Modern Homosexualities Fragments Of Lesbian And Gay Experience:

Modern Homosexualities Ken Plummer, 2002-09-11 Sets the political agenda for gay and lesbian studies in the 1990s Ken Plummer is one of the leading authors in the field see previous publications Deals with practical matters families International flavour of contributors *Modern Homosexualities* Ken Plummer, 19?? Same Sex Intimacies Catherine Donovan, Brian Heaphy, Jeffrey Weeks, 2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies **Lesbian Ex-Lovers** Esther D Rothblum, Jacqueline Weinstock, 2014-06-11 We have earned a certain place in each other's lives and in the best of times we can rest on what we have made together Lesbian Ex Lovers The Really Long Term Relationships examines the need for the development of better understanding and more critical analysis of lesbian ex lover relationships This eye opening look into the minds and hearts of women offers personal insight into the possibilities for and potential pitfalls of lesbian ex lover relations This book contains personal stories fictional accounts poetry and theoretical analyses of the frequency and significance of ex lovers at different stages in a relationship Topics of interest in Lesbian Ex Lovers include the roles ex lovers play in our lives ex lovers as contexts for change and development how we continue to be influenced by ex lovers letting go and moving on ex lovers as current friends and family themes of betrayal and loss of faith reconstructing friendships and community the mystique of the ex lover friend family connections among lesbian ex lovers Rather than totally scrap a relationship we recycle it from lover to ex lover to friend in a relatively short half life Lesbian Ex Lovers is the only book in print that explores how a lesbian's ex lovers impact her subsequent romances and lifestyle This special collection adds a new dynamic to the current literature for and about the lesbian community Lesbian Ex Lovers offers advice anecdotes and interpretations from such authors poetesses and artists as Michelle Gibson PhD educator and editor of Femme Butch New Considerations of the Way We Want to Go who says goodbye to her lover in a sad passionate elegy Marny Hall Psychotherapist editor of the anthology Sexualities and author of several books including The Lavender Couch A Consumer's Guide to Psychotherapy for Lesbians and Gay Men who muses on the unique bonding between lesbians and their ex lovers lending a mystique that surrounds the lesbian lifestyle Alison Bechdel creator of the comic strip Dykes to Watch Out For who

presents a humorous comic strip thanking her former lovers for teaching her about herself Jane Fitcher newspaper reporter and author of three novels who uses a chapter in her novel to illustrate the tensions that can occur when ex lovers choose to remain friends especially when those bonds provoke jealousy in both current and ex lovers Renny Christopher educator and award winning poetess who expresses her love loss and regret in three poems about her ex lover and much more

Psychology and Sexual Orientation Janis S. Bohan, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company *Gay Men's Friendships* Peter M. Nardi, 1999-07-15 This study presents an examination of contemporary urban gay men's lives The author explores the meaning of friends to gay men how friends become a surrogate family and how sexual behaviour and attraction affect these friendships **Long Slow Burn** Kath Weston, 2013-09-13 Kath Weston's powerful collection of essays Long Slow Burn challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along To deny this one would have to overlook Kinsey's pioneering sex research in the 1950s or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality but also in the sex talk that lies at the heart of classic debates on kinship inequality cognition and other foundational topics in the social sciences What is different now Weston claims is the way sexuality has been isolated from other contemporary issues Not content with its ghettoization as a contained subfield Weston refuses to draw an artificial line around sexuality

