Modern Medicine How Beliefs Secretly Influence Medical Dogmas And Practices:

Modern Medicine - The New World Religion Olivier Clerc, 2004 Put forth in this book is the assertion that medicine is actually ruled by a set of beliefs myths and rites of Christianity it has never freed itself from Supporting this claim are discussions about the ways in which physicians have taken the place of priests vaccination plays the same role as baptism the search for health has replaced the quest for salvation and the hope of physical immortality cloning and genetic engineering takes priority over eternal life This book argues that the medical establishment has become the government's ally as the Catholic Church has in the past Charlatans are prosecuted today as heretics were in the past and dogmatism rules out promising medical theories It contends that only by becoming aware of how religious beliefs and primitive fears unconsciously influence one's relationships with medicine can people start walking on the path of freedom personal responsibility and individual sovereignty *The Vitamin Cure for Depression* Bo H. Jonsson, 2012-12-01 This title provides essential information on the benefits that vitamins other nutrients and lifestyle modifications can offer in an integrated treatment of depression Jabbed Brett Wilcox, 2018-09-11 Jabbed demonstrates that the medical procedure hailed as the greatest medical advancement in history vaccines is a racket run by criminals and gullible believers who have replaced vaccine science with the religion of vaccinology Vaccine marketers teach believers to fear shame and scapegoat anyone foolish enough to question the sanctity of vaccines Such an environment is not the domain of science rather it's the breeding ground of tyranny Jabbed exposes this tyranny From polio and smallpox to medical journals medical curricula congressional hearings regulatory policies White House statements and executive orders Jabbed shines light on the dark underbelly of Big Pharma Big Medicine and Big Government A vaccine informed public is the only thing that will have the power to stop vaccine industry sociopaths and to hold them accountable for their crimes Jabbed informs and immunizes against three of the most dangerous epidemics in history tyranny greed and corruption Once immunized the growing vaccine informed community will have the power to stand up and dismantle the vaccine paradigm and program and to punish the perpetrators of what may well be the greatest medical fraud ever perpetrated on the human race vaccines The Gift of Forgiveness Olivier Clerc, 2010-03-01 Detailing the author's attendance at a Toltec workshop with don Miguel Ruiz in Teotihuacan Mexico this guide unearths and explores the unique and simple tool of forgiveness The resource explains how this practical and powerful tool is believed to have immediate impact by bringing relief while unleashing love that has been blocked by personal resentments Through the magic of reversal taught in this useful reference readers can change their understanding of forgiveness and free themselves from the grip of resentment and hatred Healthy Cities Evelyne de Leeuw, Jean Simos, 2017-02-16 This forward looking resource recasts the concept of healthy cities as not only a safe pleasant and green built environment but also one that creates and sustains health by addressing social economic and political conditions It describes collaborations between city planning and public health creating a contemporary concept of urban governance a
