Riders From Nowhere

Alexander Abramov, Sergei Abramov

Riders From Nowhere:

Riders from Nowhere Aleksandr Ivanovich Abramov, Sergeĭ Abramov, 1991 *Riders of the Night* Eugene Cunningham, 2022-08-16 Eugene Cunningham's *Riders of the Night* is a gripping tale that skillfully blends adventure with the nuanced traditions of Western genre literature. Cunningham's narrative is a testament to the timeless allure of the Old West captured with a prose style that is both evocative and direct. As the readers traverse the rugged landscapes alongside the characters, they are immersed in a story that is attentive to the literary context of its era, settling alongside the works of contemporaneous authors who sought to depict the West's raw beauty and complexity. *Riders of the Night* is not just entertainment; it is an embodiment of narrative craftsmanship reflective of a period that revered grand tales of courage and frontier justice. As an author, Eugene Cunningham drew from his profound understanding and personal experience of the American West. His authentic portrayal of Western life is grounded in its historical realities, capturing the trials of its people with an insider's perspective. Cunningham's reasons for writing this book can be traced back to his own journey through the landscapes that he vividly describes. This personal connection infuses his work with an authenticity that resonates with readers seeking a genuine taste of Western Americana. *Riders of the Night* comes highly recommended for aficionados of Western literature and anyone who cherishes the inheritance of human storytelling. It is more than a simple retelling of gunslinger lore; it is a carefully woven tapestry of human experience set against the vast backdrop of the American frontier. Cunningham's novel invites readers to rediscover the thrill of the Wild West, its enduring legacy, and its bearing on the American identity. DigiCat Publishing's careful reproduction honors the novel's status as a piece of world literature, making it a cherished addition to any literary collection.

Riders from nowhere Alexander Abramov, Sergei Abramov, 1991 *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993

The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department. Comments on previous volumes: The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog. Thomas Cripps: Endlessly absorbing as an excursion into cultural history and national memory. Arthur Schlesinger Jr. *The Doomsday Riders* J.R. Roberts, GUNS ABLAZIN

When Clint Adams steers his stallion into Easterly, Indiana, he knows this sleepy town is no place to hole up in for more than a day. But he needs some shut eye, and if his bed happens to have a warm and willing woman in it, so much the better. But it turns out the Gunsmith isn't the only one with an interest in the region. A posse calling themselves The Doomsday Riders have burned down at least a dozen towns, and now a little hamlet on the outskirts of Easterly is next on their lethal list. That is, if they can get past the famous gunslinger himself, who isn't about to let them level another town without one helluva showdown.

Ghost Riders: A War Story Frank Lampi, 2007-06 **Cola Cowboys** Franklyn Wood, 2010-03-01 This vivid account tells the story of the truckers who were driving from the UK to the Middle East in the early 1980s. The journey was

rough tough exhausting dirty uncomfortable and dangerous Journalist Franklyn Wood reports that in the course of the one trip we are following seven Britons died in accidents Among the physical hazards were icy mountain hairpins unmade roads and desert sandstorms Human hazards included Kamikaze coach drivers robbers mind numbingly slow border controls rogue police and the temptations of the drivers favourite watering holes The route led from Europe through Turkey Iraq during its war with Iran and on to the wealth and culture shock of Saudi Arabia The cargoes were often worth a million pounds Delivering them and returning home for the next load this was the Olympics of truck driving Cola Cowboys was originally published in 1982 when it proved extremely popular It has been out of print for many years and has been reprinted by popular demand

The Philosophy of Film Noir Mark T. Conard, 2005-01-27 An essay collection examining the philosophical elements of select films in noir cinema as well as the genre's legacy in film and culture A drifter with no name and no past driven purely by desire is convinced by a beautiful woman to murder her husband A hard drinking detective down on his luck becomes involved with a gang of criminals in pursuit of a priceless artifact The stories are at once romantic pessimistic filled with anxiety and a sense of alienation and they define the essence of film noir Noir emerged as a prominent American film genre in the early 1940s distinguishable by its use of unusual lighting sinister plots mysterious characters and dark themes From *The Maltese Falcon* 1941 to *Touch of Evil* 1958 films from this classic period reflect an atmosphere of corruption and social decay that attracted such accomplished directors as John Huston Alfred Hitchcock Billy Wilder and Orson Welles *The Philosophy of Film Noir* is the first volume to focus exclusively on the philosophical underpinnings of these iconic films Drawing on the work of diverse thinkers from the French existentialist Albert Camus to the Frankfurt school theorists Max Horkheimer and Theodor Adorno the volume connects film noir to the philosophical questions of a modern often nihilistic world Opening with an examination of what constitutes noir cinema the book interprets the philosophical elements consistently present in the films themes such as moral ambiguity reason versus passion and pessimism The contributors to the volume also argue that the essence and elements of noir have fundamentally influenced movies outside of the traditional noir period Neo noir films such as *Pulp Fiction* 1994 *Fight Club* 1999 and *Memento* 2000 have reintroduced the genre to a contemporary audience As they assess the concepts present in individual films the contributors also illuminate and explore the philosophical themes that surface in popular culture A close examination of one of the most significant artistic movements of the twentieth century *The Philosophy of Film Noir* reinvigorates an intellectual discussion at the intersection of popular culture and philosophy Praise for *The Philosophy of Film Noir* The essays work both as solid primers into philosophy stretching from Aristotle to Schopenhauer and as lucid excursions into the genre's dark mean streets A fascinating readable and provocative book Highly recommended Choice Dense and intriguing the book suggests noir is best perceived as a slightly warped mirror held up to contemporary society Publishers Weekly

