School Effectiveness for Whom? Roger Slee, Sally Tomlinson, Gaby Weiner, 2003-05-20 School effectiveness research together with what is now described as the school improvement movement Barber 1996 has captured both the Conservative and New Labour imaginations as a basis for educational planning and policy making in the UK Internationally school effectiveness enjoys and expanding and enthusiastic audience This book provides a critique of this research genre particularly in the light of the recent calls for teaching to go back to the basics The editors

argue that this school effectiveness research is simplistic in its analysis of educational problems Far from getting to the bottom of the problem of failing students and schools they argue these movements are merely scratching at the surface of the problems and coming up with notions for superficial improvements

Resources in Education, 1997 *Sustainable Development and Learning: Framing the Issues* Stephen Gough, William Scott, 2003-12-16 In this important new book the authors explore the role of learning in sustainable development The book sets out the key issues and raises concepts for discussion reflection and ongoing consideration by all stakeholders in this crucial field
