Once-upon-a-time Saints Ethel Pochocki, 1977-01-01 Relates briefly the lives and deeds of nineteen saints including Germaine Swithin Clement and Bridgid More Once Upon a Time Saints Ethel Pochocki, 1998 Relates briefly the lives and deeds of seventeen saints including Hyacinth Martha Servulus Simeon and Zita **The Juggler of Notre Dame and the Medievalizing of Modernity** Jan M. Ziolkowski, 2018-10-31 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media including radio television and film becoming closely associated with Christmas and embedded in children s literature Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies More Once-upon-a-time Saints Ethel Marbach, 1979 Relates briefly the lives and deeds of twelve saints **The Living Church** , 1954 Reading the Juggler of Notre Dame Jan M. Ziolkowski, 2022-07-25 In this two part anthology Jan M Ziolkowski builds on themes uncovered in his earlier *The Juggler of Notre Dame and the Medievalizing of Modernity* Here he focuses particularly on the performing arts Part one contextualises *Our Lady s Tumbler* a French poem of the late 1230s by comparing it with episodes in the Bible and miracles in a wide variety of medieval European sources It relates this material to analogues and folklore across the ages from among others Persian Jewish and Hungarian cultures Part two scrutinizes the reception and impact of the poem with reference to modern European and American literature including works by the Nobel prize winner Anatole France professor poet Katharine Lee Bates philosopher historian Henry Adams and poet W H Auden This innovative collection of sources introduces readers to many previously untranslated texts and invites them to explore the journey of *Our Lady s Tumbler* across both sides of the Atlantic *Reading the Juggler of Notre Dame Medieval Miracles and Modern Remakings* will benefit scholars and students alike The short introductions and numerous annotations shed light on unusual beliefs and practices of the past making the readings accessible to anyone with an interest in the arts and an openness to the Middle Ages

Fostering Children's Faith Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of

parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children s faith This book succinctly explores many ways we can support children s faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children s relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us