Easy Rider: My Life on a Bike Rob Hayles, 2013-06-20 The son of a wrestler turned cycling coach called Killer Kowalski Rob Hayles was soon winning races himself and realizing

that he didn't really want to work for a living The world of amateur club cycling in the 1990s was a long way from the millionaire sport of today though When Rob first rode for Great Britain it was with his own bike one spare tyre and a hand me down jersey Yet Rob became an integral part of the amazing success story of British cycling and has been at the centre of the sport for the past two decades With Bradley Wiggins he was a member of the first GB team to become world champions at the team pursuit the most demanding and thrilling discipline on the track With teammate David Millar he witnessed first hand the drug strewn often demeaning life of the professional road cyclist And as Mark Cavendish's training partner Rob has been the experienced influence at the side of the fastest man on two wheels Easy Rider is an unforgettable journey through revolutionary times Sharp down to earth packed with anecdotes and just plain fun it takes you from the humblest of beginnings through a golden era in British cycling

The Rotarian, 1937-12 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine

Civil War Lexington, Kentucky Joshua H. Leet, Karen M. Leet, 2011-10-27 Although no great Civil War battles were fought in Lexington Kentucky the city afforded some of the greatest military and political leaders on each side It produced the Honorable Henry Clay whose efforts postponed the war by at least a decade The city touched the lives of both Jefferson Davis and Abraham Lincoln whose wife Mary Todd spent her early years there This breeding ground of power molded the careers and characters of men like John C Breckinridge and John Hunt Morgan Authors Josh Leet and Karen Leet introduce the men and women of Lexington who shaped United States history and whose lives were forever changed by the war that shook the nation

Many Shades of Evil Frank Oliver, 2008 Many Shades of Evil combines the novels Axe and Seven Shades of Evil It takes you on a journey from the darkworld to the stars and beyond

L. A. W. Bulletin and Good Roads, 1895

Deathquest to Parallan Benjamin Towe, 2005-11-14 A young prince struggles with his identity and role when his land and family are attacked by mysterious assailants He must become a leader and assemble a party of the land of Donothor's strongest characters Fighting skills a magic sword friends Magicks and unexpected allies are needed to accomplish the task before him The quest leads the Donothorians to a new night less world of three suns where new allies and many enemies are found His party becomes eyewitnesses to and participants in a great conflict But where does the greatest evil lie What is their role in the conflict Is the fate of this world tied to their own Can they succeed against impossible odds and succeed in the Deathquest to the world of three suns

Good Roads, 1895

The Chronicles of Early Melbourne, 1835 to 1852 Garryowen, 1888

Free Dakota William Irwin, 2016-05-27 Don Jenkins wants a divorce from the United States He's tired of a government that can't balance its budget but thinks it can dictate how much soda he should drink Combining political intrigue and political theory Free Dakota explores the new possibilities when Don follows the call of a charismatic diner owner who promises a libertarian paradise on

the prairie After years of struggle they have the votes for a peaceful secession but the feds say it s til death do us part
Stopping the feds may cost more in integrity than in blood however when Don has to decide whether to stay after an
assassination changes everything *PAWS or It's A Dog's Life* Rober Ayres,2008-04-01 A lighthearted collection of stories
adventures and misadventures from cycling encounters with animals and life s experiences *Early Riders* Robert
Drews,2004-08-02 In this wide ranging and often controversial book Robert Drews examines the question of the origins of
man s relations with the horse He questions the belief that on the Eurasian steppes men were riding in battle as early as
4000 BC and suggests that it was not until around 900 BC that men anywhere whether in the Near East and the Aegean or on
the steppes of Asia were proficient enough to handle a bow sword or spear while on horseback After establishing when where
and most importantly why good riding began Drews goes on to show how riding raiders terrorized the civilized world in the
seventh century BC and how central cavalry was to the success of the Median and Persian empires Drawing on
archaeological iconographic and textual evidence this is the first book devoted to the question of when horseback riders
became important in combat Comprehensively illustrated this book will be essential reading for anyone interested in the
origins of civilization in Eurasia and the development of man s military relationship with the horse **The Chinese Times**
,1889

The Enigmatic Realm of **Riders From Nowhere**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