Lesbian and Gay Studies Theo Sandfort, 2000-09-05 This book examines the definition of lesbian and gay studies when it emerged as an academic subject and its achievements and research agenda **For the Love of Women** Elisabeth Kirtsoglou, 2004-03-01 This extraordinary book opens up the strange world of the *parea* a lesbian secret society based in a small town bar outside Athens whose members meet clandestinely to drink dance and flirt Though conducting intense sexual affairs under the noses of other customers the *parea*'s members many of whom are married with children and have perfectly conventional lives by Greek standards do not identify themselves as gay and have very negative images of homosexuality Based entirely on fieldwork within the *parea* For The Love of Women weaves stories of women's lives and relationships into an intriguing and perceptive analysis **The Way Out** Sebastian Buckle, 2015-05-21 In 1957 there were over a thousand men in prison for homosexual offences A little over half a century later homosexuality is an active part of the mainstream Homosexuality has a public profile on TV in film and in literature and popular culture When did today's fairly open discourse on homosexuality begin Sebastian Buckle argues that homosexuality as a public identity began after the Second World War on the release of the Wolfenden Report which recommended gay sex be decriminalised and tells the story of homosexuality in the public eye Buckle takes us through early images of homosexuality in the 1950s the founding of the Gay Liberation Front Section 28 and community radicalism under Margaret Thatcher's government the AIDs crisis of the 1980s the expanding musical and cultural influence of gay subcultures and the resulting partial acceptance into the mainstream of queer identities The result is a complex and nuanced history of gay movements society and the media and a fresh look at how the struggle for

acceptance and equality has been fought

Lesbian Studies: Setting an Agenda Tamsin Wilton, 2002-09-11 Neither women's studies nor lesbian and gay studies offers an adequate theoretical or political base for lesbian scholarship. Lesbian Studies Setting and Agenda aim to promote lesbian studies as an academic and political approach to both gender and the erotic and to clarify the damaging influence of heterosexism across a range of disciplines. Drawing on feminism and queer theory, Tamsin Wilton argues that lesbian is a theoretical position which must be widely available in order to challenge the dominance of the heterosexual perspective. Engaging with theoretical and political debates, the book moves beyond its role of setting an agenda for lesbian studies into a wider role as resource and catalysts for anyone interested in gender and the erotic.

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented. Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavor. It covers a long history and a dynamic and ever-changing present while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach. While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes, assuring that both histories receive full unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people. Intended as a reference for students and scholars in all fields as well as for the general public, the encyclopedia is written in user-friendly language. At the same time, it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future.

The Story of Sexual Identity Phillip L. Hammack, Bertram J. Cohler, 2009-03-06 This book assembles a diverse group of scholars working within a new pathbreaking paradigm of sexual science, fusing perspectives from history, sociology, and psychology. The contributors are united in their commitment to the idea of narrative as central to the study of sexual identity, offering an analytic approach to social science inquiry on sexual identity that restores the voices of sexual subjects. The result is a rich examination of lives in context with an eye toward multiplicity and meaning across the life course. Central to the chapters in this volume is the significance of history, generation, and narrative in the provision of a workable and meaningful configuration of identity.

Modern Criticism and Theory Nigel Wood, David Lodge, 2014-06-11 This third edition of *Modern Criticism and Theory* represents a major expansion on its previous incarnations, with some twenty-five new pieces or essays included. This expansion has two principal purposes. Firstly, in keeping with the collection's aim to reflect contemporary preoccupations, the reader has expanded forward to include such newly emergent considerations as ecocriticism and post theory. Secondly, with the aim of presenting as broad an account of modern theory as possible, the reader expands backwards to take in exemplary pieces by formative writers and thinkers of

the late nineteenth and early twentieth centuries such as Marx Freud and Virginia Woolf This radical expansion of content is prefaced by a wide ranging introduction which provides a rationale for the collection and demonstrates how connections can be made between competing theories and critical schools The purpose of the collection remains that of introducing the reader to the guiding concepts of contemporary literary and cultural debate It does so by presenting substantial extracts from seminal thinkers and surrounding them with the contextual materials necessary to a full understanding Each selection has a headnote which gives biographical details of the author and provides suggestions for further reading and footnotes that help explain difficult references The collection is ordered both historically and thematically and readers are encouraged to draw for themselves connections between essays and theories Modern Criticism and Theory has long been regarded as a necessary collection Now revised for the twenty first century it goes further and provides students and the general reader with a wide ranging survey of the complex landscape of modern theory and a critical assessment of the way we think and live in the world today
