## **Right Turn How The Tories Took Ontario:**

Right Turn Christina Blizzard, 1995-01-10 It wasn't so much a big blue machine that chugged its way across Ontario's political landscape in the spring of 1995 it was more a big purple bulldozer driven by leader Mike Harris and a new breed of Tories Gone were the pinestripes and the cigar chomping backroom boys of the forty two years of Tory rule These Tories were young hip and they were riding the wave of their Common Sense Revolution a platform launched a year earlier Still there were only a few who thought the PCs stood a chance of winning the Ontario provincial election Though Bob Rae's NDP government was foundering Lyn McLeod and the Liberals were holding what looked like a steady two to one lead in the polls Relying on a combination of video tapes clever advertising and a brilliant campaign plan the Harris team turned it all around pulling off one of the most stunning upsets in Canadian political history *Right Turn* tells the story *Revolution at Queen's Park* Sid Noel, 1997-01-01 First published in 1997 *Revolution at Queen's Park* tracks radical changes in Ontario politics during the crucial decade between 1985 and 1995 Written by prominent political analysts these essays cover a wide range of topics including electoral behaviour changes in Ontario's political culture over the decade and the factors that led to the defeat of Bob Rae's government in 1995 Lively and readable *Revolution at Queen's Park* is a well written account of this remarkable period in Ontario's history The Government and Politics of Ontario Graham White, 1997-01-01 This textbook is the standard authority on the government and politics of Ontario Extensively revised and updated to reflect the early Harris era this edition also features a new section on change and continuity in the Ontario political system Cycling into Saigon David R. Cameron, Graham White, 2011-11-01 The essence of democracy is the peaceful and legitimate transfer of government In 1995 in Ontario the omens for a successful transition weren't promising Almost no one had expected Mike Harris's Common Sense Revolution to catapult his Progressive Conservatives from third party obscurity to victory in the June election The Harris manifesto declared its intention to dismantle almost every policy of the defeated NDP administration of Bob Rae Weeks of confrontation and confusion seemed inevitable Yet as Cameron and White compellingly describe the transition was a surprising success involving necessary co operation between political mortal enemies *Cycling into Saigon* has important lessons for everyone involved or interested in this key stage of the electoral process wherever it takes place The Power of Persuasion Kirsten Kozolanka, 2007 Explores the relationship between the politics of the New Right the media and democracy *The Guardian* Institute of Public Administration of Canada, 2011-01-01 Finance departments have often been portrayed as guardians of the public purse In *The Guardian* a multidisciplinary group of contributors examines the Ministry of Finance of Ontario since the Second World War During the last sixty years the Ministry was transformed from a relatively small Treasury to a sophisticated policy machine What started as a modest bookkeeping operation evolved into a key bureaucratic and policy agency as the government of Ontario assumed a leadership position in developing the province These essays reveal Ontario's finance as a dynamic policy issue shaped by the personalities of premiers and ministers the

energies of public servants at all levels and a critical dialogue between political and administrative worlds Drawing on different methodologies this collection profiles a ministry as policy entrepreneur spender revenue generator capacity builder budget director program manager and intergovernmental agent The Guardian fills a significant gap in public administration literature and in so doing describes how Ontario's Ministry of Finance defined its role as guardian

**Canadian Book Review Annual**, 1995     *This May Hurt a Bit* Stephen Skyvington, 2019-02-02 How might we fix Canada's health care system why would we want to and what's stopping us from doing so These three questions lie at the very heart of *This May Hurt a Bit*

**Shifting Gears** Stephanie Ross, Larry Savage, 2024-09-03 In the decades following the Second World War autoworkers were at the forefront of the labour movement Their union urged members to rally in the streets and use the ballot box to effect change for all working class people But by the turn of this century the Canadian Auto Workers union had begun to pursue a more defensive political direction *Shifting Gears* traces the evolution of CAW strategy from transformational activism to transactional politics Class based collective action and social democratic electoral mobilization gave way to transactional partnerships as relationships between the union employers and governments were refashioned This new approach was maintained when the CAW merged with the Communications Energy and Paperworkers Union in 2013 to create Unifor Canada's largest private sector union Stephanie Ross and Larry Savage explain how and why the union shifted its political tactics offering a critical perspective on the current state of working class politics

**Public-sector Labour Relations in an Era of Restraint and Restructuring** Gene Swimmer, 2001 The 1990s in Canada was arguably the most stressful decade for public sector industrial relations since the inception 25 years earlier of collective bargaining in the public service This book examines in depth the events of recent years in the public service of six jurisdictions Nova Scotia Ontario Manitoba Alberta British Columbia and the federal government along with trends in the other five Canadian provinces

**Theatre Research in Canada**, 1999     *Theatre History in Canada*, 1998     *The Big Blue Machine* J. Patrick Boyer, 2015-10-10 The story of a formidable campaign organization the Big Blue Machine that ran a string of successful Progressive Conservative Party campaigns in several provinces over four decades Devoted to the art of winning campaigns it pioneered new techniques in polling advertising fundraising communications and policy development
