Preaching Law And Gospel:

Afflicting the Comfortable, Comforting the Afflicted Glenn L. Monson, 2015-03-25 A classic theology and a contemporary school of preaching come together in this new work Glenn Monson an active Lutheran preacher has taken the substantial concerns of Law and Gospel theologians and combined them with the insights of the New Homiletic School to come up with a guide to sermon development that helps any preacher deliver Law and Gospel sermons in a contemporary way The author leads the reader through a step by step process in thinking about Law and Gospel preaching from exegesis through sermon design to manuscript writing Multiple examples from assigned lectionary texts are included and several sermons are analyzed in detail This book will be an invaluable friend of any lectionary preacher for whom Sunday is always coming and who longs to preach classic Law and Gospel sermons in a new and fresh way *Preaching Law and Gospel* Herman G. Stuempfle, 1978-01-01 *One-Point Preaching: A Law and Gospel Model* Shawn C. Lazar, 2019-03-15 Have you heard of one point preaching Are you familiar with the distinction between law and gospel Do you want to know how to combine the two In this book Shawn Lazar develops a simple one point sermon model that moves from law to gospel and ends every sermon with God's grace If you want to know how to preach God's salvation through Christ all year round this book will show you how This shouldn't be your last book on preaching but it would be extremely helpful if it were your first The book is really major If you are a hard working and sincere preacher of the Gospel One Point Preaching could change everything It is what people today mean when they talk about a game changer Paul F M Zahl from the Foreword *God's Two Words* Jonathan A. Linebaugh, 2018-08-09 The distinction between God's law and God's gospel lies at the core of the Lutheran and Reformed traditions and has long been a point of controversy between them God's Two Words offers new contributions from ten key Lutheran and Reformed scholars on the theological significance of the law gospel distinction Following introductory chapters that define the concepts of law and gospel from each tradition contributors explore how the distinction between law and gospel plays out in theology preaching the reading of Scripture and pastoral care As it traces both the common ground and the areas of disagreement between the two traditions this book amplifies and clarifies an important conversation that has been ongoing since the sixteenth century CONTRIBUTORS Michael Allen Charles Arand Erik H Herrmann Kelly Kapic Peter Malysz Mark C Mattes Steven Paulson Katherine Sonderegger Scott Swain Kevin J Vanhoozer

The Essential Forde Gerhard O. Forde, 2019-07-02 No twentieth century American understood Luther's law gospel distinction better than Gerhard O Forde who was professor of theology at Luther Theological Seminary in Saint Paul Minnesota Because Forde kept this Lutheran distinction razor sharp his theological writings are an essential inheritance for us today This volume The Essential Forde aims to provide the essence of Forde's writing centered upon Luther's and Scripture's essential distinction that is the distinction between law and gospel The editors of this volume have chosen some of the most definitive writings of the renowned Gerhard Forde whose influence continues to grow The list of works trace the

contours of Forde's theological argument Organized around Law and Gospel the selections start off with some historical background on that doctrinal locus but for the most part express Forde's own views of the law and the gospel including death and resurrection the bondage of the will good works preaching and the sacraments Besides these essential writings the book will provide a definitive introduction by the editors which includes a brief biography of Forde an essay regarding his doctrinal interpretation and a sketch of the Forde legacy Also contained in the volume will be a comprehensive bibliography of all of Forde's published works plus work published about him *Preaching and Teaching the Law and Gospel of God* Paul R. Hinlicky, Michael Scott Horton, Piotr J. Malysz, Steven D. Paulson, Amy C. Schiffrin, Stephen Westerholm, Jared Wicks, J. Larry Yoder, North American Lutheran Church, 2013

The Necessary Distinction Albert B. Collver, III, 2017-09-05 The distinction between the Law and the Gospel is an often overlooked necessity when comprehending Scripture Law and Gospel are not meant to be balanced or coordinated rather they should be rightly distinguished This distinction is not a theoretical abstraction but a functional necessity for preaching and pastoral care lest sinners be left with their own attempts at righteousness which can only lead to arrogance or despair The Necessary Distinction A Continuing Conversation on Law and Gospel is a collection of 13 exploratory essays that work through the implications of this distinction for preaching pastoral care liturgy mission and Christian living They draw readers back into a deep look into the Holy Scriptures so that Christ Jesus is preached with greater clarity and broken sinners are given the full consolation of the forgiveness of sins *A Theology of Preaching* Richard Lischer, 2001-06-08 Richard Lischer's book is a stirring affirmation of preaching's importance as a major enterprise in its own right It is he writes a theological preface whose aim is to show how theology informs preaching and how preaching as a kerygmatic oral practical activity informs theology and brings it to its final form of expression Dr Lischer points to the historically negative results of preaching's exclusion from theology and then shows the benefits derived from the proper interaction of the two disciplines As he elaborates on this theme he explores the centrality of the Resurrection in both theology and preaching the relation of the law and the gospel and how preaching calls upon theology to recover its oral aural foundation For Lischer the act of preaching is an exercise of the preacher's imagination The real work of imagination is not inserting clever stories or esthetically pleasing images into the argument of the sermon It is knowing how to read texts in such a way that they will be allowed to function according to their original power and intent
