also created interior authors characters who write and who either self censor their own works or highly publicized messages or are censored by their fellow characters These fictional authors maybe considered reflections of their creators and their respective milieus and serve to illuminate the satisfactions and torments of each famous author during the writing process
