## **Modern History Of Ceylon:**

**Sri Lanka in the Modern Age** Nira Wickramasinghe, 2014-01-03 Sri Lanka in the Modern Age recounts the modern history of the island in an accessible yet unconventional manner Where other histories have tended to focus on the state's failure to accommodate the needs and demands of minority communities Wickramasinghe places their claims alongside the political social and economic demands of other communities parties associations and groups tracing their lineages to the colonial period This updated second edition carries the book into the present covering the brutal end of Sri Lanka's civil war and the making of oppressive stability that has grown in its wake Drawing on recent work as well as on her own research in the field Wickramasinghe has written above all a history of the people of Sri Lanka rather than a history of the nation state

**Sri Lanka in the Modern Age** Nira Wickramasinghe, 2006-03-31 Since the late 1970s civil war has left Sri Lanka in an almost permanent state of crisis conventional histories of the country by liberal and Marxist scholars in the last two decades have thus tended to focus on the state's failure to accommodate the needs and demands of the minorities The entire history of the twentieth century has been tied to this one key issue Sri Lanka in the Modern Age offers a fresh perspective based on new research Above all the author has written a history of the peoples of Sri Lanka rather than a history of the nation state

**A History of Sri Lanka** K M de Silva, 2005-08-25 Sri Lanka is an ancient civilization shaped and thrust into the modern globalizing world by its colonial experience With its own unique problems many of them historical legacies it is a nation trying to maintain a democratic pluralistic state structure while struggling to come to terms with separatist aspirations This is a complex story and there is perhaps no better person to present it in reasoned scholarly terms than K M de Silva Sri Lanka's most distinguished and prolific historian A History of Sri Lanka first published in 1981 has established itself as the standard work on the subject This fully revised edition in light of the most recent research brings the story right up to the early years of the twenty first century The book provides comprehensive coverage of all aspects of Sri Lanka's development from a classical Buddhist society and irrigation economy to its emergence as a tropical colony producing some of the world's most important cash crops such as cinnamon tea rubber and coconut and finally as an Asian democracy It is a study of the political vicissitudes of Sri Lanka's ancient civilization and the successive phases of Portuguese Dutch and British colonial rule The unfortunate consequences of becoming a centre of ethnic tension and Sri Lanka's long standing relationship with India are also discussed Exhaustively researched and analytical this book is an invaluable reference source for students of ancient colonial and post colonial societies ethnic conflict and democratic transitions as well as for all those who simply want to get a feel of the rich and varied texture of Sri Lanka's long history

**Historical Dictionary of Sri Lanka** Patrick Peebles, 2015-10-22 Sri Lanka has had a celebrated history a long colonial past and since independence in 1948 has passed through a series of crises and political experiments It has had a remarkable record of voters turning out unpopular governments often by sweeping margins On 8 January 2015 voters again performed this feat when Maithripala Sirisena

representing a coalition of disparate parties defeated Mahinda Rajapaksa for the presidency Rajapaksa was turning the nation away from its democratic heritage towards authoritarianism and militarism Independent Sri Lanka's economy stagnated for decades before it began to grow in the 1980s It has had significant economic growth since the end of the 26 year war against the separatist Liberation Tigers of Tamil Eelam LTTE in 2009 Although reconciliation between the Sinhalese Buddhist majority and Hindu Muslim and Christian minorities seems distant prospects for Sri Lanka seem better than they have been for decades The Historical Dictionary of Sri Lanka contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Sri Lanka

**Historical Dictionary of Sri Lanka** S. W. R. de A. Samarasinghe, Vidyamali Samarasinghe, 1998 An introduction to Sri Lanka's geography people early history foreign rule independence and modern history is followed by a dictionary covering the people places and events that have shaped the country Includes a detailed chronology statistical tables graphs appendixes and a detailed bibliography Annotation copyrighted by Book News Inc Portland OR

*From Coffee to Tea Cultivation in Ceylon, 1880-1900* Roland Wenzlhuemer, 2008-02-28 In the early 1880s a disastrous plant disease diminished the yields of the hitherto flourishing coffee plantation of Ceylon Coincidentally world market conditions for coffee were becoming increasingly unfavourable The combination of these factors brought a swift end to coffee cultivation in the British crown colony and pushed the island into a severe economic crisis When Ceylon re emerged from this crisis only a decade later its economy had been thoroughly transformed and now rested on the large scale cultivation of tea This book uses the unprecedented intensity and swiftness of this process to highlight the socioeconomic interconnections and dependencies in tropical export economies in the late nineteenth century and it shows how dramatically Ceylonese society was affected by the economic transformation

