**Emilie Sanchez**

## **Riel To Reform A History Of Protest In Western Canada:**

*Riel to Reform* George Melnyk, 1992 Traditionally the West has seen itself as a disadvantaged and oppressed region protest against its hinterland status has been part of the Canadian fabric since Louis Riel Written by distinguished Canadian historians political scientists and journalists the 20 essays in *Riel to Reform A History of Protest in Western Canada* examines the legacy of third party politics agrarian revolt and alienation that has come to characterize Western ideology *The Literary History of Alberta Volume Two* George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One* From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of *Writing on Stone* *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture

**Nation Maker** Richard J. Gwyn, 2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians **The Literary History of Alberta**

**Volume One** George Melnyk, 1998-04 Alberta's contradictory landscape has fired the imaginative energies of writers for centuries The sweep of the plains the thrust of the Rockies and the long roll of the woodlands have left vivid impressions on all of Alberta's writers both those who passed through Alberta in search of other horizons and those who made it their home *The Literary History of Alberta* surveys writing in and about Alberta from prehistory to the middle of the twentieth century It includes profiles of dozens of writers from the earnestly intended to the truly gifted and their texts from the commercial to the arcane It reminds us of long forgotten names and faces figures who quietly or not so quietly wrote the books that underpin Alberta's thriving literary culture today Melnyk also discusses the institutions that have shaped Alberta's literary

culture The Literary History of Alberta is an essential text for any reader interested in the cultural history of western Canada and a landmark achievement in Alberta's continuing literary history *Millennialism and Violence* Michael

Barkun,2012-12-06 As the world approaches the year 2000 many societies are experiencing an unprecedented growth in millenarian movements that anticipate an imminent and total transformation of the world Many of these movements have been associated with violence either as a means for producing change or as a response to confrontations with state authority This book draws together research on this topic from political science psychology sociology and history in an attempt to understand the relationship between millenarian movements and episodes of violence *Metis Pioneers* Doris Jeanne

MacKinnon,2018-03-15 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson's Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women's acts of quiet resistance in the final days of the British Empire **Art of Sharing** Mary Janigan,2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces

Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The *Art of Sharing* tells the dramatic history of Canada's efforts to save itself The introduction of federal equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec's insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The *Art of Sharing* makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century Intimate Integration Allyson Stevenson,2020-12-07 Privileging Indigenous voices and experiences *Intimate Integration* documents the rise and fall of North American transracial adoption projects including the Adopt Indian and Metis Project and the Indian Adoption Project Allyson D Stevenson argues that the integration of adopted Indian and Metis children mirrored the new direction in post war Indian policy and welfare services She illustrates how the removal of

Indigenous children from their families and communities took on increasing political and social urgency contributing to what we now call the Sixties Scoop Making profound contributions to the history of settler colonialism in Canada Intimate Integration sheds light on the complex reasons behind persistent social inequalities in child welfare **Myth of the Sacred** Donald E. Abelson, Patrick James, Michael Luszti, 2002 A critical look at the interaction of constitutional litigation and politics in Canada following the entrenchment of the Canadian Charter of Rights and Freedoms in 1982 Violence in Canada Jeffrey Ian Ross, Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of Violence in America is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross's introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America *Violence in Canada* Jeffrey Ross, 2017-09-29 Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of Violence in America is followed by an historical analysis of violence on the Canadian

western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America

**Alberta Formed - Alberta Transformed** Alberta 2005 Centennial History Society, 2006-04-18 Alberta Formed Alberta Transformed is a two volume set spanning a remarkable 12 000 years of history and showcasing the work of 34 of Alberta s most respected scholars Volume 1 sets the stage from human beginnings in Alberta to the eve of Alberta s inauguration as a province in 1905 while Volume 2 takes readers through the twentieth century and up to the 2005 centennial

**Manitoba Politics and Government** Paul Thomas, Curtis Brown, 2010-09-01 Manitoba has always been a province in the middle geographically economically and culturally Lacking Quebec s cultural distinctiveness Ontario s traditional economic dominance or Alberta s combustible mix of prairie populism and oil wealth Manitoba appears to blend into the background of the Canadian family portrait But Manitoba has a distinct political culture one that has been overlooked in contemporary political studies Manitoba Politics and Government brings together the work of political scientists historians sociologists economists public servants and journalists to present a comprehensive analysis of the province s political life and its careful mutual fund model approach to economic and social policy that mirrors the steady and cautious nature of its citizens Moving beyond the Legislature the authors address contemporary social issues like poverty environmental stewardship gender equality health care and the province s growing Aboriginal population to reveal the evolution of public policy in the province They also examine the province s role at the intergovernmental and international level Manitoba Politics and Government is a rich and fascinating account of a province that strives for the centre for the delicate middle ground where individualism and collectivism overlap and where a multitude of different cultures and traditions create a highly balanced society

**Immigration and Settlement, 1870-1939** Gregory P. Marchildon, 2009 Immigration and Settlement 1870 1939 includes twenty articles organized under

the following topics the Opening of the Prairie West First Nations and the Policy of Containment Patterns of Settlement and Ethnic Relations and Identity in the New West The second volume in the History of the Prairie West Series Immigration and Settlement includes chapters on early immigration patterns including transportation routes and ethnic blocks as well as the policy of containing First Nations on reserves Other chapters grapple with the various identities preferences and prejudices of settlers and their complex relationships with each other as well as the larger polity Tar Wars Geo Takach,2017-02-27

Tar Wars offers a critical inside look at how leading image makers negotiate escalating tensions between continuous economic growth mandated by a globalized economic system and its unsustainable environmental costs As place branding assumes paramount importance in an increasingly global visual and ecologically conscious society an international battle unfolds over Alberta's bituminous sands This battle pits independent documentary filmmakers against professional communicators employed by government and the oil industry Tar Wars engages scholars and students in communications film environmental studies social psychology PR media and cultural studies and petrocultures This book also speaks to decision makers activists and citizens exploring intersections of energy environment culture politics economy media and power **Place and Replace** Esyllt W. Jones,Adele Perry,Leah Morton,2013 A multidisciplinary analysis of the Canadian West

**Alberta Premiers of the Twentieth Century** University of Regina. Canadian Plains Research Center,2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and the 1990s the twentieth century was a time of growth and hardship development and change for Alberta and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this province The names of some like William Aberhart Ernest Manning and Peter Lougheed are still household names while others like Arthur Sifton Herbert Greenfield and Richard Reid have been all but forgotten Yet each in his unique way for better or for worse helped to mould and steer the destiny of the province he governed These are their stories **Continuity and Change in Canadian Politics** David E. Smith,2006-01-01

Change and Continuity in Canadian Politics gets to the heart of key issues and provides important insights into contemporary Canadian government and politics Conservatism in Canada James Farney,David Rayside,2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially Conservatism in Canada explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both

established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country     **Canada 2020-2022** ,2021-09-15 The World Today Series Canada is an annually updated presentation of Canada It provides the reader an in depth look at the country s culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students
