**Shamanic Journeys: An Anthology** Michael Drake, 2022-03-26 This book is an anthology of shamanic journeys that I have taken over my 35 year exploration of shamanism the most ancient and most enduring spiritual tradition known to humanity Each inner journey has a unique story about what led up to the trance experience and what I learned from it They were powerful life changing events for me Journey work is therapeutic and liberating My trance experiences were healing insightful and empowering They often triggered the cathartic release of suppressed emotions producing feelings of peace and well being The process restores emotional health through expression and integration of emotions Shamanism is based on the principle that innate wisdom and guidance can be accessed through the inner senses in ecstatic trance We can engage the blueprint of our soul path through the vehicle of journeying Shamanic journeying is a time tested medium for individual self realization We can journey within to access wisdom and energies that can help awaken our soul calling and restore us to wholeness It heightens our sense of mission and purpose empowering our personal evolution I invite you to journey with me into the inner realms of consciousness

**Medicinemaker** Hank Wesselman, 2009-12-23 In the brilliant visionary tradition of Carlos Castaneda anthropologist Hank Wesselman first documented his spiritual journey in the acclaimed account Spiritwalker Now he continues his travels through the spirit world in this astonishing book leading us into the heart of one of the greatest mysteries of existence Dr Wesselman s inspiring quest began with a dramatic encounter on the island of Hawaii Though he had feared his connection to Nainoa a kahuna initiate and fellow mystic traveler would be severed when he moved to San Diego Wesselman would continue to merge minds with Nainoa Over the next five years the true purpose of their profound yet cryptic contact took shape Wesselman had gained access to some inner doorway putting him in the presence of a transcendent life force and intelligence On the threshold of a dazzling new understanding of nature

he was a shaman in training an initiate into the sacred secret healing powers of the spirit world This remarkable book gives us an unprecedented glimpse into the origin and the destiny of our species Hank Wesselman has brought back from his extraordinary travels an extraordinary message the keys to personal power and to the healing of all humankind
