K. Olukoya,2025-05-13 Pray your way into marital breakthrough is a 21 day personal prayer and fasting programme designed to help participants seek the face of God for MARITAL BREAKTHROUGH The prayer points assigned for each day are heaven provoking and testimony bringing It is also an opportunity to discipline and rid yourself of any bad habits By the end of these 21 days we expect your testimony For this 21 day endeavor to be successful you must have faith and determination Therefore prepare your heart and devote yourself to this spiritual retreat **Acts of the Apostles** Linda M. Maloney,Ivoni Richter Reimer,2022-11-27 2023 Catholic Media Association Third Place Award Scripture Academic Studies The Acts of the Apostles the earliest work of its kind to have survived from Christian antiquity is not history in the modern sense nor is it about what we call the church Written at least half a century after the time it describes it is a portrait of the Movement of Jesus followers as it developed between 30 and 70 CE More important it is a depiction of the Movement of what Jesus wanted the inbreaking of the reign of God In this commentary Linda Maloney Ivoni Richter Reimer and a host of other contributing voices look at what the text does and does not say about the roles of the original members of the Movement in bringing it toward fruition with a special focus on those marginalized by society many of them

women The author of Acts wrote for followers of Jesus in the second century and beyond contending against those who wanted to break from the community of Israel and offering hope against hope like Israel's prophets before him

Prayerfully Yours Benjamin Vima, 2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God's Word will not return to Him void but shall achieve the end for which He sent it Is 55:11 so the prayer of the lowly does not rest till it reaches its goal Sir 35:17-18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a quality life as the disciples of Jesus Through this book he shares with readers some of his findings of the method of quality prayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares quality prayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of quality prayer and make us perceive clearly our actions and God's own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him/her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as Quality Prayer

Praying Your Way to Breakthrough Mercy O. Richardson, 2010-08-27 It is God's perfect will and purpose for us His children to walk in a position of authority and dominion on the earth Gen 1:27-28 But instead of walking in authority and dominion many of us walk in

defeat and frustration Many believers have failed to exercise authority over situations that confront them so they can walk in dominion and therefore are despaired of life Many including some in leadership positions are not experiencing breakthroughs in their lives A lot of these believers put on a brave front meanwhile in their personal lives they are not happy because they are not experiencing victories in a lot of areas in their lives Some of these people are doing everything they know to do physically in order to walk in victory but no matter how hard they try they don't seem to have the results they are looking for

Pray Your Way Through a Hospital Stay Catherine Reed,2013-02-08 During the summer of 2010 Catherine Reed learned she had a brain tumor In preparing for the challenging road ahead Catherine relied on her faith and expected the best despite the known risks But what she did not expect was for God to choose that moment to bless her with a life changing revelation As she lay on a gurney awaiting surgery Catherine closed her eyes to visualize the comforting message of the psalm her husband was reading aloud Moments later she felt pressure on her shoulder Catherine opened her eyes expecting to see her husband but instead saw a large hand turned so she could clearly see the nail hole in His palm Catherine was filled with joy Jesus was with her After the surgery as she lay in the intensive care unit for days Catherine details how God pulled her closer and revealed how prayer would become an integral part of her healing journey Pray Your Way through a Hospital Stay shares one woman's powerful testimony of how she prayed for herself and others throughout her illness and recovery ultimately encouraging other hospital patients to find the same peace healing and love through their own quiet conversations with God

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life D.E. Hardesty,2015-04-25 Learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life The peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy In fact we seem to spend the majority of our time doing this However there is no guarantee that any of this effort will work There are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy The truth is happiness can be had with little effort Have you ever been happy for no reason at all Of course you have Without anything changing in life happiness just appears We see it in young

children all the time In fact we expect to see it in children If you happen to ask a smiling child why he or she is so happy at best the answer may be Because For an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because As we age we seem to lose touch with happiness for no reason at all We see a world where everyone is striving for stuff striving for popularity striving striving striving The natural fount of happiness we once enjoyed disappears as we join them However that happiness is not gone All that happened is we lost our connection to it This book is about recovering that connection We all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life Obviously this is not true There are a lot of rich old people who are not happy What we have what we do and the other circumstances of our lives do not provide authentic happiness Instead happiness comes from inside of us and all by itself enables us to have secure relationships good health more success and longer lives So what is the secret of being happy Being happy is a little like flipping a switch When it s on you are happy and when it s off you are not It s so easy How else can you explain being happy for no reason What you need to do is learn to turn it on and keep it turned on This book discusses seven practices that help you do that There is a lot of wisdom available about how to be happy Most of it is thousands of years old but some is quite new The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life This kind of happiness does not require changing anything in your life All you have to do is learn to turn it on Reflections of the Heart Cynthia Ann Conley,2020-02-07
