

Riders Of The Monte

LM Reder

Riders Of The Monte:

Riders of the Monte L. J. Washburn, 1990 The author of *Ghost River Epitaph* and *Wild Night* presents a novel set in the dusty cantinas and on the rough mountain terrain south of the border where dirt poor farmer Curtis Daniels has fled with a known bandito and finds himself caught in the center of a bloody raid and a dangerous quest for justice **Monte Foreman's Horse-training Science** Monte Foreman, Patrick Wyse, 1983 Discusses bits and saddles describes the physical and mental abilities of horses and demonstrates various riding skills including stops rolls and spins In Pursuit of a Dream Dennis Doane, 2021-02-18 *In Pursuit of A Dream* By Dennis Doane *In Pursuit of A Dream* tells the tale of a former young Texas Ranger Monty Lane Monty Lane has always had a dream to have his own horse ranch and he finally has a plan Dangerous Oh yes But it is the only way he knows how to achieve his dream You see beyond his dream of raising the finest horses in the country he wants to marry the prettiest girl in the county Beth Hase who owns a very profitable cattle ranch And to keep folks from saying He married her for her money Monty wants to wait until he has enough money all on his own Unbeknownst to Monty there is an unknown deranged assailant standing in his way who has pledged that no one can have Beth but himself *The complete cyclist travel guide for Switzerland* , 2025-08-15 **North of Cheyenne** John D. Nesbitt, Monte Casteel hadn't planned on staying long when he rode into the small Wyoming town of Eagle Spring He was just a ranch hand with no work between seasons But even before he got into town someone warned him it might be better for his health if he kept on riding and Monte hated to be told what to do It got even tougher to leave when he saw Dora in the street She was the girl he'd pined after for so long though she never seemed to care much for him They may not have been the best reasons to stay around but they were good enough for Monte He didn't know yet that he had one great reason to ride out of town fast a range war was brewing hired guns were coming in and before long Monte would find himself caught right in the middle **The Deadwood Trail** Ralph Compton, 1999-01-15 They had beaten the harsh odds of the frontier But for the two powerful ranchers the most formidable trail lay ahead There had never been a trail drive like this before The only riches Texans had left after the Civil War were five million maverick longhorns and the brains brawn and boldness to drive them to market along treacherous trails Now Ralph Compton brings this violent and magnificent time to life in an extraordinary series based on the history blazing trail drives For veteran ranchers Nelson Story of Montana and Benton McCaleb of Wyoming it was an opportunity a man didn't pass up In gold camps of the Black Hills miners were hungry for beef at boomtown prices But within the two outfits were Indians gunmen Texans lovesick cowboys and high spirited women Worse the drive would pass through Crow and Sioux territory when Custer's defeat at the Little Big Horn was just hours away The drives were tangled by violent grudges stampeding herds and dangerous deception The two brawling outfits had one thing in common a deadly surprise awaiting them at the end of the trail **American Motorcyclist** , 1960-03 *American Motorcyclist* magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling
