Neighbors Helping Neighbors A New National Strategy For The Protection Of Children:

Neighbors Helping Neighbors Gary B. Melton, 1994-06-01 Argues that America needs to take a new look at the multiple and complex factors that lead to incidents of child abuse and neglect to critically examine the serious faults in the current child protection system and to implement a new strategy to better protect children from harm A ground breaking blueprint that includes 34 policy recommendations

Neighbors Helping Neighbors ,1993 This report proposes a new national strategy to prevent child abuse and neglect Four components of the proposed strategy are that it be 1 comprehensive 2 neighborhood based 3 child centered and 4 family focused Specific elements of the strategy include 1 strengthening neighborhoods 2 reorienting the delivery of human services 3 improving the government s role in controlling child maltreatment 4 reorienting societal values that contribute to child maltreatment and 5 strengthening and broadening knowledge about child maltreatment Section 1 of the report gives a brief overview of the proposed national strategy and the five elements of which it is comprised Section 2 identifies conditions in American society which led to the current crisis analyzes the response of the child protective system and discusses the need for reform Section 3 offers an in depth discussion of the five elements of the proposed national strategy and section 4 compares the proposed strategy with related recommendations from other groups and institutions Section 5 presents five guiding principles to be followed in implementing the national strategy and section 6 outlines the potential contribution of major sectors and institutions in society to such a strategy The report offers 34 recommendations which are presented at the end of relevant subsections in section 2 and are consolidated in the appendix along with the proposed national child protection policy TJQ

Resources in Education ,1997 Within Our Reach: A National Strategy To Eliminate Child Abuse

and Neglect Fatalities Commission to Eliminate Child Abuse and Neglect Fatalities (U.S.), David Sanders, 2016-03-18 Within Our Reach A National Strategy to Eliminate Child Abuse and Neglect Fatalities is the final report of the Commission to Eliminate Child Abuse and Neglect Fatalities as mandated by the Protect Our Kids Act of 2012 This report discusses the Commission's findings and presents both a comprehensive national strategy for fundamental reform and recommendations specific to populations in need of special attention including children currently known to child protective services agencies and at high risk for fatality American Indian Alaska Native children and African American children The report includes recommendations for actions by the executive branch Congress and states and counties that the Commission believes will be most effective in ending these tragic deaths today and into the future Legislators and policymakers at the State and Federal level plus advocates researchers and academics may be interested in these findings Additionally college students pursuing coursework in Social Work Sociology Native American and African American Studies and children's health and psychotherapy programs may find these findings and recommendations helpful

Handbook of Child Maltreatment Jill E. Korbin, Richard D. Krugman, 2013-11-26 This Handbook examines core questions still remaining in the field of child maltreatment It addresses major challenges in child maltreatment work starting with the question of what child abuse and neglect is exactly It then goes on to examine why maltreatment occurs and what its consequences are Next it turns to prevention treatment and intervention as well as legal perspectives The book studies the issue from the perspective of the broader international and cross cultural human experience Its aim is to review what is known but even more importantly to examine what remains to be known to make progress in helping abused children their families and their communities

Reforming Child Protection Bob Lonne, Nigel Parton, Jane Thomson, Maria Harries, 2008-07-10 Child protection is one of the most high profile and challenging areas of social work as well as one where children's lives and family life are seen to be at stake Vital as child protection work is this book argues that there is a pressing need for change in the understanding and consequent organization of child protection in many English speaking nations Grounded in the recent and contemporary literature research and scholarly inquiry this book capitalises on the experiences and voices of children young people families and workers who are the most significant stakeholders in child protection It will be an essential read for those who work research teach or study in the area

Forensic Mental Health Assessment of Children and Adolescents Steven N. Sparta, Gerald P. Koocher, 2006-03-16 This volume provides essential knowledge and practical suggestions for conducting forensic mental health evaluations of children and adolescents A wide range of assessment problems are described along with discussions about measurement techniques and forensic issues related to minors

A Child's Right to a Healthy Environment James Garbarino, Garry Sigman, 2010-09-15 It's a startling reality that more American children are victims and perpetrators of violence than those of any other developed country Yet unlike the other nations the United States has yet to ratify the United Nations Convention on the Rights of the Child Compelling readable and interdisciplinary A Child's Right to a

