

# A HISTORY OF MODERN POLITICAL THOUGHT

Major Political Thinkers from Hobbes to Marx

IAIN HAMPSHER-MONK

Blackwell  
Publishing

# Modern Political Thought

**Raymond Plant**

## **Modern Political Thought:**

**The Foundations of Modern Political Thought: Volume 1, The Renaissance** Quentin Skinner, 1978-11-30 The two volumes of *The Foundations of Modern Political Thought* are intended as both an introduction to the period for students and a presentation and justification of a particular approach to the interpretation of historical texts Book Cover **A History of Modern Political Thought** Gary Browning, 2016-10-13 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking **Modern Political Thinkers and Ideas** Tudor Jones, 2002 Providing an accessible introduction to some of the key areas of modern political thought this book uniquely combines historical and philosophical approaches to the subject Modern Political Thought David Wootton, 2008 This second edition offers a new unit on modern constitutionalism with selections from Hume Montesquieu the Federalist and Constant In addition to a new essay by Wootton this unit features his new translation of Constant's 1819 essay *On Ancient and Modern Liberty* Modern Political Thought John Gingell, Adrian Little, Christopher Winch, 2002-01-04 *Modern Political Thought A Reader* is an excellent introduction to the key works of the major political thinkers from the English Civil War to the end of the 19th Century It draws together the most important parts of seminal works of political thought such as Hobbes' *Leviathan* Locke's *Treatises* Rousseau's *The Social Contract* Mill's *On Liberty* together with substantial extracts from Machiavelli's *The Prince* and Marx's *Capital* Accessible introductions are provided for each thinker explaining their lives and works and placing them in the historical context in which they worked and wrote **Modern Political Thought**, 1958 **Shakespeare and Early Modern Political Thought** David Armitage, Conal Condren, Andrew Fitzmaurice, 2009-09-10 Leading literary scholars and historians examine Shakespeare's engagement with the characteristic questions of early modern political thought *Encyclopedia of Modern Political Thought (set)* Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at

the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism Encyclopedia of Modern Political Thought is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft *Empire and Modern Political Thought* Sankar Muthu,2012-09-17 This collection of original essays by leading historians of political thought examines modern European thinkers writings about conquest colonization and empire The creation of vast transcontinental empires and imperial trading networks played a key role in the development of modern European political thought The rise of modern empires raised fundamental questions about virtually the entire contested set of concepts that lay at the heart of modern political philosophy such as property sovereignty international justice war trade rights transnational duties civilization and progress From Renaissance republican writings about conquest and liberty to sixteenth century writings about the Spanish conquest of the Americas through Enlightenment perspectives about conquest and global commerce and nineteenth century writings about imperial activities both within and outside of Europe these essays survey the central moral and political questions occasioned by the development of overseas empires and European encounters with the non European world among theologians historians philosophers diplomats and merchants Modern Political Thought Little Gingell Winch Staff,1999 Annotation Modern Political Thought A Reader is an excellent introduction to the key works of the major political thinkers from the end of the English Civil War through to the 19th Century including Machiavelli Montesquieu Rousseau and Marx **The Foundations of Modern Political Thought: Volume 2, The Age of Reformation** Quentin Skinner,1978-11-30 The two

volumes of *The Foundations of Modern Political Thought* are intended as both an introduction to the period for students and a presentation and justification of a particular approach to the interpretation of historical texts

**Book Cover Michael Oakeshott and the Conversation of Modern Political Thought** Luke Philip Plotica, 2015-02-23 A fresh reading of Oakeshott's contributions to the ongoing conversation of modern political thought One of the seminal voices of twentieth century political thought Michael Oakeshott's work has often fallen prey to the ideological labels applied to it by his interpreters and commentators In this book Luke Philip Plotica argues that we stand to learn more by embracing Oakeshott's own understanding of his work as contributions to an ever evolving conversation of humanity Building from Oakeshott's concept of conversation as an engagement among a plurality of voices without symposiarch or arbiter to dictate its course Plotica explores several fundamental and recurring themes of Oakeshott's philosophical and political writings individual agency tradition the state and democracy When viewed as interventions into an ongoing conversation of modern political thought Oakeshott's work transcends the limits of familiar ideological labels and his thought opens into deeper engagement with some of the most significant thinkers of the twentieth century including Ludwig Wittgenstein Charles Taylor Michel Foucault and Hannah Arendt Attending to these often unexpected or unrecognized affinities casts fresh light on some of Oakeshott's most familiar ideas and their systematic relations and facilitates a better understanding of the breadth and depth of his political thought

*Hobbes and the Making of Modern Political Thought* Gordon Hull, 2009-11-05 Hobbes and the Making of Modern Political Thought considers what it is that makes the study of Hobbes so compelling Gordon Hull reads Hobbes as the first modern political philosopher In Hobbes we find the combination of an anomalous and anachronistic view of geometry and a radical almost post modern understanding of language After situation Hobbes against the late scholastic and Machiavellian traditions against which he wrote the book studies Hobbes's neglected writings on mathematics and language That analysis then motivates a rereading of his famous pronouncements about the state of nature and the absolutist state that is supposed to be its remedy The book concludes by showing the relevance of Hobbes to contemporary debates around the radically democratic potential of the multitude Hobbesian thought is the opposition point in these debates what emerges here is that Hobbes is very much still with us As a theorist who is interested in managing and channelling the productive energies of the population Hobbes emerges as the first theorist of what we now call biopolitics

*Main Currents in Modern Political Thought* John Hamilton Halliwell, 1959

**The Foundations of Modern Political Thought**, 1994

**Modern Political Thought** William Ebenstein, 1962

**Main Currents in Modern Political Thought** John H. Halliwell, 1963

*Modern Political Thought* Raymond Plant, 1984-06-01

Modern Political Thought: the Great Issues Ebenstein William, 1974

**Modern Political Thought** David Wootton, 1996-01-01 Presents unabridged works and substantive abridgments in preeminent translations along with balanced lucid sophisticated introductions This book includes a wide and balanced selection of many of the more important texts of modern political thought To its great credit it provides

pertinent excerpts from frequently neglected authors such as Calvin and Hume which it nicely juxtaposes appear to be good and the introductions to each section help to situate the writers in their historical and intellectual context and to alert students to some of the central issues that arise in the texts This book offers an economical and useful approach to modern political thought

Eventually, you will completely discover a additional experience and talent by spending more cash. yet when? pull off you admit that you require to get those every needs bearing in mind having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more in the region of the globe, experience, some places, behind history, amusement, and a lot more?

It is your enormously own grow old to play in reviewing habit. along with guides you could enjoy now is **Modern Political Thought** below.