**Sri Lanka at the Crossroads of History** Zoltán Biedermann, Alan Strathern, 2017-06-07 The peoples of Sri Lanka have participated in far flung trading networks religious formations and Asian and European empires for millennia This interdisciplinary volume sets out to draw Sri Lanka into the field of Asian and Global History by showing how the latest wave of scholarship has explored the island as a crossroads a place defined by its openness to movement across the Indian Ocean Experts in the history archaeology literature and art of the island from c 500 BCE to c 1850 CE use Lankan material to explore a number of pressing scholarly debates They address these matters from their varied disciplinary perspectives and diverse array of sources critically assessing concepts such as ethnicity cosmopolitanism and localisation and elucidating the subtle ways in which the foreign may be resisted and embraced at the same time The individual chapters and the volume as a whole are a welcome addition to the history and historiography of Sri Lanka as well as studies of the Indian Ocean region kingship colonialism imperialism and early modernity

**Cultural Encounters and Homoeroticism in Sri Lanka** Robert Aldrich, 2014-10-17 Ceylon or Sri Lanka was

long known to travellers for its luxuriant landscapes colourful temples and friendly inhabitants the island once named Serendip This book explores the sojourns of gay visitors from the late 1800s to the modern day providing a history of homosexuality travel and cultural encounter on the island The book offers profiles of major figures in Sri Lankan culture and of homosexual visitors both famous and infamous to the island It discusses the experiences of sojourners including the Victorian social reformer Edward Carpenter and the German naturalist Ernst Haeckel such British and American writers as Paul Bowles and Arthur C Clarke and the Australian painter Donald Friend It also pays particular attention to Lionel Wendt one of the most important modernist photographers outside Europe For these figures an erotic appreciation of young men whom they encountered mixed with interest in Sinhalese art Buddhist and Hindu spirituality and the flora and fauna of the island Their experiences influenced modern writing art and dance Cultural influences moved in both directions however and Sri Lankans also found inspiration from abroad The book argues that homosexuals played a major role in the transmission of cultural influences from Sri Lanka to the rest of the world and from the wider world to this Indian Ocean island Providing an original analysis of gay cultures in Sri Lanka from Victorian encounters to the present day this book is the first study of Sri Lanka as a site of gay travel An excellent study of trans national cultural exchange sexuality and the relationships between them it will be of interest to academics in the field of Asian Studies Colonial History and Gay and Queer Studies

**Catalogue of the University of Michigan** University of Michigan, 1967 Announcements for the following year included in some vols **University of Michigan Official Publication** , 1965 **The British Empire and the Second World War** Ashley Jackson, 2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain's imperial status Men and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten **Sri Lanka and South-East Asia** W.M.

Sirisena, 2023-09-29 **The Encyclopedia of the Sri Lankan Diaspora** Peter Reeves, 2013 Well over a million people of Sri Lankan origin live outside South Asia The Encyclopedia of the Sri Lanka Diaspora is the first comprehensive study of the lives culture beliefs and attitudes of immigrants and refugees from this island The volume is a joint publication between the Institute of South Asian Studies NUS and Editions Didier Millet It focuses on the relationship between culture and economy in the Sri Lanka diaspora in the context of globalisation increased transnational culture flows and new communication

technologies In addition to the geographic mapping of the Sri Lanka diaspora in the various continents thematic chapters include topics on long distance nationalism citizenship Sinhala Tamil and Burgher diaspora identities religion and the spread of Buddhism as well as the Sri Lankan cultural impact on other nations *Transnationalism, Education and Empowerment* Niranjana Casinader, 2017-02-03 Transnationalism Education and Empowerment challenges the prevailing notion that transnationalism is concerned fundamentally with the process of enhanced global population movement that has been allied with modern globalisation Instead it argues that transnationalism is a state of mind disassociated from the notion of place that can be observed equally in societies of the past Drawing on the context of colonial Sri Lanka and the British Empire the book discusses how education in the British Empire was the means by which some marginalised groups in colonised societies were able to activate their transnational dispositions Far from being a universal oppressor of colonised people as argued by postcolonial scholarship colonial education was capable of creating pathways to life improvement that did not exist before the European colonial period providing agency to those who did not possess it prior to colonial rule The book begins by exploring the meaning of transnationalism arguing that it needs to be redefined to meet the realities of past and current global societies It then moves on to examine the ways education was used within the period of 18th and 19th century European colonialism with a particular emphasis on Sri Lanka and other parts of the former British Empire Drawing from examples of his own family's ancestry Casinader then discusses how some marginalised groups in parts of the British Empire were able to use education as the key to unlocking their pre-existing transnational dispositions in order to create pathways for more prosperous futures Rather than being subjugated by colonial education they harnessed the educational aspects of British colonial education for their own goals This book is one of the first to contest and critically evaluate the contemporary conceptualisation of transnationalism particularly in the educational context It will be of key interest to academics researchers and postgraduate students in the fields of education the history of education imperial and colonial history cultural studies and geography *Sri Lankans' Views on English in the Colonial and Post-Colonial Eras* Dr. Subathini Ramesh, Mitali P. Wong, 2020-02-18 This book evaluates the views of different ethnic groups towards the English language in Sri Lanka for a period of almost two centuries While a few studies have addressed the subject of English in Sri Lanka in a general way there has been no research showing the specifics of English usage in the major ethnic communities of the country This text considers notions and attitudes towards English that prevail in Sri Lanka today among writers language planners teachers and students habitual speakers and infrequent users as well as elite and non-elite groups in the country The book also examines colonial and postcolonial writings in three communities namely the Sri Lankan diaspora and the Tamil and Sinhala communities *Colombo* Carl Muller, 2000-10-14 Colombo is in the throes of an explosion Its face changes continuously its vices are legion its future as yet obscure and its paths speak of sunlight as well as of shadow Carl Muller begins his quasi-fictional portrait of this beautiful war-torn city by describing the great battles fought over it by