Healthy Environment provides an abundance of skilled observation important findings and keen insights to place children's well being in the vanguard of human rights concerns both in the United States and globally Within this volume authors examine the impediments to the crucial goals of justice safety dignity well being and meaning in children's lives factors as varied as socioeconomic stressors alienated disengaged parents and corrosive moral lessons from the media The complex role of religious institutions in promoting and in many cases curtailing children's rights is analyzed as are international efforts by advocates and policymakers to address major threats to children's development including War and natural disasters Environmental toxins e g malaria and lead poisoning The child obesity epidemic Gun violence Child slavery and trafficking Toxic elements in contemporary culture A Child's Right to a Healthy Environment is a powerful call to action for researchers and professionals in developmental clinical child school and educational psychology as well as psychiatry pediatrics social work general and special education sociology and other fields tasked with improving children's lives

Bearing Witness Sandra L Bloom, Michael Reichert, 2014-02-25 *Bearing Witness* Violence and Collective Responsibility offers a unique layperson's introduction to the scope and causes of violence and trauma theory and suggests ways we can all work to attack these causes Upon completing this work you will have a better understanding of the social causes of the violence epidemic and concrete suggestions for its long term control *Bearing Witness* addresses the cycle of violence by discussing some of the biological psychological social and moral issues that go into determining whether a person will end up as a victim perpetrator or bystander to violent events and what happens to us when we are in one or all three of these roles The authors look at a number of intersecting factors that play interdependent roles in creating a culture that promotes supports and even encourages violence Specifically you will gain invaluable insight into trauma theory and traumatogenic forces backdrops against which the chances of exposure to violence and the use of violence as a problemsolver are increased normal human development in the context of attachment theory and what occurs as a result of disrupted attachment bonds how rapid changes in modern society and the breakdown of the traditional family structure contribute to a level of social stress that promotes violence violence in the family in the workplace and in the schools all places to which people turn for security social responses to violence the ways in which certain responses decrease or increase the likelihood of violence the unhealthy balance of power between the genders and how violence or the threat of violence maintains this imbalance how our cultural standard of disavowing our normal emotional experience sets the stage for repeated and regular empathic failure which leads to violence A framework for understanding the various aspects of the problem of violence *Bearing Witness* delves into the various aspects of trauma what trauma does to the body the mind the emotions and relationships before beginning to formulate proposals for initiating processes that lead to problemsolving Once this knowledge base has been established the authors give you the beginnings of an outline for reorganizing society with the aim of establishing a community that is responsive to the basic human need for safety and peace **Globalization and Children** Natalie

Hevener Kaufman,Irene Rizzini,2007-05-08 ALLISON JAMES Globalization seems to be the word on everyone's lips with politicians as much as academics extolling its benefits as well as its contradictions For some globalization means in practice that whether in Bangkok or Boston in London or Rio as travelers from wealthy countries they can be sure to find the beer the pizzas and the jeans that they can at home they can be both at home and away simultaneously For others though globalization has had rather different often less beneficial consequences In their everyday lives people have come to find themselves tied in albeit in often unseen ways into larger economic and political systems over which they have no control yet these systems cause radical changes often for the worse rather than the better in the pattern of their daily lives And it is those who have least voice whose lives are usually affected the most In this book attention is drawn systematically really for the first time to a consideration of how processes of globalization variously impact upon the lives of children Such an approach is not only most welcome in the field of childhood studies but also long overdue It will at last enable us to begin to contextualize in a broader framework some of the many issues to do with children's rights and participation which have long been discussed as separate and discrete issues within childhood studies *Ending the War against Children: The Rights of Children to Live Free of Violence, An Issue of Pediatric Clinics of North America, E-Book* Bonita F. Stanton,DANIELLE

LARAQUE-ARENA,2021-03-10 Consulting Editor Dr Bonita Stanton is serving as Guest Editor along with Dr Danielle Laraque Arena for this important issue of Pediatric Clinics of North America to address violence against children This never before published issue is broken into three sections addressing The War against Children Case Studies and Interventions to Reduce Violence to Children Expert authors have contributed clinical review articles that provide guidance on providing care to pediatric victims of violence and abuse Articles are specifically devoted to the following topics Global Burden of Violence Overview and Epidemiology Operating Principles and Competencies for Engagement Violence Against Children Recognition Rights Responses Forcible Displacement Migration and Violence on Children and Families An Eye on Disparities Health Equity and Racism The case of Firearm Injuries in Urban Youth in the US and Globally Rural Communities and Violence Attacks against Schools Hospitals Places of Worship and Other Public Spaces Mass Shootings Sexual Violence Against Children War Conflict Terrorism and the Status of Children Racism and Other Systems of Structural Inequities as Violence Against Children Domestic Violence and its Effects on Women Children and Families Executions and Police Conflict Involving Children and Young Adults Community Engaged and Informed Violence Prevention Interventions and Global Humanitarian Access for Children Pediatricians will come away with the information they need to improve outcomes and violence prevention interventions for their patients *Children in State Care* June Thoburn,2017-03-02 This volume brings together a selection of the most influential and informative English language refereed journal articles on children in out of home care their birth relatives and carers The articles which include empirical research and critiques of policy and practice are mainly from the UK and USA but include some coverage of child placement policy and practice in Australia and mainland Europe

The volume starts with a joint introductory chapter by the two distinguished authors one American one British reviewing the state of knowledge on children in care and drawing attention to other important sources not included as chapters

Balancing Family-centered Services and Child Well-being Elaine Walton, Patricia Sandau-Beckler, Marc Mannes, 2001 With contributions ranging from academic and professional theorists and policy developers to independent social workers this book explores the development of family centered services the processes by which these services are implemented the problems the field now faces and prospects for the future Multi faceted examinations of the field show how family centered services and child well being can be linked on a daily basis to better the lives of both parents and children

Juvenile Justice Sourcebook Albert R. Roberts, 2004-07-22 Several million reported and unreported delinquent acts take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society Juvenile Justice Sourcebook is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the Juvenile Justice Sourcebook will be invaluable to all juvenile justice practitioners policy analysts researchers and students

The Routledge Handbook of Global Child Welfare Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children

The APSAC Handbook on Child Maltreatment J. Bart Klika, Jon R. Conte, 2017-07-27 The Fourth Edition of The APSAC Handbook on Child Maltreatment provides readers with the most up to date theory research and best practices in the field of child abuse and neglect Edited by leading experts J Bart Klika and Jon R Conte this best seller covers all aspects of child maltreatment from physical abuse to sexual abuse and neglect focusing on

etiology consequences investigation and treatment and systems Updates include new content on assessment and mental health interventions prevention as well as global perspectives Comprehensive and easy to read the handbook will serve as an invaluable resource for students and professionals both emerging and seasoned across disciplines but part of the same movement dedicated to improving the lives of maltreated children

Changing Welfare Rachel A. Gordon, Herbert J. Walberg, 2012-12-06 Changing Welfare is concerned with the sweeping changes that took place in public assistance programs at the end of the 20th century and the way in which the original and reformed versions of these programs relate to the well being of children and their families The authors critically review the original conceptualizations and the new directions of programs offering cash assistance food assistance health insurance and child protection services to low income and disabled children and their families thus changes in the welfare programs themselves And throughout their concern is with whether and how these programs alter the opportunities for the development of the children targeted by these programs thus changes in the welfare of children and their families The objective of each chapter of the book is to rigorously highlight key theoretical and research issues including the identification of major empirical findings and unanswered questions Wherever relevant the chapters connect theory and research to policy and practice pointing to recommendations and challenges for the future including alternative approaches for research policy and practice

Towards Positive Systems of Child and Family Welfare Nancy Freymond, Gary Cameron, 2006-05-20 The need for services that respond to the maltreatment of children and to the struggles of families is at the core of social service systems in all developed nations While these child and family welfare systems confront similar problems and incorporate common elements there are substantial differences in philosophy organization and operation across international settings and models In this new collection of essays Nancy Freymond and Gary Cameron have brought together some of the finest international minds to provide an original and integrated discussion of child protection family service and community caring models of child and family welfare The volume not only examines child protection and family service approaches within Western nations including Canada the United States England the Netherlands France and Sweden it is also the first comparative study to give equal attention to Aboriginal community caring models in Canada and New Zealand The comparisons made by the essays in this volume allow for a consideration of constructive and feasible innovations in child and family welfare and contribute to an enriched debate around each system This book will be of great benefit to the field for many years to come

Handbook of Child Maltreatment Richard D. Krugman, Jill E. Korbin, 2022-02-22 The second edition of this successful handbook edited by well known experts in this field includes core questions in the field of child abuse and neglect It addresses major challenges in child maltreatment work starting with What is child abuse and neglect and then examines why maltreatment occurs and what are its consequences The handbook also addresses prevention intervention investigation treatment as well as civil and criminal legal perspectives It comprehensively studies the issue from the perspective of a broader international and cross

cultural human experience Apart from a thorough revision of existing chapters this edition includes many new chapters covering recent developments in this area and other issues not covered in the first edition There is more focus on substance abuse psychological abuse and on social and community involvement and public health provisions in the prevention of child maltreatment The handbook examines what is known now and more importantly what remains to be researched in the coming decades to help abused and neglected children their families and their communities thereby taking the field forward