European colonizers In AD 1505 a Portuguese fleet blown off course took shelter in Galle overthrew the local kings fortified Colombo and decided to stay The Dutch came along ousted the Portuguese made Colombo their capital and ruled till the British arrived and sent them packing Muller intersperses the tales of the past into descriptions of the battles that are being fought in Colombo today political battles in which vested interests play a major role as well as battles fought on the individual level in the struggle to survive young women and children turning to prostitution to earn an extra buck people begging in the streets to make ends meet unemployed young men turning to crime in frustration students demonstrating against atrocities lovers pining for nightfall in order to push away loneliness if only for a few moments Written in Muller's lucid style Colombo A Novel is a chronicle of a city's trials and triumphs

**Politics in Sri Lanka, 1947-1979** A. Jeyaratnam Wilson, 1979-01-01

**A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

Property Rights in Land Rosa Congost, Jorge Gelman, Rui Santos, 2016-10-04 Property Rights in Land widens our understanding of property rights by looking through the lenses of social history and sociology discussing mainstream theory of new institutional economics and the derived grand narrative of economic development As neo institutional development theory has become a narrative in global history and political economy the problem of promoting global development has arisen from creating the conditions for good institutions to take root in the global economy and in developing societies Written by a collection of expert authors the chapters delve into social processes through which property relations became institutionalized and were used in social action for the appropriation of resources and rent This was in order to gain a better understanding of the social processes intervening between the institutionalized rules of the game and their economic and social outcomes This collection of essays is of great interest to those who study economic history historical sociology and economic sociology as well as Agrarian and rural history

*Political Violence in Sri Lanka, 1971-1987* Gāmiṇi Samaranāyaka, 2008 This book is the revised version of his doctoral thesis on Political Violence in the Third World A Case Study of Sri Lanka 1971 1987 It is a systematic empirical study of the left wing insurrection by the Janatha Vimukthi Peramuna JVP in April 1971 and the ethnic insurrection by the Liberation Tigers of Tamil Eelam LTTE up to the Indo Sri Lanka Accord of 1987 This is an in depth study regarding a crucial phase of the on going political violence in Sri Lanka The book emphasizes that the root cause for the Political Violence in Sri Lanka is not only confined to ethnic groups but also on socio economic basis too The study explores the socio economic and political background that paved the way to the origin and development of underground movements the genesis of ideologies the strategies and tactics adopted leading to the escalation of political violence This book will therefore serve as a core reading material to understand the political violence in Sri Lanka Consequently it will serve as a very useful authentic reference

material for the students of political science and policy makers concerned in search of a sustainable consensus and compromise for setting the political violence in Sri Lanka Contents List of Tables Abbreviations Foreword Preface Introduction Theories on Political Violence An Analytical Framework Preconditions of Political Violence in Sri Lanka The 1971 Insurrection Precondition of Tamil Guerrilla Warfare Origin Development and Form of Guerrilla Organisations Ideologies Strategies and Programmes Pattern of Political Violence 1971 1987 Conclusion Appendices Bibliography Index The Title Political Violence In Sri Lanka written authored edited by Gamini Samaranayake published in the year 2008 The ISBN 9788121210034 is assigned to the Hardcover version of this title This book has total of pp 432 Pages The publisher of this title is Gyan Publishing House This Book is in English The subjec

Getting the books **Modern History Of Ceylon** now is not type of challenging means. You could not only going in imitation of ebook collection or library or borrowing from your contacts to way in them. This is an agreed simple means to specifically acquire guide by on-line. This online message Modern History Of Ceylon can be one of the options to accompany you similar to having further time.

It will not waste your time. put up with me, the e-book will enormously sky you supplementary business to read. Just invest little epoch to way in this on-line broadcast **Modern History Of Ceylon** as competently as review them wherever you are now.
